

**9215.0650 WASTE TIRE DISPOSAL AND RECOVERY.**

Subpart 1. **Content.** The plan must include the information in this part on waste tire recovery programs and practices in the county, district, or multicounty area.

Subp. 2. **Policies and goals.** The plan must contain a description of the waste tire disposal goals and policies that the county, district, or multicounty area has established that comply with Minnesota Statutes, section 115A.914, subdivision 3.

Subp. 3. **Existing waste tire practices.** The plan must describe existing public and private sector waste tire disposal programs and practices in place throughout the county, district, or multicounty area. The description must include the waste tire management system including permitted storage and processing facilities, location of known unpermitted tire dumps, transportation and disposal system used by local collectors, annual amount or quantity of waste tires recovered, current end uses of the waste tires, and status of any county solid waste ordinance relative to waste tire management.

Subp. 4. **Specific programs to be developed.** The plan must describe any new or existing waste tire programs that the county, district, or multicounty area proposes to maintain, expand, or implement during the next ten years, including the annual amount or quantity of waste tires to be recovered and the responsible persons and estimated staff time necessary to implement and manage each program.

Subp. 5. **Program budget.** The plan must estimate the annual costs to be incurred by the county, district, or multicounty area in implementing or maintaining the waste tire programs during the next ten years, including itemized capital and operating costs.

Subp. 6. **Schedule of implementation.** The plan must include a schedule for the implementation of the proposed waste tire programs.
