

9505.1739 CHILDREN IN FOSTER CARE.

Subpart 1. **Dependent or neglected state wards.** The local agency must provide early and periodic screening, diagnosis, and treatment services for a child in foster care who is a dependent or neglected state ward under parts 9560.0410 to 9560.0470, and who is eligible for medical assistance unless the early and periodic screening, diagnosis, and treatment services are not in the best interest of the child.

Subp. 2. **Other children in foster care.** The local agency must discuss the EPSDT program with a parent of a child in foster care who is under the legal custody or protective supervision of the local agency or whose parent has entered into a voluntary placement agreement with the local agency. The local agency must help the parent decide whether to accept early and periodic screening, diagnosis, and treatment services for the child. If a parent cannot be consulted, the local agency must decide whether to accept early and periodic screening, diagnosis, and treatment services for the child and must document the reasons for the decision.

Subp. 3. **Assistance with appointment scheduling and transportation.** The local agency must help a child in foster care with appointment scheduling and transportation for screening, diagnosis, and treatment as provided by parts 9505.1730 to 9505.1733.

Subp. 4. **Notification.** The department must send a written notice to the local agency stating that a child in foster care who has been screened should be screened again. This notice must be sent at the following ages of the child: six months, nine months, one year, 18 months, two years, four years, and every three years thereafter.

Each year, by the anniversary of the date the child was determined eligible for medical assistance entitlements, the department must send a written notice to the local agency that a child in foster care who has never been screened is eligible to be screened.

If a written notice under this subpart pertains to a child who is a dependent or neglected state ward, the local agency must proceed according to subpart 1. The local agency must proceed according to subpart 2 if the written notice pertains to a child who is not a dependent or neglected state ward.
