

**9810.1401 PACKAGING AND LABELING REQUIREMENTS FOR RETAIL SALE.**

Subpart 1. **Labeling requirements applicable to immature cannabis plants and cannabis seedlings.** Immature cannabis plants and seedlings sold to customers or patients must be labeled with:

- A. the name and license number of the cannabis business that cultivated the immature cannabis plants or seedlings;
- B. the weight or volume of the plant or seedlings sold, not including the weight or volume of the package or container;
- C. the average or projected cannabinoid profile based on the variety; and
- D. the statement: "This plant or seedling is not required to be and has not been tested for safety compliance under Minnesota Statutes, section 342.61."

Subp. 2. **Labeling requirements applicable to dried cannabis flower products.** In addition to the labeling requirements under parts 9810.1400, 9810.1402, and 9810.1403, and Minnesota Statutes, section 342.63, dried cannabis flower product labels must include:

- A. the product's cannabinoid profile;
- B. the product's strain or cultivar name, listed by scientific terms, if available;
- C. the date that the product is best if used by; and
- D. if the product includes cannabis concentrate, the information in subpart 4.

Subp. 3. **Labeling requirements applicable to ingestible cannabis products and lower-potency hemp edibles.** In addition to the labeling requirements under parts 9810.1400, 9810.1402, and 9810.1403, and Minnesota Statutes, section 342.63, ingestible cannabis product and lower-hemp edible product labels must include:

- A. the cannabinoid profile of the product;
- B. all other ingredients in the product, including excipients, listed in a separate section of the ingredient list in descending order of predominance by weight;
- C. the net weight or net volume of the product;
- D. the serving size of the product and number of servings per container;
- E. the THC content and CBD content per serving, expressed in milligrams per serving;
- F. the THC content and CBD content for the package in its entirety, expressed in milligrams per package;
- G. the expiration date when the product is no longer fit for consumption and when the product must be destroyed; and

H. major allergens in the product declared in common name consistent with the Minnesota Food Law.

Subp. 4. **Labeling requirements applicable to cannabis concentrate products.** In addition to the labeling requirements under parts 9810.1400, 9810.1402, and 9810.1403, and Minnesota Statutes, section 342.63, a cannabis concentrate product label must include the following information:

- A. the name of the cannabis business that produced the product;
- B. the date that the product was made;
- C. the amount of cannabis concentrate per serving, as measured in grams;
- D. the amount of cannabis concentrate per package, as measured in grams;
- E. the method used to create the cannabis concentrate;
- F. a list of ingredients in the product;
- G. major allergens in the product declared in common name consistent with the Minnesota Food Law;
- H. the expiration date when the concentrate product is no longer fit for consumption and when the product must be destroyed; and
- I. the warning statement "Do Not Eat."

Subp. 5. **Labeling requirements applicable to topical products.** In addition to the labeling requirements under parts 9810.1400, 9810.1402, and 9810.1403, and Minnesota Statutes, section 342.63, topical product labels must include the following information:

- A. the manufacturer name, location, and website;
- B. the name of the independent, accredited laboratory used by the manufacturer to test the product;
- C. the net weight or net volume of the product in the package or container;
- D. a potency statement describing the cannabinoid profile of the product;
- E. the list of all ingredients in the product in descending order of predominance by weight or volume;
- F. the product's recommended amount for use at any one time; and
- G. the warning statement "For Topical Application - Do Not Eat or Smoke."

Subp. 6. **Labeling requirements applicable to hemp-derived consumer products.** In addition to the labeling requirements under parts 9810.1400, 9810.1402, and 9810.1403, and Minnesota Statutes, section 342.63, hemp-derived consumer products must:

A. comply with subpart 2 if the product is a hemp-derived consumer product under Minnesota Statutes, section 342.01, subdivision 37, paragraph (a), clause (1); or

B. comply with subpart 4 if the product is a hemp-derived consumer product under Minnesota Statutes, section 342.01, subdivision 37, paragraph (a), clause (2).

**Subp. 7. Labeling requirements for imported hemp-derived consumer products.** All hemp-derived consumer products imported into the state must be labeled in a manner that provides customers substantially similar information to the requirements applicable to hemp-derived consumer products under this chapter and Minnesota Statutes, section 342.63. In addition, imported hemp-derived consumer products must contain the following information on the label:

A. the state of the product's origin; and

B. the name and business address of the product's manufacturer.

**Subp. 8. Labeling requirements for products containing artificially derived cannabinoids.** In addition to the labeling requirements under parts 9810.1400, 9810.1402, and 9810.1403 and Minnesota Statutes, section 342.63, products that contain artificially derived cannabinoids must be labeled with the following statement: "Contains artificially derived cannabinoids. Not all safety hazards have been evaluated."
