

8850.7550 EXTENT OF WAIVER.

The commissioner may deny the application for waiver under part 8850.7200 or may grant it totally or in part and may issue the waiver subject to terms, conditions, and limitations that protect the traveling public. A waiver is valid for a period not longer than two years from the date of issue and may be renewed 30 days before the expiration date.

The commissioner shall grant or deny the waiver in writing within 30 days from the date that the required information has been submitted.

A denial of the waiver must state the reason for the denial.
