

9215.0655 ELECTRONIC PRODUCTS.

Subpart 1. **Content.** The plan must include the information described in this part on electronic products management programs and practices in the county, district, or multicounty area.

Subp. 2. **Policies and goals.** The plan must contain a description of the electronic products management goals and policies that the county, district, or multicounty area has established to comply with Minnesota Statutes, section 115A.9565.

Subp. 3. **Existing electronic products management practices.** The plan must describe the existing public and private sector electronic products management programs in the county, district, or multicounty area. The description must indicate the process used by the county, district, or multicounty area to comply with applicable state, federal, and local regulations for disposal of used electronic products and capture of hazardous waste contained in the products. The description must also include the annual amount or quantity of electronic products recovered; public education efforts; and collection options for processing, recycling, and disposal.

Subp. 4. **Specific programs to be developed.** The plan must describe any new or existing electronic products management programs that the county, district, or multicounty area proposes to maintain, expand, or implement during the next ten years, including the annual amount or quantity of electronic products recovered; public education efforts; collection options for processing, recycling, and disposal; and the responsible persons and estimated staff time necessary to implement and manage each program.

Subp. 5. **Program budget.** The plan must estimate the annual costs to be incurred by the county, district, or multicounty area in implementing or managing the electronic products management programs for the next ten years, including itemized capital and operating costs.

Subp. 6. **Schedule of implementation.** The plan must include a time schedule for implementation of the proposed electronic products management programs described in this part.
