However, there shall be no refund if the horse is part of a coupled entry or field. and does not finish first, all amounts wagered on that horse in all pools shall be refunded. Any horse so prevented from starting shall be entitled to any purse money earned for its actual place in the order of finish.~~

B. ~~If any horse is so prevented from starting, the entire amount in the exacta pool wagered on that horse shall be refunded unless the horse finishes first or second, in which case the horse shall be considered a starter for the exacta pool in which the horse earned a~~

If there is only one single ticket selecting the first place finisher of each of the Pick (n) contests, based on the official order of finish, the jackpot share of the net Pick (n) pool and the jackpot carryover, if any, shall be distributed to the holder of that single ticket, along with the major net pool. If more than one ticket selects the first place finisher of each of the Pick (n) contests, the jackpot net pool shall be added to the jackpot carryover. The minor share of the net Pick (n) pool shall be distributed to those who selected the first place finisher of the second~~

~~greatest number of Pick (n) contests, based on the official order of finish. Subp. 10. **Penalties imposed by stewards or commission for medication violations.**

A. Upon a finding of a violation of chapter 7890, the stewards or commission shall consider the classification and penalty category of the substance at the time of the violation as referenced in the Association of Racing Commissioners International Uniform Classification Guidelines for Foreign Substances and Recommended Penalties, as well as any existing mitigating or aggravating factors, and shall impose penalties and disciplinary measures consistent with the recommendations contained therein except as limited by part 7897.0130, subpart 5.

B. Mitigating or aggravating factors must be shown by a preponderance of evidence that the circumstances were actually present in the instant case. Mere speculation that the circumstances might have been present is not sufficient proof.

C. For purposes of this subpart, mitigating factors are conditions or circumstances that do not excuse or justify wrongful conduct, but are considered out of fairness in deciding to reduce a penalty.

D. For purposes of this subpart, aggravating factors are conditions or circumstances that permit a harsher penalty to be imposed but do not permit a penalty to be imposed greater than that allowed under the law or rule.

7897.0155 APPEAL TO COMMISSION.

Subpart 1. Appeals.

A. A license denial, a sanction under part 7897.0120, or a stewards' decision regarding a Class C licensee may be appealed to the commission.

B. The licensee may ask the commission to reverse the decision in whole or in part or to lessen the sanction ordered.

C. Appeals to the commission are not subject to the contested case procedures.

Subp. 2. **Review or appeal by commission, director, or deputy director.** Nothing in this chapter precludes the commission, director, or deputy director from instituting proceedings to appeal a steward's decision; or the commission from instituting proceedings to review a steward's decision on its own motion. [Renumbered from part 7897.0150, subpart 4.]

Subp. 3. **Stays of decisions.** An appeal of a sanction or stewards' decision shall not automatically stay the decision. A party may request the director to stay the decision. The director shall order a stay for good cause shown.

Subp. 4. **Procedure for appeal to commission.** A licensee may appeal a license denial, sanction, or decision of the stewards by filing with the director a written request for an appeal within five days after being orally advised of the decision or receiving a written order, whichever is earlier. The appeal request shall contain the following information:

- A. the name, address, and telephone number, if any, of the appellant;
- B. a description of the objections to the license denial, sanction, or decision of the stewards;
- C. a statement of the relief sought; and
- D. whether the appellant desires to be present in person at the hearing of the appeal.

Subp. 5. **Deposit shall be required.** The appellant shall deposit with the commission at the time of filing his or her written request for an appeal an amount equal to ten times the appellant's occupational license fee in part 7877.0120, subpart 1, but not to exceed \$250. The deposit will be refunded by the commission upon the conclusion of the appeal unless the commission finds that the appeal was frivolous, in which case the deposit will be forfeited. In addition, if the commission determines that the appeal was commenced in bad faith for purposes of delay or was unreasonable and without substance or merit, the commission may impose a fine of not more than \$450. [Renumbered from part 7897.0150, subpart 7.]

Subp. 6. **Commission shall set date for hearing.** Within five days of receipt of a written request for an appeal and the deposit, the commission chair, director, or the deputy director shall set a date, time, and place for the hearing. The hearing must be held within 15 days of the receipt of the request for the appeal and the deposit. Notice shall be given to the appellant in writing and shall set out the date, time, and place of the hearing, and shall be served personally or sent by mail to the last known address of the appellant. If the appellant objects to the date of the hearing, the appellant may obtain a continuance, but the continuance

shall not automatically stay imposition of the sanction or prolong a stay issued by the director.

Subp. 7. Appeal by commission. When the commission institutes an appeal on its own motion or at the request of the stewards or director, a notice of appeal shall be served personally or sent by mail to the licensee, addressed to his or her last known place of residence, at least ten days prior to the hearing of the appeal. This notice of appeal shall contain the following:

A. the decision being appealed from;

B. the date on which the decision was made;

C. the grounds of the appeal; and

D. the date, time, and place on which the commission proposes to hear the appeal.

[Renumbered from part 7897.0150, subpart 9.]

Subp. 8. Designation of panel. All appeals shall be heard by a panel of three or more commission members. The commission chair shall appoint the panel members and shall also designate one of them as the chair of the panel.

Subp. 9. Hearing panel's decision. All decisions of the hearing panel must be made by majority vote. In the event the hearing panel is unable to arrive at a decision by a majority vote, the commission shall consider the appeal based on the record before the hearing panel. The hearing panel shall issue its written decision within ten days, excluding Saturday, Sunday, and holidays, based on the record and must include the hearing panel's findings of fact and conclusions on all material issues. A copy of the panel's decision shall be served upon all parties by first class mail or personal service. The decision of the hearing panel shall be the final agency decision.

7897.0170 CONDUCT OF APPEAL HEARING.

[For text of subps 1 to 9, see M.R.]

Subp. 10. **Summary disposition.** If the hearing panel finds there are no genuine issues of material fact and the matter can be decided as a matter of law, the hearing panel shall, within ten days of receiving the written request for appeal, issue a written decision without holding a hearing. The decision shall be a final agency decision.

If a request is delivered by personal service, it must be received by the commission's director within ten calendar days after the

licensee received the commission's sanction order. If a licensee submits a timely request for a contested case hearing under this subpart, the disciplinary sanction shall be stayed until the commissioner issues a final order following the contested case hearing. However, the imposition of the sanction shall not be stayed if the commission had summarily suspended the license in the 90 days preceding the issuance of the sanction order and the licensee either did not appeal the summary suspension or the commission affirmed the summary suspension after appeal. Any contested case hearing shall be commenced and held in the manner provided for in Minnesota Statutes, chapter 14, and rules adopted pursuant thereto.

Subp. 3. **Exceptions.** Parties affected by the report of the administrative law judge shall have 20 days from the date of service of the report to file exceptions with the commission and request an opportunity to present written arguments to the commission.
