5 Rule as Adopted

6 4 MCAR S 3.0039 Notice of schedule changes.

7 A. Change in schedule. For purposes of this rule, "change
8 in schedule" means a change in the time of arrival at or
9 departure from a scheduled or flag stop.

10 B. Notice. A regular route common carrier that has been
11 granted authority by order of the commission for a change in
12 schedule for the intrastate transportation of passengers, or
13 that anticipates a change in schedule for the intrastate
14 transportation of passengers for which no prior state approval
15 is needed under United States Code, title 49, section 11501
16 (e)(5) (1982), shall give 30 days notice of the change in
17 schedule to the commission, and to the mayor or city clerk of
18 each municipality affected by the change in schedule, and shall
19 display a copy of the old and new schedules with the caption
20 "Notice of Change in Schedule on this Route" in boldface print
21 in all buses, terminals, agencies, and flag stops serving the
22 route.
