7810.0100 DEFINITIONS.

[For text of subps 1 to 11, see M.R.]

Subp. 11a. **Complete directory.** "Complete directory" means a directory that includes the information compiled under part 7810.2900, subpart 1, whether printed, electronically published, or some combination thereof. For example, a complete directory may eomprise be comprised of a printed subset of exchanges in a local calling area relevant to customers in a particular geographic area or community of interest and publication of the remainder of the local calling area either electronically or in separate printed volumes.

[For text of subps 12 to 26, see M.R.]

Subp. 26a. **Local service provider or LSP.** "Local service provider" or "LSP" means a telephone company or telecommunications carrier providing local service in Minnesota pursuant to a certificate of authority granted by the commission. Local service provider includes both local exchange carriers and competitive local exchange carriers.

[For text of subps 27 to 40, see M.R.]

7810.2900 FORMAT, CONTENT, AND DISTRIBUTION OF DIRECTORIES.

Subpart 1. **Basic requirements.** Telephone directories shall be regularly compiled, and shall contain each customer's name, telephone number, and, if practical, address, except public telephones and numbers unlisted at the customer's request. Upon issuance, a local service provider shall provide to all customers served by that directory a complete directory consistent with the customer option provisions of part 7810.2950. Upon commission request, a local service provider shall furnish to the commission a copy of each directory issued, whether printed or electronic.

- A. display on the front cover the name of the local service provider, the area included in the directory, and the year and month of issue;
- B. display in the front portion of the directory information pertaining to emergency calls, including information for police and fire departments; and
- C. contain instructions, appropriate to the area served by the directory, concerning placing local and long distance calls, calls to repair and directory assistance services, calls to local, state, and federal government offices, and the location of local service provider business offices.
- Subp. 3. **Electronically published directories.** Any electronic directory A local service provider directs shall only direct its customers to shall comply an electronically published directory that complies with subpart 1 and part 7810.2950. Electronically published directories shall:
 - A. display the name of the local service provider;
- B. display information pertaining to emergency calls, including information for police and fire departments;
- C. display instructions concerning placing local and long distance calls, calls to repair and directory assistance services, calls to local, state, and federal government offices, and the location of local service provider business offices; and
 - D. be prominently displayed on and accessible from the company's Web site.

7810.2950 DIRECTORIES; CUSTOMER OPTION.

A local service provider may publish printed or electronic directories, or some combination thereof. A local service provider that does not make an electronic directory available shall distribute a printed directory to each customer, except where an offer is made and explicitly refused by the customer. A local service provider that publishes an

electronic directory shall provide, at least as often as print directories are issued, notice to customers of the availability of an electronic directory, instructions explaining how the electronic directory may be accessed, notice that a printed directory is available on request, and instructions explaining how to make a request for a printed directory. A local service provider that publishes an electronic directory must deliver a printed directory if requested by the customer. A local service provider shall not:

A. require customers to divulge any personally identifiable information, except name and delivery address, in order to request a complete directory that is printed or contained on a portable physical electronic medium;

- B. require users to create an account or log in, or otherwise provide any personally identifiable information in order to access an electronic directory;
- C. obtain, use, or retain any personally identifiable information from customer use of or request for a directory, except for the limited purpose of providing a directory in the requested format; or
- D. market services, including through its affiliate or publisher, other than directories to requesting customers.

7811.0600 BASIC LOCAL SERVICE REQUIREMENTS.

Subpart 1. **Required services.** A local service provider (LSP) shall provide, as part of its local service offering, the following to all customers within its service area:

[For text of items A to E, see M.R.]

F. one complete directory per year for each local calling area, which may include more than one local calling area, consistent with the customer option provisions of part 7810.2950 and, upon a customer's request and in the customer's preferred format among the formats offered by the local service provider, one copy of any other directory within the local calling area;
