3 Adopted Permanent Rules Relating to Teacher Licenses:

4 Postsecondary Related Subjects; Computer Programming, Computer

5 Operations

6 Rules as Adopted

7 3515.6005 POSTSECONDARY RELATED SUBJECTS INSTRUCTOR.

8 Subpart 1. **Licensure requirement.** A person holding a  
9 position as a postsecondary related subjects instructor must be  
10 licensed under part 3515.5700 and this part when responsible for  
11 instructing students in foundational areas or occupational  
12 personal development areas in cooperation with instructional  
13 personnel in major occupational areas.

14 Subp. 2. **Licensure criteria for foundational areas**  
15 **(mathematics, science, communications).** An applicant:

16 A. must be a graduate of an accredited college with a  
17 four-year degree, including a major in the area of licensure to  
18 be taught, or the equivalent, as verified by a teacher education  
19 institution that grants such degrees;

20 B. shall have completed 4,000 hours of occupational  
21 experience in an area other than education; and

22 C. shall meet the requirements of the postsecondary  
23 vocational teacher education sequence in parts 3515.1400 to  
24 3515.2000.

25 Subp. 3. **Recency exemption.** When applying for this  
26 license, an applicant who qualifies under subpart 2 and who is  
27 currently licensed and practicing as a postsecondary technical  
28 college instructor in an occupational continuous program or  
29 continuous general studies area need not comply with the recency  
30 requirement listed in the special needs licensure chart in parts  
31 3515.9940 to 3515.9942 and the recency requirement in part  
32 3515.0100, subpart 25.

33 Subp. 4. **License criteria for occupational personal**  
34 **development (for example, job seeking, interviewing, personal**  
35 **dynamics).** Option one: An applicant:

1           A. shall be a graduate of an accredited college with  
2 a four-year degree, including a major in the area of licensure  
3 to be taught (for example, industrial relations, personnel  
4 management, employment counseling, business administration), or  
5 the equivalent, as verified by an institution that grants such  
6 degrees;

7           B. shall have completed 4,000 hours of occupational  
8 experience in an area other than education; and

9           C. shall meet the requirements of the postsecondary  
10 vocational teacher education sequence in parts 3515.1400 to  
11 3515.2000.

12           Option two: An applicant shall have completed 8,000 hours  
13 of occupational experience in an area related to occupational  
14 personal development other than education, and shall meet the  
15 requirements of the postsecondary vocational teacher education  
16 sequence in parts 3515.1400 to 3515.2000.

17 3700.0381 COMPUTER PROGRAMMING; COMPUTER OPERATIONS.

18           An applicant holding a postsecondary technical college  
19 continuous program license in computer programming or computer  
20 operations may apply for a license in microcomputer support and  
21 network administration under the following conditions:

22           A. the applicant has a certificate of completion in  
23 BME5390 Special Topics in Technical Updating: Advanced  
24 Microcomputing Technology, from the University of Minnesota,  
25 Business and Marketing Division; and

26           B. application is made to the licensing section of  
27 the State Board of Technical Colleges within two years after  
28 completing the course described in item A.

29

30           LICENSE TRANSFER. A person who at the time of the repeal  
31 of Minnesota Rules, part 3700.0320 is holding a license issued  
32 under part 3700.0320, may continue to use the license and the  
33 license is fully effective until the time for renewal of the  
34 license. At the time for renewal, the renewal must be issued  
35 according to part 3700.0315, Banking and Finance Operations.

1

2 REENACTMENT AND VALIDATION. Minnesota Rules, parts  
3 3515.5700, 3515.5900, 3515.6000, 3515.6100, 3515.6200, and  
4 3515.6700 are reenacted effective March 18, 1990, to be  
5 continuously in effect. Licenses issued since the effective  
6 date of the reenactment are fully effective from the date of  
7 their issuance.

8 REPEALER. Minnesota Rules, parts 3515.5050, 3515.6000, and  
9 3700.0320, are repealed. Minnesota Rules, part 3700.0381, is  
10 repealed June 30, 1993.
