6 Rules as Adopted

7 7105.0060 SUPERVISOR CERTIFICATION.

8 [For text of subps 1 to 5, see M.R.]

9 Subp. 6. Length of supervisor certification. Supervisor
10 certificates expire four years after the applicant successfully
11 completes the final training course examination.

12 Subp. 7. Reciprocity. The commissioner shall approve a
13 tank installer certification course sponsored by a state or
14 organization other than an approved training provider if the
15 commissioner determines that the course is comparable to the
16 program outlined in parts 7105.0080 and 7105.0090. Persons
17 seeking reciprocity under this subpart shall be required by the
18 commissioner to pass an examination to verify their familiarity
19 with Minnesota's laws pertaining to underground storage tank
20 systems if the commissioner finds that their courses did not
21 adequately address Minnesota's statutes and rules. This
22 examination may be taken any time after the completion of the
23 approved training course and before applying for certification.
24 However, the certificate expires four years after the final day
25 of the approved training course.

26 7105.0090 EXAMINATIONS AND DIPLOMAS.

27 [For text of subps 1 to 4, see M.R.]

28 Subp. 5. Diplomas. The training provider shall issue a
29 numbered diploma to each student who completes the training
30 course and successfully passes the examination. The following
31 information must be included on the diploma:

32 [For text of items A to D, see M.R.]

33 E. an expiration date for accreditation that is four
34 years after the date on which the student passed the
35 examination; and

11/06/91

[REVISOR] CMR/JC AR1936

1 [For text of item F, see M.R.]

2 If the person administering the examination is not the same
3 person administering the course, both persons shall sign the
4 diploma.
