3 Adopted Permanent Rules Relating to Emerging Health Occupations

4

5 Rules as Adopted

6 3709.0230 CHIROPRACTIC ASSISTANT.

7 Subpart 1. **May teach.** A teacher who has a chiropractic
8 assistant instructor license may teach in the chiropractic
9 assistant program ~~and may also teach courses in:~~

10 ~~A.--body-mechanics-in-the-workplace,--and~~

11 ~~B.--therapeutic-massage.~~

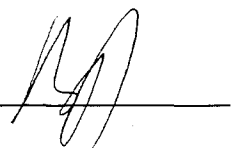

12 Subp. 2. **Other requirements.** The applicant must meet the
13 requirements in part 3709.0100.

14 Subp. 3. **Educational and occupational experience**
15 **requirement.** The applicant must have the educational and
16 occupational experience described in item A, B, or C. The
17 education must be from an accredited postsecondary institution.

18 A. Licensed chiropractor and 4,000 hours of verified
19 occupational experience in a chiropractic office or chiropractic
20 hospital. This experience must include office procedures,
21 insurance coverage, physical agents application, X-ray, and
22 examinations.

23 B. Diploma from a two-year chiropractic technician or
24 chiropractic assistant program and 6,000 hours of verified
25 occupational experience as a technician or assistant in a
26 chiropractic office or chiropractic hospital. The experience
27 must include office procedures, insurance coverage, physical
28 agents application, and assisting the chiropractor with X-ray
29 and examinations.

30 C. Diploma from a one-year chiropractic technician or
31 chiropractic assistant program or American Chiropractic
32 Registered Radiologist technician program and 7,000 hours of
33 verified occupational experience as a technician or assistant in
34 a chiropractic office or chiropractic hospital. The experience
35 must include office procedures, insurance coverage, physical

1 agents application, and assisting the chiropractor with X-ray
2 and examinations.

3 Subp. 4. Occupational recency substitution. Teaching
4 experience at an accredited postsecondary institution, or at an
5 industrial or military setting may be substituted for 1,500 of
6 the 2,000 hours required in part 3709.0100, subpart 1, item A,
7 if the teaching is done during the five-year period. The
8 teaching must be in chiropractic assisting, chiropractic
9 technician, or chiropractic medicine practice. Two hours of
10 teaching equal one hour of occupational experience.

11 3709.0240 EKG/CARDIAC TECHNICIAN.

12 Subpart 1. May teach. A teacher who has an EKG/cardiac
13 technician license may teach in the EKG/cardiac technician
14 program and may also teach cardiopulmonary resuscitation.

15 Subp. 2. Other requirements. The applicant must meet the
16 requirements in part 3709.0100.

17 Subp. 3. Occupational experience requirement. The
18 applicant must have current cardiopulmonary resuscitation
19 instructor certification and 8,000 hours of verified
20 occupational experience in one of the following:

21 A. registered nurse in critical care using 12 lead
22 cardiograms, exercise stress testing of clients, care of clients
23 with pacemakers, and interpreting basic and advanced cardiac
24 rhythms; or

25 B. supervisory EKG/cardiac technician.

26 Subp. 4. Substitution for occupational experience. An
27 applicant may substitute the education described under item A,
28 B, C, or D for up to 4,000 hours of occupational experience
29 required in subpart 3. The education must be from an accredited
30 postsecondary institution.

31 A. A bachelor's or higher degree in medicine,
32 nursing, or cardiac technology may be substituted for 4,000
33 hours.

34 B. An associate degree in nursing, perfusionist, echo
35 cardiac sonographer, EKG/cardiac technician, cardiac technology,

1 biomedical equipment, cardiopulmonary, medical laboratory,
2 medical technology, medical imaging, or radiography, or a
3 bachelor's degree in biomedical science or medical technology
4 may be substituted for 2,000 hours.

5 C. A diploma in nursing, perfusionist, EKG/cardiac
6 technology, or cardiac technician may be substituted. A
7 one-year program equals 1,050 hours. A two- or three-year
8 program equals 2,100 hours.

9 D. The completion of courses for credit or clock
10 hours for credit in cardiac care, cardiac conditions, or cardiac
11 equipment use and maintenance may be substituted. One hour of
12 instruction equals one hour of occupational experience. One
13 quarter credit equals 20 hours of occupational experience. One
14 semester credit equals 30 hours of occupational experience.

15 Subp. 5. **Occupational recency substitution.** Teaching
16 experience at an accredited postsecondary institution, or at an
17 industrial or military setting, or public safety agency may be
18 substituted for 1,500 of the 2,000 hours required in part
19 3709.0100, subpart 1, item A, if the teaching is done during the
20 five-year period. The teaching must be in cardiac technology.
21 Two hours of teaching equal one hour of occupational experience.

22 3709.0250 PHYSICAL THERAPIST ASSISTANT.

23 Subpart 1. **May teach.** A teacher who has a physical
24 therapist assistant instructor license may teach in the physical
25 therapist assistant program and may also teach courses in
26 anatomy and physiology, medical terminology, exercise
27 physiology, kinesiology, neuroanatomy and neurophysiology, and
28 physical disability/rehabilitation.

29 Subp. 2. **Other requirements.** The applicant must meet the
30 requirements in part 3709.0100.

31 Subp. 3. **Occupational and educational experience**
32 **requirement.** The applicant must have the following experiences:

33 A. a bachelor's or higher degree in physical therapy
34 from an American Physical Therapy Association accredited
35 institution;

1 B. physical therapist registration in the state of
2 Minnesota; and

3 C. 4,000 hours of verified occupational experience as
4 a registered physical therapist in at least two of the
5 following: acute care setting, outpatient physical therapy,
6 long-term care, or rehabilitation setting.

7 Subp. 4. **Occupational recency substitution.** Teaching
8 experience at an American Physical Therapy Association
9 accredited institution may be substituted for 1,500 of the 2,000
10 hours required in part 3709.0100, subpart 1, item A, if the
11 teaching is done during the five-year period. The teaching must
12 be in physical therapy or physical therapy assistant. Two hours
13 of teaching equal one hour of occupational experience.

14 3709.0260 PUBLIC SAFETY COMMUNICATION (911).

15 Subpart 1. **May teach.** A teacher who has a public safety
16 communication (911) license may teach in the public safety
17 communication (911) program and may also teach emergency
18 communications.

19 Subp. 2. **Other requirements.** The applicant must meet the
20 requirements in part 3709.0100.

21 Subp. 3. **Occupational experience requirement.** The
22 applicant must have 8,000 hours of verified occupational
23 experience as an operator dispatcher or supervisor in a public
24 safety communications center with a minimum of 6,000 of the
25 8,000 hours doing the job of an operator dispatcher. Operator
26 dispatcher includes level III operator dispatcher or
27 communication training operator (CTO). Supervisor includes lead
28 dispatcher, head dispatcher, communications manager, assistant
29 supervisor, or shift supervisor.

30 Subp. 4. **Substitution for occupational experience.** An
31 applicant may substitute the education described under item A,
32 B, C, or D for up to 4,000 hours of occupational experience
33 required under subpart 3. The education must be from an
34 accredited postsecondary institution.

35 A. A bachelor's or higher degree in law enforcement,

1 criminal justice, or corrections may be substituted for 4,000
2 hours.

3 B. An associate degree in law enforcement or public
4 safety communications, or a bachelor's degree or higher in
5 public administration may be substituted for 2,000 hours.

6 C. A diploma in law enforcement or public safety
7 communication may be substituted. A one-year program equals
8 1,050 hours. A two- or three-year program equals 2,100 hours.

9 D. The completion of courses for credit or clock
10 hours for credit in the use of public safety emergency
11 telecommunications equipment may be substituted. One hour of
12 instruction equals one hour of occupational experience. One
13 quarter credit equals 20 hours of occupational experience. One
14 semester credit equals 30 hours of occupational experience.

15 Subp. 5. Occupational recency substitution. Teaching
16 experience at an accredited postsecondary institution, or at an
17 industrial or military setting, or public safety agency may be
18 substituted for 1,500 of the 2,000 hours required in part
19 3709.0100, subpart 1, item A, if the teaching is done during the
20 five-year period. The teaching must be in public safety
21 communication. Two hours of teaching equal one hour of
22 occupational experience.

23 3709.0270 RADIOLOGIC TECHNOLOGY.

24 Subpart 1. **May teach.** A teacher who has a radiologic
25 technology license may teach in the radiologic technology
26 program.

27 Subp. 2. **Other requirements.** The applicant must meet the
28 requirements in part 3709.0100.

29 Subp. 3. **Occupational and educational experience**
30 **requirement.** The applicant must:

31 A. have a two-year certificate, associate degree or
32 above in radiologic technology;

33 B. be credentialed in radiography by the American
34 Registry of Radiologic Technologists; and

35 C. have 6,000 hours of verified occupational

1 experience as a certified radiographer in a medical setting.

2 Subp. 4. **Occupational recency substitution.** Teaching
3 experience at a postsecondary institution in an accredited
4 program of radiographic technology may be substituted for 1,500
5 of the 2,000 hours required in part 3709.0100, subpart 1, item
6 A, if the teaching is done during the five-year period. The
7 teaching must be in radiologic technology. Two hours of
8 teaching equal one hour of occupational experience.
