7 A.-D. [Unchanged.]

8 E. Mufflers.

9 1.-5. [Unchanged.]

10 6. No snowmobile shall be sold or offered for sale in  
 11 Minnesota unless its maker has previously furnished the  
 12 commissioner with a certificate of compliance certifying that  
 13 all snowmobiles made by that maker meet or exceed the applicable  
 14 noise level restrictions established by these rules. The  
 15 certification of compliance shall be in the form of a  
 16 "Snowmobile Safety Certification Committee" label conspicuously  
 17 attached to the machine showing certification by the Snowmobile  
 18 Safety and Certification Committee, Inc., or a label showing  
 19 compliance with Snowmobile Safety Certification Committee  
 20 standards accompanied by a letter containing test results of an  
 21 evaluation of noise levels by a competent independent testing  
 22 laboratory. Snowmobiles intended for competition purposes only  
 23 shall be exempt from this rule provided a separate placard  
 24 identifying that such snowmobile is not so equipped is  
 25 conspicuously and permanently affixed thereto.

26 7. [Unchanged.]
