6 1509.0030 ASSESSMENT SCHEDULE AND PAYMENT.

7 Subpart 1. Assessment schedule. A pesticide end-user
8 voluntarily participating in a collection authorized under
9 Minnesota Statutes, section 18B.065, may be assessed a portion
10 of the disposal costs based on net weight in pounds of the
11 pesticide formulation and container collected, up to a maximum
12 of 2,200 pounds. A net weight includes the weight of the
13 pesticide formulation and its container. The assessment of
14 individual pesticide end-users must be based on costs described
15 in the current hazardous pesticide waste packing, transportation
16 and disposal service contract and invoiced at the rates
17 determined under items A to C.

18 A. Agencies of government or their representatives
19 must be assessed costs equal to 125 percent of the disposal
20 price, but not less than \$4 per net pound to participate in a
21 waste pesticide collection.

22 B. Assessments for other participants must be based
23 on amounts for disposal at the following rate:

24 (1) no cost for disposal of 300 net pounds or
25 less;

26 (2) costs equal to 25 percent of the disposal
27 price, but not less than \$1 per net pound for quantities greater
28 than 300 pounds, up to 1,000 pounds; or

29 (3) costs equal to 50 percent of the disposal
30 price, but not less than \$3 per net pound for quantities greater
31 than 1,000 pounds, up to a maximum of 2,200 pounds.
