

8275.0120 CONTRACT FOR SECRETARY OF STATE REPOSITORY PUBLICATION.

The secretary may either directly operate, or contract for the operation of, a repository including an online publicly accessible database described in Minnesota Statutes, section 325K.01, subdivision 6. If the secretary contracts for the operation of the repository, the contractor shall be a licensed certification authority and shall agree to operate according to all requirements of Minnesota Statutes, chapter 325K. The contract may be rescinded for any reason that would form a basis for revoking recognition of a repository.
