Licensees must maintain proof of completion of the CE credits as required in subpart 5.~~

~~B.~~ A. A cosmetologist, nail technician, esthetician, advanced practice esthetician, or salon manager renewing a license on or after August 1, 2017, must complete a total of eight hours of CE credits from board-approved providers within the three years prior to the date of the license renewal. Licensees must maintain proof of completion of the CE credits as required in subpart 5. The eight hours must consist of:

(1) four hours of core CEs, consisting of one hour pertaining to state cosmetology laws and rules, and three hours related to health, safety, and infection control matters; and

(2) four hours of professional practice CEs, consisting of one or more of the following topics within the licensee's scope of practice:

- (a) product chemistry and chemical interaction;
- (b) proper use of machines and instruments;
- (c) business management, professional ethics, and human relations; or
- (d) techniques relevant to the type of license held by the practitioner.

~~E. B.~~ The CE credits are valid for only one license renewal period, but may be applied to multiple licenses held by the same practitioner if the CEs were completed within three years prior to the license renewal date.

Subp. 2a. **CE and other renewal requirements for instructors.**

A. An instructor must complete 45 hours of board-approved CEs within three years before the license renewal, including at least 30 hours in teaching methodology and 15 hours on clinical practice in the field of licensure. Licensees must retain proof of the CE credits as required in subpart 5. ~~Prior to August 1, 2017, to renew a license, an instructor must complete any combination of board-approved teaching methodology and clinical practice CEs totaling 45 CE hours.~~

2105.0205 RETIRED LICENSE.

A licensee with a ~~current~~ an active or expired Minnesota practitioner license who has ceased all practice of cosmetology may apply for a retired license that does not allow any practice of cosmetology as defined in Minnesota Statutes, section 155A.23, subdivision 3. The board must void any ~~current~~ active license when a retired license is issued for the remainder of the license cycle. If the practitioner's license is expired, the applicant must pay the renewal and late fees required by Minnesota Statutes, section 155A.25.

[For text of item A, see M.R.]

B. A person with a retired license who wishes to obtain a ~~current~~ an active practitioner license must apply to renew the original expired practitioner license under the terms of this chapter as if no retired license was issued. If the retired license is ~~current and~~ has not expired, no new renewal fee is required.

[For text of item C, see M.R.]

2105.0215 PROCEDURE FOR RENEWING AN EXPIRED LICENSE.

[For text of subps 1 and 2, see M.R.]

Subp. 3. **Instructor licenses expired three years or more.** If an instructor's license has been expired three years or more, the board shall issue a license with a new license cycle when the expired licensee submits a renewal application and meets these requirements:

- A. holds ~~a current~~ an active operator's or salon manager's license;

[For text of items B and C, see M.R.]

Subp. 4. **School manager licenses expired three years or more.** If a school manager's license has been expired three years or more, a license with a new license cycle shall be issued by the board when the expired licensee submits a renewal application and:

- A. holds ~~a current~~ an active cosmetology salon manager's license;

[For text of items B and C, see M.R.]

2105.0305 DESIGNATED LICENSED SALON MANAGER.

[For text of items A to F, see M.R.]

G. A DLSM must hold the same licensure level as the salon license, except that a cosmetologist salon manager may serve as a DLSM for a nail or an esthetician salon. An advanced practice (AP) esthetician salon manager may serve as a DLSM for an esthetician or an AP esthetician salon.

2105.0310 SALON LICENSURE APPLICATION.

Subpart 1. **All salon licenses.** The requirements of this part and parts 2105.0310, 2105.0360, and 2105.0370, ~~and 2105.0410~~ must be met by all applicants proposing to establish a salon. A salon license is required for each physical location. A licensed salon business may not share any physical space with another licensed salon business except for restrooms, and may not be located inside the perimeter of another licensed salon.

Subp. 1a. **Types of salon licenses.** The services a salon may offer are determined by the type of salon license held. Cosmetology salons may offer cosmetology services, esthetic services, and nail services. Nail salons must offer only nail services. Esthetician salons must offer only esthetician services. Advanced practice esthetician salons may offer esthetic and advanced esthetic services. A single salon may hold ~~both a nail salon license and an esthetician~~ more than one type of salon license.

Subp. 2. **Application.** An applicant for a ~~cosmetology, esthetician, or nail salon~~ license must apply on forms supplied by the board, giving the following information:

[For text of items A to G, see M.R.]

H. current Certificate of Workers' Compensation Insurance, unless the salon is not required to provide insurance coverage under the Minnesota Workers' Compensation Act, Minnesota Statutes, chapter 176;

[For text of items I and J, see M.R.]

K. the name, license number, and notarized signature of the DLSM accepting the responsibilities of the DLSM. The DLSM must meet the requirements of part 2105.0305.
2105.0322 MAINTAINING SALON LICENSE.

[For text of subps 1 to 4, see M.R.]

Subp. 5. **Salon premises.** ~~Cosmetology, esthetician, and nail~~ Regulated cosmetic services must not be provided in a place other than a licensed ~~cosmetology salon, esthetician salon, nail salon, cosmetology~~ or school, or as otherwise provided by this chapter.

[For text of subps 6 to 9, see M.R.]

Subp. 10. **Change of DLSM.** The salon owner must inform the board in writing within ten business days of the departure or resignation of the DLSM. The salon has 60 days from

the date of the change to register with the board a new DLSM ~~with the board~~ meeting the requirements of part 2105.0305.

2105.0370 SALON OPERATIONAL REQUIREMENTS.

A salon must continuously meet the following minimum operational requirements.

[For text of items A and B, see M.R.]

C. The ~~current~~ active salon license showing the current DLSM must be conspicuously posted facing the public side of the reception area providing the public a full, unobstructed view of the license.

[For text of items D to F, see M.R.]

2105.0375 INFECTION CONTROL REQUIREMENTS.

[For text of subps 1 to 3, see M.R.]

Subp. 4. Disinfecting.

[For text of items A to C, see M.R.]

D. Disinfectant solutions must be legibly labeled with the disinfectant name and any dilution requirements. Disinfectant solutions must be ~~made daily and~~ disposed of ~~at the end of the day or~~ immediately if visible debris is present. If concentrated disinfectants must be diluted with water, measuring devices must be readily available and used to ensure an effective solution is made. Unless otherwise directed by the disinfectant label, disinfectant solutions must be made daily and disposed of at the end of the day.

[For text of items E to G, see M.R.]

Subp. 4a. Sterilizing.

A. Any tool or implement that is designed to puncture or invade the skin must be cleaned and then sterilized using an autoclave, heat sterilizer, or a chemiclave before the tool or implement can be reused.

B. Autoclaves and other sterilizing devices must be registered and listed with the United States Food and Drug Administration and used only as instructed by the manufacturer.

C. Autoclaves and other sterilizers must be spore tested through an independent lab every 30 days to ensure functionality. Spore-testing results and maintenance records must be kept on site at the salon for 36 months. Autoclaves and autoclave packaging of tools are prohibited unless regular spore tests are performed by a contracted laboratory at least once per month but not more than 30 days between tests. If a positive spore test is received, the autoclave must not be used until a negative spore result is received. The salon must maintain a log of each use, all testing samples and results, and a maintenance log of all maintenance performed according to the manufacturer's directions. The salon must retain the most recent 36 months of the log at the salon for review by the board.

D. Sterilized items must be stored in the package in which they were sterilized. Each package must show the batch number and sterilization date corresponding to the log kept of each sterilization process required in item C.

Subp. 5. **Blood and body fluid exposure.** Licensees must stop a service whenever an unexpected cut, abrasion, or other injury occurs during a service resulting in exposure to blood or other body fluids, or when blood or other body fluids appear as a result of a service, and follow the steps in items A to G.

[For text of items A to F, see M.R.]

G. Contaminated tools, implements, and equipment must be cleaned and then disinfected or sterilized according to subparts 3 ~~and~~ 4, and 4a.

Subp. 6. **Storage of items.**

[For text of item A, see M.R.]

B. Plastic or paper bags or sealed wrapping must not be used to store disinfected items unless the item has been sterilized by an autoclave used under the requirements of part 2105.0377, item ~~E~~ F.

[For text of items C and D, see M.R.]

Subp. 7. **Safety and infection-control practices.**

A. Only cleaned, disinfected or sterilized, and properly stored tools and implements must be used on a client.

B. A supply of disinfected or sterilized tools, ~~disinfected and~~ implements, single-use supplies, and disinfectant must be present and available for use by practitioners. The supply must be sufficient, based on the practitioner and salon service volume, to ensure each client is serviced with tools and implements that are either properly cleaned and disinfected tools and implements or sterilized each day.

C. All fluids, semifluids, creams, waxes, and powders must be kept in clean, covered containers with a solid cover and must be dispensed in a manner ~~which~~ that prevents contamination of the unused supply.

[For text of subitems (1) to (3), see M.R.]

[For text of items D and E, see M.R.]

F. Licensees must comply with all manufacturer's directions for product and equipment use.

(1) When ~~product~~ the manufacturer's use directions require a patch test, the licensee must ~~(1)~~:

(a) offer a patch test; ~~(2)~~

(b) provide information to the client regarding the risk of potential adverse reactions to the product.

(2) Licenseses must comply with the manufacturer's directions for machine and equipment use and maintenance.

[For text of items G to L, see M.R.]

M. Tools or implements dropped on the floor or otherwise contaminated during a service must be removed from the work station, cleaned and disinfected or sterilized, or placed in a covered container labeled "used" until cleaned and disinfected or sterilized.

[For text of item N, see M.R.]

O. Licensees must wear gloves:

- (1) while providing skin care and waxing services;
- (2) when exposure to bloodborne pathogens is possible; and
- (3) when using a device or implement that penetrates the skin.

[For text of subps 8 to 10, see M.R.]

Subp. 11. **Electrical and electronic tools.** Electric clippers, nail drills, flat irons, blow dryers, glass or metal electrodes, high frequency wands, esthetic machines, steamers, diffusers, or other electric or electronic tools must be cleaned and disinfected after each use, including the body, handle, and attached cord.

[For text of item A, see M.R.]

B. Metal guards, clipper blades, drill bits, and other ~~removable~~ parts designed to be removed must be removed. All product residue, hair, skin debris, nail dust, and other visible debris must be ~~brushed or wiped off~~ removed using a disinfected brush or clean towel, and the removable part must be disinfected with an EPA-registered, hospital-level disinfectant spray or wipe after each use. The surfaces must remain wet with the spray or wipe disinfectant for the contact time listed on the disinfectant label and the manufacturer's directions must be followed.

[For text of items C to E, see M.R.]

F. Skin care machines and equipment must be cleaned and then disinfected or sterilized according to the manufacturer's directions.

[For text of subps 12 to 15, see M.R.]

2105.0377 SALON PROHIBITIONS.

[For text of items A and B, see M.R.]

C. Cosmetologists and estheticians must not use any tool or equipment designed to penetrate beyond the stratum corneum of the epidermis. Nail technicians must not use any tool or equipment to penetrate the skin.

~~E.~~ D. Roll-on wax is prohibited. Single-use roll-on wax cartridges are acceptable but must be disposed of immediately after service. Roll-on wax cartridges warming in a wax heater must have an intact seal. The heating unit is subject to the requirements of part 2105.0375 and must be cleaned and disinfected after each use.

~~D.~~ E. UV sterilizers or light boxes are not an acceptable infection control device and must not be present in a salon. This does not apply to UV dryers or ultraviolet lamps used to dry or cure nail products.

~~E.~~ F. ~~Autoclaves and Autoclave packaging of tools are~~ is prohibited unless ~~regular~~ regular spore tests are performed by a contracted laboratory at least once per month but not more than 30 days between tests. ~~If a positive spore test is received, the autoclave must not be used until a negative spore result is received. The salon must maintain a log of each use, all testing samples and results, and a maintenance log of all maintenance performed according to the manufacturer's directions. The salon must retain the most recent 12 months of the log at the salon for review by the board.~~ an autoclave is used and the salon is in compliance with part 2105.0375, subpart 4a.

~~F. G.~~ Electric or battery-operated files or drills not specifically manufactured for use on humans are prohibited.

~~G. H.~~ Practitioners must not use tools or implements provided by customers unless the practitioner first cleans and then disinfects or sterilizes the tool or implement. Customer-supplied prohibited tools must not be used and must be immediately removed from the salon premises. Customer-supplied single-use items must be new.

~~H. I.~~ Salons must not store a customer's tools or implements.

~~I. Nail salons must not offer esthetician services without an esthetician salon license, and esthetician salons must not offer nail services without a nail salon license. Nail and esthetician salons must not offer services which require a cosmetology salon license.~~

J. Only single-use lancets may be used.

2105.0390 SALON SUPERVISION.

A. The owner and the designated licensed salon manager (DLSM) registered with the board are responsible for the salon at all times, even when not present at the salon. The owner and the DLSM must ensure that:

(1) all practitioners, including nonemployees, who perform licensed services in the salon are in compliance with ~~all provisions of~~ this chapter and Minnesota Statutes, chapter 155A; and

[For text of subitem (2), see M.R.]

B. The salon must designate and register only one person as the DLSM, consistent with part 2105.0305, for each salon license held by the salon. This does not preclude a salon from having a business manager or other managers who are not licensed as operators or managers. Salons holding both a nail salon and an esthetician salon license may have a designated licensed salon manager for each license, or a cosmetologist salon manager may serve as the designated licensed salon manager for both licenses. An advanced practice

esthetician salon manager may serve as a DLASM for an esthetician salon or an advanced practice esthetician salon.

[For text of items C and D, see M.R.]

2105.0410 LICENSED SERVICES NOT OFFERED IN A LICENSED SALON.

[For text of subp 1, see M.R.]

Subp. 2. Special events permits.

A. Licensees with ~~a current~~ an active manager's license may apply online for a special events permit. Applicants must carry professional liability coverage of at least \$25,000 for each claim and \$50,000 total coverage for each policy year, and must pay the fees required by Minnesota Statutes, section 155A.33.

B. The permit holder may only provide the following services:

[For text of subitems (1) and (2), see M.R.]

(3) ~~cosmetologists and~~ estheticians, and advanced practice estheticians may remove and apply makeup.

C. Permits have the ~~following~~ restrictions: in subitems (1) to (6).

(1) Permits expire on December 31 of the year in which the permit is issued, but are valid only with ~~a current~~ an active manager's license held by the permit holder.

[For text of subitems (2) to (6), see M.R.]

[For text of item D, see M.R.]

E. A special event permit holder must not use the permit to provide regulated services in a mobile vehicle or mobile structure that is owned or operated by the permit holder or a board licensee unless the mobile vehicle or mobile structure is licensed as a

mobile salon under this part. A licensed mobile salon does not require a special event permit for services offered in the mobile salon.

Subp. 3. **Homebound permit.** A homebound service permit authorizes a licensee to provide services in a licensed nursing home to residents or in the residence of an individual who is homebound.

A. To obtain a homebound service permit, an applicant must apply and:

(1) hold ~~a current~~ an active Minnesota cosmetologist, nail technician, esthetician, advanced practice esthetician, or salon manager license;

[For text of subitems (2) to (4), see M.R.]

[For text of item B, see M.R.]

C. A homebound service permit is not valid unless the permit holder's practitioner license is ~~current~~ active. If the practitioner's license has expired, a permit must not be used until the practitioner has renewed the practitioner license.

[For text of items D to F, see M.R.]

2105.0830 COMPLIANCE WITH OTHER REGULATIONS.

Compliance with this chapter does not ensure compliance with other requirements set forth by federal, state, and local laws, codes, ordinances, and regulations as they apply to business operation, physical construction and maintenance, safety, and public health.

2110.0010 DEFINITIONS.

[For text of subps 1 and 2, see M.R.]

Subp. 2a. **Active license.** "Active license" means a current license that has not expired and is not retired.

Subp. 3. [Repealed, 41 SR 305]

Subp. 3a. **Advanced exfoliation.** "Advanced exfoliation" means a cosmetic procedure removing skin cells throughout the epidermis through manual, mechanical, or chemical means.

[For text of subps 4 to 15, see M.R.]

Subp. 15a. **Electrical energy treatments.** "Electrical energy treatments" means advanced practice esthetic services for the personal care of the skin that use various forms of light or electrical energy.

[For text of subps 16 to 19, see M.R.]

Subp. 20. **Unregulated service.** "Unregulated service" means those services not defined as the practice of cosmetology under Minnesota Statutes, section 155A.23, subdivision 3, and ~~which~~ that are exempt from regulation by the board. Unregulated services are ear piercing, body art, body painting, henna tattoos and permanent tattoos, eyebrow embroidery, eyebrow microblading, permanent hair removal, and permanent makeup; tanning by UV radiation and spray tanning units; injectables; services for theatrical, television, film, fashion, photography, or media productions; media appearances; mortuary services; massage; body wraps and lymphatic drainage when performed by a massage therapist; and hair braiding, hair braiding services, and hair braiders, as defined in subparts 17a to 17c; and threading as defined in Minnesota Statutes, section 155A.23, subdivision 13. Ordinances by local units of government that prohibit hair braiding, hair braiding services, or hair braiders, as defined in subparts 17a to 17c, or regulate any matter relating to licensing, testing, or training of hair braiding, hair braiding services, or hair braiders are preempted by this part.

2110.0125 INSPECTIONS.

[For text of subps 1 to 3, see M.R.]

Subp. 4. **Inspection penalties and discipline.**

[For text of item A, see M.R.]

B. Board staff must issue penalties prescribed in Minnesota Statutes, section 155A.25, for violations in subitems (1) to (3) cited during a board inspection of a school except as provided for in subpart 5. Licensees must pay penalties in full before any license is renewed or issued.

(1) A school is subject to penalty for violations cited during an inspection for:

[For text of units (a) to (c), see M.R.]

(d) each ~~current~~ active license of an instructor, designated school manager, or school not conspicuously displayed;

[For text of units (e) to (g), see M.R.]

(2) A DSM is subject to penalty for violations cited during a school inspection for:

[For text of units (a) to (c), see M.R.]

(d) each ~~current~~ active license of an instructor, designated school manager, or school not conspicuously displayed;

[For text of units (e) to (g), see M.R.]

(3) An instructor is subject to penalty for violations cited during a school inspection for:

[For text of unit (a), see M.R.]

(b) the instructor's ~~current~~ active license not conspicuously displayed;

[For text of units (c) to (e), see M.R.]

[For text of subp 5, see M.R.]

2110.0310 SCHOOL LICENSURE.

Subpart 1. **Application contents.** An applicant for a cosmetology school must apply on forms supplied by the board, giving the following information:

[For text of items A to L, see M.R.]

M. a roster of all instructors, including license number, type of license, designation of employment status (~~full-time~~ full time or ~~part-time~~ part time) and days of the week and hours scheduled for instruction;

[For text of item N, see M.R.]

O. a complete inventory of facilities ~~and~~₂ equipment, and machines supportive of instructional and clinical operations, as required by this chapter;

[For text of items P to W, see M.R.]

[For text of subps 2 and 3, see M.R.]

2110.0320 MAINTAINING A SCHOOL LICENSE.

[For text of subps 1 to 13, see M.R.]

Subp. 14. **License.** A cosmetology school must not operate without ~~a current~~ an active and conspicuously displayed school license.

[For text of subp 15, see M.R.]

Subp. 16. **Separation of school from any salon.** ~~Any cosmetology, esthetician, or nail~~ A salon must be operated as a separate and distinct business and the salon must be completely separated physically from the school.

2110.0500 CURRICULUM APPROVAL AND CONTENT.

Subpart 1. **Curriculum approval.** Cosmetology schools must have a board-approved curriculum divided into daily lesson plans. The curriculum must include theory and practical application of skills, including the instruction ~~set forth~~ in parts 2110.0510 to 2110.0530.

[For text of subp 2, see M.R.]

Subp. 3. **Guest presenters.** Guest presenters may be used by a school when accompanied by the regular course instructor as long as the guest presenters are limited to one percent of the total curriculum time. If the regular course instructor is not in attendance when a guest presenter is present, the limitations of part 2110.0630 apply unless the guest presenter holds ~~a current~~ an active instructor license.

[For text of subp 4, see M.R.]

2110.0520 ESTHETICIAN TRAINING.

[For text of item A, see M.R.]

B. The first 120 hours must be preclinical instruction in the theory of sciences of anatomy, dermatology, and chemistry as related to skin care; ~~electricity and light~~; infection control; safety procedures related to the practice of skin care; and Minnesota statutes and rules ~~which~~ that pertain to the regulation of the practice of skin care; student orientation; and elementary service skills. Elementary service skills must be limited to the observation of an instructor demonstration, or student-to-student application of basic services related to esthetics.

C. There must be instruction in applied science and skills in the procedures of cosmetic care of the skin, client consultation and skin analysis, applications of facials and makeup, and in waxing.

[For text of items D and E, see M.R.]

2110.0525 ADVANCED PRACTICE ESTHETICIAN TRAINING.

A. Advanced practice (AP) esthetician training must consist of a board-approved curriculum of 600 hours that includes items B to E. A prerequisite for the training is completion of the esthetician or cosmetologist training in part 2110.0520 within the past five years or an active license as a cosmetologist or esthetician.

B. Part 2110.0500, subparts 2 and 3, do not apply to AP esthetician curriculums. Up to five percent of the AP esthetician curriculum may be accomplished through field trips, and up to five percent of the AP esthetician curriculum may be provided by guest presenters when accompanied by the instructor. If the regular course instructor is not in attendance when a guest presenter is present, the limitations of part 2110.0630 apply unless the guest presenter holds an active instructor license.

C. A combined esthetician and AP esthetician program approved by the board may be offered to any student and must include both the esthetician training in this part and part 2110.0520. Students who partially complete a combined program under this item are not eligible for an esthetician license unless the partial training received meets the requirements of part 2110.0520.

D. There must be theoretical instruction in the following: advanced cell histology of the skin; lymphatic system; wound healing; skin classification systems; dermatological disorders and terminology; advanced practice skin care treatments; chemistry and biochemistry of product ingredients and modalities; electrical and light energy; client consultation with skin classifications and medical history; infection control; and health and safety.

E. There must be clinical instruction in the following: professional skin treatments within the scope of practice for an AP esthetician on skin analysis, client consultation; manual and machine advanced exfoliation services, electric energy treatments, lymphatic drainage, and infection control and safety procedures.

2110.0545 SKILLS COURSES.

[For text of items A and B, see M.R.]

C. Cosmetologists must attend a cosmetologist skills course taught by a cosmetology instructor, estheticians must attend an esthetician skills course taught by an esthetician, advanced practice (AP) esthetician, or cosmetology instructor, and nail technicians must attend a skills course taught by a nail technician or cosmetology instructor. AP estheticians must attend a skills course taught by an AP esthetician instructor.

[For text of items D and E, see M.R.]

2110.0630 INSTRUCTORS.

[For text of items A to D, see M.R.]

E. Esthetician instructors and nail instructors are restricted to instruction in the area of their practitioner license and may not instruct in other disciplines. Advanced practice esthetician instructors are restricted to instruction in esthetics and advanced practice esthetics.

[For text of item F, see M.R.]

2110.0670 STUDENT RECORDS.

~~Student records must be maintained as follows:~~

[For text of items A to D, see M.R.]

E. The school must maintain the following reports for each student:

[For text of subitems (1) to (4), see M.R.]

(5) documentation signed by the school owner or DSM must indicate that the student has successfully completed the course of training, including documentation of the student's completion of the practical exercises, as required by parts 2110.0510, item D₂; 2110.0520, item D, subitem (1)₂; and 2110.0530, item D, subitem (1), or as required by the board-approved curriculum; and documentation of the student's successful completion of the skills certification review, on a form acceptable to the board; and

[For text of subitem (6), see M.R.]

2110.0705 TRANSFER STUDENTS.

Subpart 1. **Transfers from another school or state.** Students who have completed a portion of required training at another school or in another state or country may apply as a transfer student to a cosmetology school to complete the required training. Accrued student hours are valid for five years and apply to students who have partially completed a school program in or out of state. The school must include in the student's records documentation of any transfer of credits, and copies of student transcripts and records from the original school. Any records from another country, including records in English, must be evaluated by a board-approved credentialing agency at the student's or school's expense.

[For text of subp 2, see M.R.]

2110.0710 FULL COURSE OF INSTRUCTION.

No student shall be enrolled in a school for less than a full course of instruction ~~of not less than 1,550 hours for cosmetologist, 600 hours for esthetician, or 350 hours for a nail technician,~~ except that a licensed individual or a previously licensed individual requesting a refresher course, an applicant who has failed the state examination and requests additional training, a transfer student, a student who has enrolled only to learn unregulated services, and reciprocity applicants who require additional schooling may be enrolled for these purposes.

2110.0720 DISPLAY OF LICENSES.

~~Current~~ Active licenses of all instructors, the designated school manager, and the school must be conspicuously posted in the reception area.

2110.0740 SCHOOL CLINICS.

[For text of items A to G, see M.R.]

H. All students are required to wear an identification badge at all times. The badges must be at least two inches by one inch; state the student's name; and state that the student is either a "Cosmetologist Student," "Esthetician Student," "AP Esthetician Student," or "Nail Technician Student." Badges must be furnished by the school as part of tuition costs.

[For text of items I and J, see M.R.]

REPEALER. Minnesota Rules, parts 2105.0010, subpart 3a; and 2105.0420, are repealed.
