2.22 percent of the firewood was produced in Minnesota.

2.23 [For text of subps 2 to 4, see M.R.]

2.24 **1556.0160 LICENSING; AUTHORIZATION.**

3.1 Subpart 1. **Approval required.** Authorization to use labeling statements covered by  
3.2 this chapter is dependent upon approval by the commissioner of an application for their  
3.3 use, with the exception of retailers and wholesalers, who may use the labeling statements  
3.4 without a license in order to display and advertise products that qualify for use of the  
3.5 labeling statements.

3.6 Subp. 2. **Application to use labeling statements.** An application to use labeling  
3.7 statements covered by this chapter must be made in writing, on a form provided by the  
3.8 department, and must reveal information considered necessary for the enforcement of  
3.9 the Minnesota grown marketing program.

3.10 The application form must be accompanied by a fee established in Minnesota  
3.11 Statutes, section 17.102. If an applicant is ineligible, the fee must be refunded. Producers  
3.12 and processors applying for a license to use the "Minnesota grown organic" labeling  
3.13 statement must also provide written evidence of current organic certification.

3.14 [For text of subp 3, see M.R.]

3.15 **1556.0165 "MINNESOTA GROWN ORGANIC" LABELING STATEMENT.**

3.16 Subpart 1. **Eligible products.** The products listed in items A and B are eligible to be  
3.17 identified with the "Minnesota grown organic" labeling statement.

3.18 A. A raw agricultural product may be identified with the labeling statement if  
3.19 the product has been certified organic by a certification agency accredited by the United  
3.20 States Department of Agriculture and if no less than 80 percent of the agricultural product  
3.21 was produced in Minnesota, except wild rice and firewood may only be identified with the  
3.22 labeling statement if 100 percent of the product was produced in Minnesota.

3.23 B. A processed agricultural product may be identified with the labeling  
3.24 statement if the product has been certified organic by a certification agency accredited by

3.25 the United States Department of Agriculture and if no less than 80 percent of the featured  
3.26 product component was produced in Minnesota, except a product containing wild rice may  
4.1 only be identified with the labeling statement if 100 percent of the wild rice was produced  
4.2 in Minnesota and products intended for use as firewood may only be identified with the  
4.3 labeling statement if 100 percent of the firewood was produced in Minnesota.

4.4 Subp. 2. **Use of "Minnesota grown organic" labeling statement.** A producer  
4.5 licensed under part 1556.0160 may use the "Minnesota grown organic" labeling statement  
4.6 on an eligible agricultural product. A processor licensed under part 1556.0160 may use  
4.7 the "Minnesota grown organic" labeling statement on an eligible agricultural product if it  
4.8 was processed or manufactured in a plant located partially or completely in Minnesota.

4.9 Subp. 3. **Use by retailers and wholesalers.** A retailer or wholesaler may use the  
4.10 "Minnesota grown organic" labeling statement without a license in order to display and  
4.11 advertise products that qualify for the use of that statement.

4.12 Subp. 4. **Appearance of labeling statement.** The labeling statement may be added  
4.13 to an eligible product or display in any color or color combination.
