Presentation of the Safe at Home card creates a rebuttable presumption that the individual listed on the card is a program participant. A program participant is not required to respond to any question a public or private person puts to the program participant

about the details or circumstances of the person's inclusion in the program. The public or private person or entity may contact the secretary of state for information on the program.

Subp. 3. **Secretary of state as agent.** The secretary of state is the agent for receipt of all mail sent by public and private persons and entities to the program participants at the designated address.

Subp. 4. **Mail to be forwarded.** All mail specifically addressed to the program participant at the designated address must be forwarded at least every second business day to the participant at the participant's mailing address. Envelopes containing the mail being forwarded must be marked "Return Service Requested." The secretary of state is not required to forward mail if the mail is not specifically addressed to a program participant.

Subp. 5. **Short-term mail hold.** The secretary of state may hold a participant's mail for up to three days upon request of the program participant. The secretary of state may hold a participant's mail for up to a total of three weeks if the participant has sent a signed, written mail hold request to the secretary of state that includes a statement that the participant understands that the participant is personally responsible for any consequences of the delay in mail delivery, and a telephone number at which the participant can be reached. Upon receipt of a written request, the secretary of state must compare the signature of the program participant or applicant on the request with the signature on the original application and conclude that the signatures are the same. The mail hold is effective the date the secretary of state receives the request, unless the participant has indicated an alternate effective date.

Subp. 6. **Limited circumstances of use of actual address.**

A. In cases in which a public or private person or entity must under federal law obtain a program participant's actual address, the program participant must provide the program participant's actual address, in addition to the designated address.

B. For those services delivered to an actual address or tied to residency in a particular jurisdiction, the public or private person must request only that portion of the actual address required in order to provide those services, in addition to the designated address.

C. A program participant who is subject to criminal justice system management must, upon request, supply the program participant's actual address to the participant's supervising person, in addition to the designated address.

D. In cases in which all or part of the actual address has been disclosed pursuant to item A, B, or C, the designated address must be used as the address of the program participant by the public or private person or entity for all purposes where the actual address is not specifically required.

E. The secretary of state, upon request of the public or private person, shall suggest measures that shall assist in protecting the actual address and the program participant's name against disclosure in any way. Measures may include, but are not limited to, assigning a pseudonym to the program participant; suppressing the program participant's name on records; keeping the actual address in the program participant's paper file, but not entering it into a database; and making the records password protected and limiting access to them to a small pool of staff.

Subp. 7. **Availability to law enforcement.** The secretary of state shall be available at all times to fulfill the requirements of Minnesota Statutes, section 5B.07, subdivision 2, in exigent circumstances.

If an envelope enclosing the summons, writ, notice, demand, or process is clearly labeled as service of process on the outside of the envelope and is served by first class or certified mail on the secretary of state, the secretary of state shall forward the service to the program participant no later than the next business day. As the secretary of state is the agent for service of process, the signed receipt of certified mail by the secretary of state constitutes proof of service on the program participant and commences the time in which responsive pleadings must be filed.

Subp. 4. **Record.** The secretary of state shall maintain, in the program participant's file, a record of services served upon the secretary of state for that participant. The secretary of state shall include in the file the action taken on that service, including the name of the program participant to whom the service is directed, the date of receipt, the date of mailing, a unique identifying service number for the mailing, and whether the mailing was returned to the secretary of state as undeliverable.

8290.1300 VOTING BY PROGRAM PARTICIPANT.

Subpart 1. **Internal procedures.** The secretary of state shall establish internal procedures designed to facilitate voting by program participants that minimize the number of persons with access to program participant data while maintaining the integrity of the election process.

Subp. 2. **Absentee ballot recipient status.** A program participant who is eligible to vote may register to vote with the secretary of state as an ongoing absentee voter pursuant to Minnesota Statutes, section 5B.06.

The secretary of state shall maintain a record of each program participant registering to vote as an ongoing absentee voter.

Subp. 3. **Identification of program participant voters.** Whenever the secretary of state is notified that an election will be taking place, the secretary of state must, at least 45 days before the election, or in the case of a special election, within two business days after it is scheduled, identify all program participant voters who live in the jurisdiction.

Subp. 4. **Review and removal from voter registration system.** Upon certification of an application and again prior to each election in which the program participant is eligible to vote, the secretary of state must review the statewide voter registration system to ensure that the program participant voter is not listed in that system at the actual address. If a program participant voter is listed in the statewide voter registration system, the secretary of state must notify the participant that the participant is not allowed to vote as an ongoing absentee voter through Safe at Home until the participant's current voter record is removed from the statewide voter registration system and provide instructions on how to get the record removed.

Subp. 5. **Absentee ballot request form.** The secretary of state shall provide program participant voters not currently registered in the statewide voter registration system at the actual address with an absentee ballot request form for each election in which the program participant is eligible to vote. Notwithstanding parts 8210.0200, 8210.0500, and 8210.0700, in order to receive a ballot, the program participant must return the absentee ballot request form to the secretary of state. A program participant voter must provide, in lieu of the verification process under the Help America Vote Act, a copy of the photo identification with the absentee ballot request form if the program participant voter's registration:

- A. was not submitted by an application assistant;
- B. the statewide voter registration system indicates that the program participant voter has not previously voted in a federal election in Minnesota;
- C. the application states that the participant possesses photo identification; and
- D. the program participant voter has not provided the secretary of state with a photocopy of photo identification.

Upon receiving the absentee ballot request form, the secretary of state must communicate to the appropriate election administrator of each jurisdiction for which requests have been received the number of ballots necessary for each jurisdiction. Notwithstanding parts 8210.0200, 8210.0500, and 8210.0700, the election administrator must provide the appropriate ballots for that election to the secretary of state.

Subp. 6. **Ballot distribution.** The secretary of state must forward the requested ballots to each program participant voter by first class mail, accompanied by absentee ballot instructions, a secrecy envelope, and a return envelope addressed to the secretary of state.

Subp. 7. **Return of undeliverable ballots.** If the absentee ballot of any program participant is declared undeliverable by the United States Postal Service, the secretary of state must return those materials to the appropriate county auditor.

Subp. 8. **Ballot handling.**

A. Notwithstanding parts 8210.0200, 8210.0500, and 8210.0700, program participant voters must submit their return ballot envelopes to the secretary of state.

B. If the program participant voter submits a return ballot envelope, the secretary of state must review the original return envelope to determine whether the secretary of state is satisfied that the program

participant voter's name and signature on the original return envelope appear in substantially the same form as on the absentee ballot request form described in subpart 5 and that the certificate on the original return envelope is properly executed.

C. The secretary of state must remove the secrecy envelope from the return envelope received from the program participant voter and transfer the secrecy envelope to a blank, unused return envelope with the verification certificate printed on it. The secretary of state must complete and sign the verification certificate. The verification certificate includes the county, municipality, ward, and precinct/school district combination and states that the ballot is provided for a Safe at Home participant voter, whether the secretary of state is satisfied that the program participant voter's name and signature on the return envelope appear in substantially the same form as on the absentee ballot request form described in subpart 5, and whether the certificate on the return envelope is properly executed. The secretary of state must then forward these materials to the county auditor.

Subp. 9. **County auditor to forward ballot.** The county auditor shall forward the substituted return envelope bearing the verification certificate to the municipal or school district clerk.

Subp. 10. **Receipt and counting of ballots.** The municipality or school district clerk shall forward the verification certificate and substituted return envelope to the precinct. The election judges in the precinct must review the verification certificate and may only reject the absentee ballot if the verification certificate indicates that the secretary of state was not satisfied that the program participant voter met the requirements of this part. If the election judges accept the ballot, they must write "SAH" followed by a sequential number for each Safe at Home ballot processed and "AB" on the election day registration roster page. An accepted ballot is counted in the polling place as any other registered absentee ballot for statistical purposes.

Subp. 11. **Review and determination by secretary of state.** By March 31 of each year, the secretary of state must determine whether any program participant voters who cast ballots in the preceding 12-month period are recorded in the statewide voter registration system as having both a record of casting a ballot under this part and also voting in the same election. If it is found that a program participant voter casting a ballot under this part also has a voting history record for the same election in the statewide voter registration system, the secretary of state shall notify the appropriate county attorney of that fact.

Subp. 12. **Cessation of ongoing absentee ballot status.** The secretary of state must revoke the program participant voter's ongoing ballot status under this part until the county attorney confirms that the issue has been resolved in favor of the program participant if voting records under this part and voting history records in the statewide voter registration system show that the program participant voter has not only cast a ballot under this part but also voted in the same election by other means.

Subp. 13. **Record keeping.** The secretary of state must maintain a record for each election with the number of ballots requested by precinct/school district combinations, blank ballots received from each county auditor, assembled ballots sent to program participant voters, ballots returned as undeliverable, ballot envelopes returned by program participant voters to the secretary of state, and substituted return envelopes created by the secretary of state.

Subp. 14. **Biennial report.** By April 30 of each odd-numbered year, the secretary of state shall issue a report on the activities of program participant voters during the period of two calendar years ending on December 31 preceding the report date.

Subp. 2. **When awarded.** Application assistant accreditation shall be awarded by the secretary of state when:

A. the prospective application assistant:

(1) completes an application that includes the prospective application assistant's name, business mailing address, business telephone number, and business e-mail address, if available; the community-based program at which the application assistant is employed and a contact name for the community-based program; a statement that the application assistant provides direct advocacy services to victims as a substantial part of the application assistant's current job duties; an agreement to adhere to the instructions and terms provided in the application assistant agreement; and an agreement not to discriminate against any applicant or program participant because of race, creed, religion, color, national origin, gender, marital status, sexual orientation, status with regard to public assistance, age, or mental, physical, or sensory disability;

(2) submits the completed application, with a statement from the community-based program as described in item B, to the secretary of state; and

(3) successfully completes a program orientation or training session sponsored by or on behalf of the secretary of state; and

B. the community-based program confirms that the application assistant is employed by the community-based program and agrees to designate a contact for the community-based program. The program must have a person authorized to act on behalf of the organization execute the application in order for it to be accepted by the secretary of state.

Subp. 3. **Employment status.** The application assistant performing the duties under this chapter is not deemed to be an employee of the Office of the Secretary of State or of the state of Minnesota or an agent of the secretary of state in any manner whatsoever. The application assistant shall not hold out as, nor claim to be, an officer or employee of the Office of the Secretary of State or of the state of Minnesota simply because the person is an application assistant, and shall not make any claim, demand, or application to or for any right or privilege applicable to an officer or employee of the Office of the Secretary of State or of the state of Minnesota.

Subp. 4. **Term of accreditation.** An application assistant's accreditation is ongoing as long as the application assistant maintains employment at the community-based organization named on the application, completes a periodic review approved by the secretary of state at least once every three years, and, in addition, completes any other training deemed necessary by the secretary of state.

Subp. 5. **Termination.** An application assistant's accreditation may be terminated by the secretary of state for failing to abide by any requirement in this chapter or for failing to act in accordance with requirements of the secretary of state. An application assistant's accreditation must be terminated if the application assistant is no longer employed by the community-based organization with which the person applied.

Subp. 6. **Employment with another community-based organization.** If an application assistant changes employment, leaving employment at one community-based organization and gaining employment at another, the application assistant may apply to become accredited again after the new community-based organization confirms the person is an employee and agrees to designate a contact for the community-based program. The new organization must have a person authorized to act on behalf of the organization execute a new application. The secretary of state will determine what training, if any, is necessary to fully renew the application assistant's accreditation status.

Subp. 7. **Access to application assistants.** The secretary of state shall make available a list of the names and telephone numbers of community-based programs at which accredited application assistants may be found.

Subp. 8. **Records.** An application assistant shall forward the completed application materials required by this chapter to the secretary of state. If the applicant so directs, an application assistant may mail any optional notices that are generated as a part of the application process to the appropriate party. Any remaining application materials must be given to the applicant or securely disposed of by the application assistant.
