**USER'S GUIDE FOR TABLE OF  
STATE REGISTER CITATIONS**

The table of State Register citations lists the dates for each State Register citation. Currently, the State Register citation can be found either in the historical note at the end of each part where changes were adopted on or after July 13, 1976, or in the second column of the table of amendments for changes made since the last edition of Minnesota Rules.

After locating a State Register citation, the user can consult this table to determine the date the notice of adoption was published in the State Register. The first column of the table lists a range of State Register citations and the second column lists the date that those pages were published.

Example:

41 SR 825 to 852..... January 3, 2017

This example shows that for any changes adopted with a State Register citation in the range of 41 SR 825 to 852, the notice of adoption was published on January 3, 2017.
