**Re: In the Matter of the Proposed Amendment to Rules Relating to
Electrical Procedures and Repeal of Rules Relating to Training,
Minnesota Rules, Chapter 3801; Revisor's ID Number R-04950
CAH 28-9001-41254; Revisor R-4950**

Dear Parties:

Enclosed herewith and served upon you is the **ORDER ON REVIEW OF RULES UNDER MINN. STAT. § 14.26** in the above-entitled matter. The Administrative Law Judge has determined there are no negative findings in these rules.

The Court of Administrative Hearings has closed this file and is returning the rule record so that the Minnesota Department of Labor and Industry (Department) can maintain the official rulemaking record in this matter as required by Minn. Stat. § 14.365. Please ensure that the Department's signed order adopting the rules is filed with our Court. The Court of Administrative Hearings will request the finalized rules from the Revisor's office following receipt of that order. Our Court will then file the adopted rules with the Secretary of State, who will forward one copy to the Revisor of Statutes, one copy to the Governor, and one to the Department for its rulemaking record. The Department will then receive from the Revisor's office three copies of the Notice of Adoption of the rules.

The Department's next step is to arrange for publication of the Notice of Adoption in the State Register. Two copies of the Notice of Adoption provided by the Revisor's office should be submitted to the State Register for publication. A permanent rule without a hearing does not become effective until five working days after a Notice of Adoption is published in the State Register in accordance with Minn. Stat. § 14.27.
