5 Rules as Adopted

6 5226.0100 PERMITS AND FEES FOR INSTALLATIONS AND ALTERATIONS.

7 A person, firm, or corporation that seeks to install or
8 alter an elevator shall first obtain a permit from the
9 department, or with a municipality that is authorized by law to
10 issue a permit, before beginning installation or alteration. An
11 application for a permit must be submitted on forms from the
12 department or an authorized municipality. Plans and
13 specifications describing the permitted work must be submitted
14 with the application for a permit. A permit will be issued to
15 the applicant when the plans and specifications have been
16 approved and the appropriate permit fee has been paid. The
17 permit issued by the department or an authorized municipality is
18 only valid for work commenced within 12 months of issuance and
19 completed within two years of issuance.

20 The department's fees for a permit to install or alter an
21 elevator are:

22 A. A permit fee to install or alter an elevator is
23 \$100, and \$500 if work that requires a permit is begun without a
24 permit.

25 B. Inspection fees for installation and alteration of
26 permitted elevator work are 1-1/2 percent of the total cost of
27 the permitted work for labor and materials including related
28 electrical and mechanical equipment. The total inspection fee
29 shall not exceed \$1,000 per permit. The cost of special
30 decorative fixtures in the permitted work may be deducted from
31 the cost of the permitted elevator work up to a maximum of five
32 percent of the total cost of the permitted work upon approval of
33 the commissioner.

34 C. An elevator that passes department inspection will
35 be issued an operating permit by the department.

1 D. Vertical reciprocating conveyors, (American
2 Society of Mechanical Engineers/American National Standards
3 Institute Standard B20.1) are subject to filing and inspection
4 fees for new and altered installations, but are exempt from
5 routine inspection by an elevator inspector.

6 5226.0200 FEES.

7 Subpart 1. Inspection fees. The fees for routine or
8 periodic inspection of existing elevators are:

9 A. two stop elevators, \$50;

10 B. three stop elevators, \$75;

11 C. four stop elevators, \$100;

12 D. five stop elevators, \$125;

13 E. six or more stop elevators, \$150; and

14 F. escalators and moving walks, \$100.

15 Subp. 2. Exceptions. Vertical reciprocating conveyors,
16 endless belt lifts, dock hoists, stage lifts, special purpose
17 personal hoists, and mechanized garage parking devices are not
18 subject to routine or periodic inspection by the department
19 unless an accident occurs or a complaint is filed.

20 Subp. 3. Elevator inspector application and renewal fees.

21 The fee for elevator inspector application is \$50. An annual
22 inspector certificate may be renewed for a fee of \$25. If a
23 certificate is not renewed within 30 days of the expiration
24 date, the fee for renewal is \$50.

25 5226.0300 CONTRACTOR LICENSE FEE.

26 The fee for initial application and initial license of an
27 elevator contractor is \$500. The fee to renew a license is
28 \$125. A revoked license may be renewed by payment of the
29 initial application fee. The same fees are required for
30 elevator contractors operating under a temporary license. The
31 contractor is responsible for carrying all appropriate
32 insurance, meeting all bonding requirements, and meeting all
33 federal, state, and local law and code requirements.
