5 Rules as Adopted

6 6500.2000 INDIVIDUAL ANNUAL LICENSE RENEWAL.

7 Subpart 1. Fee. On or before January 1 of each year, the
8 board shall receive a license renewal fee of \$105 from every
9 licensed optometrist who desires to continue to be entitled to
10 practice in this state.

11 [For text of subps 2 and 3, see M.R.]

12 Subp. 4. Default; revocation of license. When an
13 optometrist defaults in payment of the annual renewal fee under
14 subpart 1, the board may invoke the procedures of part 6500.2800
15 for the revocation of the license; provided that the payment of
16 the fee at or before the completion of the procedures of part
17 6500.2800, with such additional sum not exceeding \$35 as may be
18 fixed by the board, shall excuse the default. In the event any
19 default remains unexcused at the completion of the procedures of
20 part 6500.2800 and a license is revoked for nonpayment of
21 renewal fees, the board may, in its discretion, refuse to issue
22 a new license to any person whose license has been so revoked
23 until such time as that person repasses or, if previously
24 licensed by reciprocity, passes the examinations and complies
25 with all other requirements for initial licensure by examination
26 in this state.
