

**STATUTORY  
AUTHORITY  
TABLE**

**STATUTORY AUTHORITY FOR  
ADMINISTRATIVE RULES**

Agencies and departments may adopt rules only if given authority to do so by the legislature. Therefore, for any given rule there is a section in Minnesota Statutes or Laws of Minnesota that can be cited as the source of the authority to adopt the rules. The authority is popularly referred to as "statutory authority."

The statutory authority table is a numerical listing of statutory cites and the Minnesota Rules adopted under those cites. The statutory authority information for the 1983 edition of Minnesota Rules was provided to the Office of the Revisor of Statutes by each agency. For rules adopted after the 1983 publication, the revisor's office takes the statutory information from the State Register when the rules are proposed.

The first column contains a Minnesota Statutes section number, the second column may contain a subdivision number. The six columns to the right contain the Minnesota Rules citations for rules that are adopted under that statute.
