renew the license under subpart 4 if part 8710.0500 has not been met. No person may hold a nonrenewable license, a temporary limited license, or any combination of these licenses for more than three years. Upon meeting the requirements of this part and parts 8700.2700 and 8710.0500, and the licensure grade level range of the Minnesota licensure field, a first professional license shall be granted.

A teacher issued a nonrenewable license shall have two years from the expiration date of the first Minnesota teaching license to complete the licensure requirements of part 8710.4250, 8710.4300, 8710.4750, or 8710.4800. A teacher issued a temporary limited license may renew the limited temporary license under subpart 4 if part 8710.0500 has not been met. No person may hold a nonrenewable license, a temporary limited license, or any combination of these licenses for more than three years. Upon meeting the requirements of this part, parts 8700.2700 and 8710.0500, and part 8710.4250, 8710.4300, 8710.4750, or 8710.4800, a first professional license in the licensure field shall be granted.

To meet the requirements of subpart 3, item E, if an official transcript verifying completion of the licensure program

is not available, the preparation program must provide official documentation of the program leading to licensure and must verify that the applicant has completed the approved licensure program.

If the applicant has not completed the requirements for a first professional license, a temporary limited license or a nonrenewable license may be issued upon meeting the requirements of subpart 4, 5, 6, or 7.

Subp. 9. **Exception for national board certified teachers.** An applicant who provides evidence of current national board certification, but has not completed the requirements of part 8700.2700 or 8710.0500, shall be granted a temporary limited license. If the requirements of part 8710.0500 have not been met upon expiration, the temporary limited license may be renewed under subpart 4. The Board of Teaching shall accept current national board certification in a licensure field for which the Board of Teaching has established rules governing programs leading to licensure as evidence of having met the criteria of subpart 3, item C, or 3a, item B. If the applicant also provides evidence of current licensure from another state in the same field as national board certification is held, but at a different grade level designation, the Board of Teaching shall accept evidence of licensure and certification together as having met the requirements of subpart 3, item C, or 3a, item B, provided this evidence includes all grade level designations of the Board of Teaching licensure rule.
