

**8420.0325 SEQUENCING APPLICATIONS.**

An applicant may either submit the information required for sequencing analysis as part of a replacement plan application or apply separately for a preliminary sequencing decision from the local government unit before preparing a complete replacement plan. The applicant must provide written documentation of the project's compliance with the sequencing standards in part 8420.0520, including the identification of the project purpose and a detailed description of the project and alternatives considered. The local government unit may request additional information needed to make a decision.
