6 Rules as Adopted

7 8165.0100 REVENUE RECAPTURE; IDENTIFYING INFORMATION.

8 In addition to the name and social security number of the
9 debtor as required by Minnesota Statutes, section 270A.04,
10 subdivision 3, the commissioner of revenue may require an agency
11 making a revenue recapture claim to furnish any of the following
12 information in order for the commissioner to correctly identify
13 the debtor:

14 A. the address of the debtor;

15 B. a former address of the debtor;

16 C. the name and social security number of the
17 debtor's spouse;

18 D. the name and social security number of the
19 debtor's ex-spouse;

20 E. the name and address of the debtor's employer or a
21 former employer; and

22 F. the names of dependents of the debtor.
