

Department of Natural Resources**Adopted Expedited Emergency Game and Fish Rules: 2023 Youth and Adult Special Deer Hunts and Seasons****6232.2550 YOUTH AND ADULT SPECIAL DEER HUNTS.**

[For text of subpart 1, see Minnesota Rules]

Subp. 2. Application requirements.

A. Applications for youth special hunts must be made according to this part and according to application instructions provided by the commissioner. Applicants for youth firearms special hunts must be at least 12 years old and under age 16 by the beginning hunt date. Applicants for youth archery special hunts must be at least 12 years old and under age 18 by the beginning hunt date. Each person must apply at an electronic license system agent or the Department of Natural Resources License Center. Group applications are not allowed. If the number of eligible applicants exceeds the quota established by the commissioner, the commissioner shall conduct a drawing to determine eligible participants. Preference for the youth special hunt drawing is given to applicants based on the number of years they have correctly applied for a youth special hunt permit but have been unsuccessful. Upon issuance of a youth special hunt permit, all accumulated preference is lost. The application deadline is the Friday nearest August 17.

B. Adult learn-to-deer-hunt participants are selected on a first-come, first-served basis.

Subp. 3. Restrictions on taking.

A. In addition to complying with this part, hunters who are hunting under a special deer hunt permit must meet all requirements of the municipality, park, or area in which the special hunt occurs and those of the sponsoring organization. Hunt participants must stay within any boundaries prescribed by the hunt sponsor, on maps provided during a prehunt orientation session, or by posting.

B. While participating in a special hunt in a state park, individuals may possess only nontoxic ammunition on their person while taking wild animals, as defined in Minnesota Statutes, section 97A.015, subdivision 47. For purposes of this item, "nontoxic ammunition" means:

- (1) steel shot or projectile;
- (2) copper-plated, nickel-plated, or zinc-plated steel shot or projectile; or
- (3) shot or projectile made of other nontoxic material approved by the director of the United States Fish and Wildlife Service under Code of Federal Regulations, title 50, section 20.21, paragraph (j).

C. A person who carries a pistol and possesses a valid permit under Minnesota Statutes, section 624.714, may possess ammunition that does not meet the requirement of item B but must not use the ammunition to take wild animals.

D. Participants in special hunts that are located inside the shotgun use area described in Minnesota Statutes, section 97B.318, subdivision 1, may possess and use ammunition that does not meet the requirement of item B to take deer if they remove all portions, including entrails, of any deer harvested during the special hunt.
