

STATE OF MINNESOTA
OFFICE OF ADMINISTRATIVE HEARINGS
FOR THE BOARD OF HIGH PRESSURE PIPING SYSTEMS
DEPARTMENT OF LABOR AND INDUSTRY

In the Matter of the Proposed Rules
Relating to High Pressure Piping,
Minnesota Rules, Chapter 5230

**REPORT OF THE CHIEF
ADMINISTRATIVE LAW JUDGE**

The above-entitled matter came on for review by the Chief Administrative Law Judge pursuant to the provisions of Minnesota Rules, part 1400.2240, subpart 4. Based upon a review of the record in this proceeding, the Chief Administrative Law Judge hereby approves the Report of the Administrative Law Judge, dated April 3, 2009, in all respects.

In order to correct the defect enumerated by the Administrative Law Judge in the attached Report, the agency shall either take the action recommended by the Administrative Law Judge, make different changes to the rule to address the defect noted, or submit the rule to the Legislative Coordinating Commission and the House of Representatives and Senate policy committees with primary jurisdiction over state governmental operations, for review under Minnesota Statutes, section 14.15, subdivision 4.

If the agency chooses to take the action recommended by the Administrative Law Judge, or if the agency chooses to make other changes to correct the defect, it shall submit to the Chief Administrative Law Judge a copy of the rules as originally published in the *State Register*, the agency's order adopting the rules, and the rule showing the agency's changes. The Chief Administrative Law Judge will then make a determination as to whether the defect has been corrected and whether the modifications to the rules make them substantially different than originally proposed.

Dated this 10th day of April, 2009.

RAYMOND R. KRAUSE
Chief Administrative Law Judge
