

Department of Public Safety**Adopted Exempt Permanent Rules Relating to Loss of Consciousness or Voluntary Control****7410.2500 LOSS OF CONSCIOUSNESS OR VOLUNTARY CONTROL.**

[For text of subparts 1 to 4, see Minnesota Rules]

Subp. 5. **Review of driver's condition.** Except as otherwise provided in items A to ~~E~~ G, a driver who has experienced a loss of consciousness or voluntary control shall submit an annual physician's statement on a form prescribed by the commissioner, regarding the driver's medical history, present situation, and the prognosis with respect to the driver's ability to operate a motor vehicle with safety to the driver and others.

[For text of items A to E, see Minnesota Rules]

F. A driver does not need to submit an annual physician's statement if:

- (1) a single nonepileptic seizure was responsible for the driver's loss of consciousness or voluntary control;
- (2) the driver has been free from episodes of loss of consciousness or voluntary control for five years from the date of the incident under subitem (1);
- (3) the driver has not been prescribed or taking any antiseizure medication for five years from the date of the incident under subitem (1); and
- (4) a physician has indicated that no further review of the driver's condition is necessary due to the driver being in good health and the risk of reoccurrence for the condition responsible for causing a loss of consciousness or voluntary control is minimal.

G. A driver does not need to submit an annual physician's statement if:

- (1) the driver has been free from episodes of loss of consciousness or voluntary control for ten years;

(2) the driver has not been prescribed or taking any antiseizure medication for ten years; and

(3) a physician has indicated that no further review of the driver's condition is necessary due to the driver being in good health and the risk of reoccurrence for the condition responsible for causing a loss of consciousness or voluntary control is minimal.
