

8290.1400 SUMMARY DATA.

For purposes of collecting state aid on motor vehicles pursuant to Minnesota Statutes, section 163.051, the secretary of state shall issue to the Department of Public Safety and to the Minnesota Department of Transportation a table containing summary data by county on the number of motor vehicles reported as owned by program participants residing in each county. The table must be used only for the purposes of issuing state aid on motor vehicles and wheelage tax administration.
