9505.0445 PAYMENT RATES.

The maximum payment rates for health services established as covered services by parts 9505.0170 to 9505.0475 shall be as in items A to U.

A. For skilled nursing care facility services, the rates shall be as established in parts 9549.0010 to 9549.0080 and 9549.0050 to 9549.0059 as published in the State Register, December 1, 1986, volume 11, number 22, pages 991 to 1004.

B. For intermediate care facility services, the rates shall be as established in parts 9549.0010 to 9549.0080 and 9549.0050 to 9549.0059 as published in the State Register, December 1, 1986, volume 11, number 22, pages 991 to 1004.

C. For services of an intermediate care facility for persons with developmental disability, the rates shall be as established in parts 9553.0010 to 9553.0080.

D. For hospital services, the rates shall be as established in parts 9500.1090 to 9500.1140.

E. For audiology services, chiropractic services, dental services, mental health center services, physical therapy, physician services, podiatry services, psychological services, speech pathology services, and vision care, the rate shall be the lowest of the provider's submitted charge, the provider's individual customary charge submitted during the calendar year specified in the legislation governing maximum payment rates, or the 50th percentile of the usual and customary fees based upon billings submitted by all providers of the service in the calendar year specified in legislation governing maximum payment rates.

F. For clinic services other than rural health clinic services, the rate shall be the lowest of the provider's submitted charge, the provider's individual customary charge submitted during the calendar year specified in the legislation governing maximum payment rates, the 50th percentile of the usual and customary fees based upon billings submitted by all providers of the service in the calendar year specified in legislation governing maximum payment rates, or Medicare payment amounts for comparable services under comparable circumstances.

G. For outpatient hospital services excluding emergency services and excluding facility fees for surgical services, the rate shall be the lowest of the provider's submitted charge, the provider's individual customary charge submitted in the calendar year specified in legislation governing maximum payment rates, the 50th percentile of the usual and customary fees based upon billings submitted by all providers of the service in the calendar year specified in legislation governing maximum payment rates, or Medicare payment amounts for comparable services under comparable circumstances.

H. For facility services which are performed in an outpatient hospital or an ambulatory surgical center, the rate shall be the lower of the provider's submitted charge or

the standard flat rate under Medicare reimbursement methods for facility services provided by ambulatory surgical centers. The standard flat rate shall be the rate based on Medicare costs reported by ambulatory surgical centers for the calendar year in legislation governing maximum payment rates.

I. For facility fees for emergency outpatient hospital services, the rate shall be the provider's individual usual and customary charge for facility services based on the provider's costs in calendar year 1983. The calendar year in this item shall be revised as necessary to be consistent with calendar year revisions enacted after October 12, 1987, in legislation governing maximum payments for providers named in item D.

J. For home health agency services, the rate shall be the lower of the provider's submitted charge or the Medicare cost per visit limits based on Medicare cost reports submitted by free standing home health agencies in the Minneapolis and Saint Paul area in the calendar year specified in legislation governing maximum payment rates for services in item E.

K. For private duty nursing services, the rate shall be the lower of the provider's submitted charge or the maximum rate established by the legislature. The maximum rate shall be adjusted annually on July 1 to reflect the annual percentage increase reported in the most recent Consumer Price Index (Urban) for the Minneapolis - Saint Paul area new series index (1967=100) as published by the Bureau of Labor Statistics, United States Department of Labor. The Consumer Price Index (Urban) is incorporated by reference and is available from the Minitex interlibrary loan system. It is subject to frequent change.

L. For personal care assistant services, the rate shall be the lower of the provider's submitted charge or the maximum rate established by the department. The maximum rates shall be adjusted annually on July 1 to reflect the annual percentage increase reported in the most recent Consumer Price Index (Urban) for the Minneapolis-Saint Paul area as specified in item K.

M. For EPSDT services, the rate shall be the lower of the provider's submitted charge or the 75th percentile of all complete EPSDT screening charges submitted for complete EPSDT screenings during the prior state fiscal year, July 1 to the following June 30. The adjustment necessary to reflect the 75th percentile shall be effective annually on October 1.

N. For pharmacy services, the rates shall be as established in part 9505.0340, subpart 7.

O. For rehabilitation agency services, the rate shall be the lowest of the provider's submitted charges, the provider's individual and customary charge submitted during the calendar year specified in the legislation governing maximum payment rates for providers in item D, or the 50th percentile of the usual and customary fees based

upon billings submitted by all providers of the service in the calendar year specified in legislation governing maximum payment rates for providers in item D.

P. For rural health clinic services, reimbursement shall be according to the methodology in Code of Federal Regulations, title 42, section 447.371. If a rural health clinic other than a provider clinic offers ambulatory services other than rural health clinic services, maximum reimbursement for these ambulatory services shall be at the levels specified in this part for similar services. For purposes of this item, "provider clinic" means a clinic as defined in Code of Federal Regulations, title 42, section 447.371(a); "rural health clinic services" means those services listed in Code of Federal Regulations, title 42, section 440.20(b); "ambulatory services furnished by a rural health clinic" means those services listed in Code of Federal Regulations, title 42, section 440.20(c).

Q. For laboratory and x-ray services performed by a physician, independent laboratory, or outpatient hospital, the payment rate shall be the lowest of the provider's submitted charge, the provider's individual customary charge submitted during the calendar year specified in the legislation governing maximum payment rates, the 50th percentile of the usual and customary fees based on billings submitted by all providers of the service in the calendar year specified in legislation, or maximum Medicare fee schedules for outpatient clinical diagnostic laboratory services.

R. For medical transportation services, the rates shall be as specified in subitems (1) to (4).

(1) Payment for ambulance service must be the lowest of the medical assistance maximum allowable charge, the provider's usual and customary charge, the charge submitted by the provider, or the payment allowed by Medicare for a similar service. If a provider transports two or more persons simultaneously in one vehicle, the payment must be prorated according to the schedule in subitem (2). Payment for ancillary service to a recipient during ambulance service must be based on the type of ancillary service and is not subject to proration.

(2) Payment for special transportation must be the lowest of the actual charge for the service, the provider's usual and customary rate, or the medical assistance maximum allowable charge. If a provider transports two or more persons simultaneously in one vehicle from the same point of origin, the payment must be prorated according to the following schedule:

Number of Riders	Percent of Allowed Base Rate Per Person in Vehicle	Percent of Allowed Mileage Rate
1	100	100
2	80	50

3	70	34
4	60	25
5-9	50	20
10 or more	40	10

(3) The payment rate for bus, taxicab, and other commercial carriers must be the carrier's usual and customary fee for the service but must not exceed the department's maximum allowable payment for special transportation services.

(4) The payment rate for private automobile transportation must be the amount per mile allowed on the most recent federal income tax return for actual miles driven for business purposes.

(5) The payment rate for air ambulance transportation must be consistent with the level of medically necessary services provided during the recipient's transportation and must be the lowest of the medical assistance maximum allowable charge, the provider's usual and customary charge, the charge submitted by the provider, or the payment allowed by Medicare for a similar service. Payment for air ambulance transportation of a recipient not having a life threatening condition requiring air ambulance transportation shall be at the level of medically necessary services which would have been otherwise provided to the recipient at rates specified in subitems (1) to (4).

S. For medical supplies and equipment, the rates shall be the lowest of the provider's submitted charge, the Medicare fee schedule amount for medical supplies and equipment, or the amount determined as appropriate by use of the methodology set forth in this item. If Medicare has not established a reimbursement amount for an item of medical equipment or a medical supply, then the medical assistance payment shall be based upon the 50th percentile of the usual and customary charges submitted to the department for the item or medical supply for the previous calendar year minus 20 percent. For an item of medical equipment or a medical supply for which no information about usual and customary charges exists for a previous calendar year payments shall be based upon the manufacturer's suggested retail price minus 20 percent.

T. For prosthetics and orthotics, the rate shall be the lower of the Medicare fee schedule amount or the provider's submitted charge.

U. For health services for which items A to T do not provide a payment rate, the department may use competitive bidding, negotiate a rate, or establish a payment rate by other means consistent with statutes, federal regulations, and state rules.
