

1 Rules as Proposed

2 3 MCAR S 1.0389 Definitions.

3 A.-F. [Unchanged.]

4 G. ~~Dirty~~---"~~Dirty~~ Dirty". "Dirty" means eggs an egg
5 that has an unbroken shell with adhering dirt or foreign
6 material ~~or~~, prominent stains, or moderate stains covering more
7 than ~~one-fourth~~ 1/32 of the shell surface if localized, or 1/16
8 of the shell surface if scattered.

9 H.-M. [Unchanged.]

10 3 MCAR S 1.0400 Labeling.

11 Any dealer exposing or offering eggs for sale to a consumer
12 must give notice of the grade of eggs in the manner set out in
13 this rule.

14 If eggs are exposed or offered for sale in cartons, bags,
15 or other containers, the cartons, bags, or containers must be
16 plainly and conspicuously printed in letters not smaller than
17 one-quarter inch in height, or plainly and conspicuously stamped
18 or marked in letters not smaller than one-half inch in height
19 with the exact grade and size. If eggs are offered or exposed
20 for sale in bulk, there must be a placard among or adjacent to
21 the eggs which states the grade and size of the eggs and is in
22 letters not smaller than one-half inch in height. Grade
23 designations may not be abbreviated. All containers must also
24 include the name and address of the producer, processor, or
25 distributor. In the case of the processor or distributor, the
26 words "packed for" or "distributed by" or some equivalent
27 phrasing ~~should~~ must be used.
