ADMINISTRATIVE
HEARINGS

1 Minnesota Department of Natural Resources

2 Adopted Permanent Rules Relating to Dam Inspections

3 6115.0360 INSPECTIONS.

4 [For text of subps 1 and 2, see M.R.]

5 Subp. 3. **Timing.** Subject to the availability of staff and funds:

6 A. The commissioner shall make initial inspections of all Class I, II, and III dams as
7 soon as reasonably possible based on the degree of hazard involved.

8 B. After the initial detailed inspections, the commissioner shall make periodic
9 inspections of dams based on the following schedule: Class I dams, at least one time
10 every year; Class II dams, at least one time every four years; and Class III dams, at least
11 one time every eight years. The commissioner shall utilize the services of governmental
12 agencies to the maximum extent feasible to provide for periodic inspections.

13 [For text of subp 4, see M.R.]
