

9210.0100 DEFINITIONS.

Subpart 1. **Scope.** For the purposes of parts 9210.0100 to 9210.0180, the following terms used have the meanings given in this part and Minnesota Statutes, section 115A.03, unless the context requires otherwise.

Subp. 2. [Repealed, 15 SR 839]

Subp. 2a. **Agency.** "Agency" means the Minnesota Pollution Control Agency.

Subp. 3. [Repealed, 15 SR 839]

Subp. 4. **Cities.** "Cities" has the meaning given it in Minnesota Statutes, section 115A.03, subdivision 4.

Subp. 4a. **Commissioner.** "Commissioner" means the commissioner of the Minnesota Pollution Control Agency.

Subp. 5. **Comprehensive solid waste management plan.** "Comprehensive solid waste management plan" means a written plan prepared under Minnesota Statutes, section 115A.46, or, in the metropolitan area, under Minnesota Statutes, section 473.149.

Subp. 5a. [Renumbered subp 4a]

Subp. 6. **Disposal.** "Disposal" has the meaning given it in Minnesota Statutes, section 115A.03, subdivision 9.

Subp. 7. **Final design and engineering/architectural plans.** "Final design and engineering/architectural plans" means those engineering drawings and specifications used to secure bids for construction or equipment.

Subp. 7a. **Household hazardous waste.** "Household hazardous waste" has the meaning given in Minnesota Statutes, section 115A.96.

Subp. 8. **Institutional arrangements.** "Institutional arrangements" means methods of financing, marketing, procurement, or securing the waste supply.

Subp. 9. **Mixed municipal solid waste.** "Mixed municipal solid waste" has the meaning given it in Minnesota Statutes, section 115A.03, subdivision 21.

Subp. 9a. [Renumbered subp 2a]

Subp. 10. **On-site utilities.** "On-site utilities" means gas, electrical, water, and sewer facilities within the geographic boundaries of the facility site that are used for facility operations, excluding transmission of energy to markets.

Subp. 11. **Preliminary design and engineering/architectural plans.** "Preliminary design and engineering/architectural plans" means conceptual plans adequate to obtain preconstruction permits and to meet the needs of an environmental assessment.

Subp. 12. **Processing.** "Processing" has the meaning given it in Minnesota Statutes, section 115A.03, subdivision 25.

Subp. 13. [Repealed, 50 SR 1135]

Subp. 13a. **Recipient.** "Recipient" means an applicant who has received a grant under the solid waste capital assistance program.

Subp. 14. **Recyclable materials.** "Recyclable materials" has the meaning given it in Minnesota Statutes, section 115A.03, subdivision 25a.

Subp. 15. **Recycling.** "Recycling" has the meaning given it in Minnesota Statutes, section 115A.03, subdivision 25b.

Subp. 16. [Renumbered subp 13a]

Subp. 17. **Resource recovery.** "Resource recovery" has the meaning given it in Minnesota Statutes, section 115A.03, subdivision 27.

Subp. 18. **Resource recovery facility.** "Resource recovery facility" has the meaning given it in Minnesota Statutes, section 115A.03, subdivision 28.

Subp. 19. **Solid waste.** "Solid waste" has the meaning given it in Minnesota Statutes, section 116.06, subdivision 22.

Subp. 20. **Solid waste disposal facilities and equipment.** "Solid waste disposal facilities and equipment" means structures, machinery, or devices at a disposal site necessary for efficient land disposal of solid wastes, including machinery or devices designed to move earth during burial of wastes or to increase the density of wastes buried or to be buried, and facilities in which solid waste is temporarily stored and concentrated before transport to a disposal site.

Subp. 21. **Solid waste management district.** "Solid waste management district" has the meaning given it in Minnesota Statutes, section 115A.03, subdivision 32.

Subp. 22. **Special waste stream.** "Special waste stream" means materials normally found in the solid waste stream in sufficient quantity to be recovered for subsequent use, if separated from the solid waste stream and processed separately. Examples of special waste streams include waste tires, wood wastes, and agricultural wastes.

Subp. 22a. **Transfer station.** "Transfer station" has the meaning given it in Minnesota Statutes, section 115A.03, subdivision 33.

Subp. 23. **Transmission facilities.** "Transmission facilities" means any steam, water, or electrical lines that are used to transport energy to markets.

Subp. 24. [Renumbered subp 22a]

Subp. 25. **Waste processing equipment.** "Waste processing equipment" means machinery or devices acquired and used as an integral component of a waste processing facility.

Subp. 26. **Waste processing facility.** "Waste processing facility" means structures and equipment, singly or in combination, that are designed, constructed, and used to separate, modify, convert, heat, prepare, or otherwise process solid waste so that materials, substances, or energy contained within the waste may be recovered for subsequent use.
