

8400.3210 DELEGATION OF PROGRAM TO ANOTHER DISTRICT.

A district board may enter into an agreement with other district boards as authorized by Minnesota Statutes, section 103C.231, to delegate to another district board the responsibility for administering any conservation easement program of the state board. Where such delegation has been mutually agreed upon, each district board must so notify all landowners in their respective district and each district must so notify the state board.
