

**9220.0230 PERMIT REQUIRED.**

Subpart 1. **Permit required.** Except as provided in subpart 2, no person may do any of the following without obtaining a waste tire facility permit from the agency:

- A. store, process, or dispose of waste tires or tire-derived products; or
- B. establish, construct, modify, own, or operate a waste tire facility.

Subp. 2. **Exclusions.** The following persons are not required to obtain a waste tire facility permit:

A. a retail tire seller for the retail selling site if no more than 500 waste tires are kept on the business premises;

B. an owner or operator of a tire retreading business for the business site if no more than 3,000 waste tires are kept on the business premises;

C. an owner or operator of a business who, in the ordinary course of business, removes tires from motor vehicles if no more than 500 waste tires are kept on the business premises;

D. a permitted landfill operator with less than 10,000 waste tires stored above ground at the permitted site;

E. a person using waste tires for agricultural purposes if the waste tires are kept on the site of use; or

F. a person conducting abatement activities under an abatement order or stipulation agreement entered into under part 9220.0120. This exemption does not exempt the person from the duty to obtain a waste tire facility permit for activities other than the abatement action.

Subp. 3. **Closure of facilities.** The owner or operator of a waste tire facility who does not seek a waste tire facility permit or who does not qualify for permit by rule status shall within 90 days after May 23, 1988, close the facility in compliance with part 9220.0500.
