6 Rules as Adopted

7 9525.1210 DEFINITIONS.

8 Subpart 1. to 10. [Unchanged.]

9 Subp. 12a. **Prevocational services.** "Prevocational  
10 services" means services directed toward developing and  
11 maintaining the skills and overall functioning of clients in  
12 areas such as compliance with task instructions, prompt  
13 attendance at scheduled activities, task completion, problem  
14 solving, social appropriateness, and safety. Training must be  
15 conducted using materials, tasks, situations, and settings that  
16 are age-appropriate and enhance the clients' self esteem.  
17 Adults will typically receive prevocational training on work and  
18 work-related tasks, tasks related to community participation  
19 such as travel and shopping, home care, and self care. Wages  
20 may be paid to clients.

21 Subp. 13. and 14. [Unchanged.]

22 Subp. 15. [See Repealer.]

23 9525.1250 REIMBURSABLE SERVICES.

24 Subpart 1. **Types of services.** Day training and  
25 habilitation services are reimbursable under the medical  
26 assistance program when the services are provided for the  
27 development and maintenance of life skills. Reimbursable  
28 services include transportation to and from the service site and  
29 supervision, assistance, and training in one or more of the  
30 following when they are provided to promote age-appropriate  
31 outcomes and community integration:

32 A. prevocational services, if the services meet all  
33 of the following requirements:

34 (1) the documented goals of the service do not  
35 include placement within one year in either a sheltered

1 workshop's transitional employment program or unsupervised  
2 competitive employment in the general work force. In this  
3 subitem, "unsupervised" means not directly supervised by a  
4 provider or a vocational service agency; and

5 (2) the client receives ongoing supervision from  
6 the provider while participating in the training activities.

7 B. to H. [Unchanged.]

8 Subp. 2. Service requirements. Day training and  
9 habilitation services are reimbursable under the medical  
10 assistance program if the services provided are in compliance  
11 with subpart 1 and the conditions listed in items A to F are met.

12 A. to E. [Unchanged.]

13 F. Day training and habilitation services must not  
14 include:

15 (1) special education and related services as  
16 defined in the Education of the Handicapped Act, United States  
17 Code, title 20, chapter 33, section 1401, clauses (6) and (17),  
18 as amended through October 8, 1986, which otherwise are  
19 available through a local educational agency; or

20 (2) vocational services funded under section 110  
21 of the Rehabilitation Act of 1973, United States Code, title 29,  
22 section 720, as amended through October 21, 1986, which  
23 otherwise are available from a local vocational rehabilitation  
24 agency.
