[For text of subp 1, see M.R.]

Subp. 2. Possession limits on boundary waters.

A. Licensed anglers, or those exempt from licensing, may possess only one limit of fish while on the adjacent state's boundary waters listed in parts 6266.0200, subpart 1; 6266.0300, subpart 1; 6266.0400, subpart 1; and 6266.0500, subpart 1, regardless of the number of licenses held.

B. Where regulations differ between this state and an adjacent state on such boundary waters, the exercise of the more liberal regulations is limited to persons licensed by the more liberal state and confined to the territorial waters of the more liberal state.

~~C. Fish that are taken by angling on Minnesota boundary waters with South Dakota, Wisconsin, and North Dakota and not immediately released or returned to the water as defined in Minnesota Statutes, section 97A.015, subdivision 26c, are considered to be in possession and part of the bag limit. No culling or live well sorting (the act of replacing one fish with another one) is allowed. Fish may not be released after being reduced to possession, except that an angler may release fish to the same water body where the fish were taken when the angler is done fishing for that day and before the angler leaves the water body.~~

D C. Licensed anglers, or those exempt from licensing, must follow the general restrictions on transport, possession, and packing of fish while on a boundary water unless otherwise specified in this chapter or part 6262.0300.
