6 4730.0500 RENEWAL OF REGISTRATION.

7 Subpart 1. Biennial renewal of registration. Each
8 registration pursuant to parts 4730.0100 to 4730.3600 shall be
9 renewed biennially according to the staggered schedule specified
10 in subpart 2 so long as the activity requiring registration
11 continues. If there has been no substantial change in the
12 matters described in the last prior registration or renewal, the
13 renewal of the registration shall so state. If there has been
14 any accession of additional radiation sources or other
15 substantial change in the matters described in the preceding
16 registration or renewal, the renewal shall state the accession
17 or other change and give the information relating to such
18 accession or other change that would be required upon original
19 registration.

20 Subp. 2. Staggered schedule for renewal of registration.
21 Each registration pursuant to parts 4730.0100 to 4730.3600 shall
22 be renewed on or before the first day of the calendar quarter
23 specified in items A to H. The schedule is based on the
24 registrant's business address within the state.

25 A. January 1 of the odd-numbered years: Hennepin
26 County dentists and all radiation sources in the University of
27 Minnesota system, regardless of location.

28 B. April 1 of the odd-numbered years: Hennepin
29 County registrants other than those included in item A.

30 C. July 1 of the odd-numbered years: Ramsey County
31 registrants.

32 D. October 1 of the odd-numbered years: Anoka,
33 Dakota, and Washington County registrants.

16 Dodge, Fillmore, Freeborn, Goodhue, Houston, Le Sueur, Mower,
17 Olmsted, Rice, Scott, Steele, Wabasha, Waseca, and Winona County
18 registrants.

19 Subp. 3. Renewals affected by change of location. A
20 registrant whose business address changes from one county to
21 another must renew the registration with the county of
22 relocation according to the schedule in subpart 2, and shall not
23 accrue penalty fees for not renewing with the county of previous
24 location.

25 Subp. 4. Effective date of staggered biennial renewals.
26 The change in the date that registrants are required to submit
27 biennial renewals takes effect with the 1989-1990 biennial
28 renewal. The first staggered biennial renewal begins on January
29 1, 1989.
