**Re: *In the Matter of the Office of Emergency Medical Services
Adoption of Expedited Rules Pertaining To BLS Ambulance
Medication Variances*
OAH 5-9063-40969; Revisor ID R-4914**

Dear Dylan J. Ferguson:

Enclosed herewith and served upon you please find the **ORDER ON REVIEW OF RULES UNDER MINN. STAT. § 14.389 AND MINN. R. 1400.2410**. With the approval of these expedited rules, the Office of Administrative Hearings has closed this file and is returning the rule record to the Office of Emergency Medical Services (Office) so that the Office can maintain the official rulemaking record in this matter as required by Minn. Stat. § 14.365.

Please ensure that the Office's signed order adopting the rules is filed with our office. The Office of Administrative Hearings will request the finalized rules from the Revisor's office following receipt of that order. The Office of Administrative Hearings will then file the adopted rules with the Secretary of State, who will forward one copy to the Revisor of Statutes and one copy to the MN Office of Emergency Medical Services. **Pursuant to Minn. Stat. § 14.389, subd. 3 and Minn. R. 1400.2410, subp. 5, the Department is responsible for filing a copy of the expedited rules with the Governor.**

The Office's next step is to arrange for publication of the Notice of Adoption in the State Register. The Office should request copies of the Notice of Adoption from the Revisor's Office. One copy should be placed in the official rulemaking record. Two copies of the Notice of Adoption should be sent to the State Register for publication. Please note that if the final expedited rule is different from the rule originally published, an agency must publish a copy of the changes in the State Register. An expedited rule becomes effective upon publication of the Notice of Adoption in the State Register in accordance with Minn. Stat. § 14.389, subd. 3.
