23.19	STATE GOVERNMENT SHUTDOWN.
23.20	Subdivision 1. Definition. As used in this section, "government shutdown" means that,

23.25	the Legislative Coordinating Commission; or
23.26	(3) a judicial branch agency or department, including a court;
23.27	has not been enacted for the biennium beginning July 1 of that year.
23.28	Subd. 2. Payment required. Notwithstanding section 16A.17, subdivision 8, state
23.29	employees must be provided payment for lost salary and benefits resulting from their absence
23.30	from work during a government shutdown. An employee is eligible for a payment under
23.31	this section only upon the employee's return to work.
24.1	Subd. 3. Appropriation; limitation. (a) In the event of a government shutdown, the
24.2	amount necessary to pay the salary and benefits of employees of any impacted agency,

4.3	office, or department is appropriated beginning on that July 1 to that agency, office, or
4.4	department. The appropriation is made from the fund or funds from which an appropriation
4.5	was made in the previous fiscal year for salary and benefits paid to each affected employee.
4.6	(b) Amounts appropriated under this subdivision may not exceed the amount or amounts
4.7	appropriated for general operations of the affected agency, office, or department in the
4.8	previous fiscal year.
4.9	Subd. 4. Certification of amount for employees in the legislative and judicial
4.10	branches. By June 25 of an odd-numbered year, if a government shutdown appears
4.11	imminent, the chief clerk of the house of representatives, the secretary of the senate, and
4.12	the chief clerk of the supreme court must each certify to the commissioner of management
4.13	and budget the amount needed for salaries and benefits for each fiscal year of the next
4.14	biennium, and the commissioner of management and budget shall make the certified amount
4.15	available on July 1 of that year, or on another schedule that permits payment of all salary
4.16	and benefit obligations required by this section in a timely manner.

4.17	or department for regular operations for a biennium in which this section has been applied
4.18 4.19	may only supersede and replace the appropriation provided by subdivision 3 by express
4.20	reference to this section.

4.27	The commissioner may authorize an executive branch appointing authority to make a onetime
4.28	award to an employee or group of employees whose suggestion or involvement in a project
4.29	is determined by the commissioner to have resulted in documented cost-savings to the state.
4.30	Before authorizing awards under this section, the commissioner shall establish guidelines
4.31	for the program including but not limited to:
5.1	(1) the maximum award is ten percent of the documented savings in the first fiscal year

5.6	of providing better or more efficient state services are generally not eligible for bonus
5.7	compensation under this section except in extraordinary circumstances as defined by the
5.8	commissioner; and
5.9	(3) employees are eligible for awards under this section notwithstanding chapter 179A.

25.10 25.11 25.12	(b) The program required by this section must be in addition to any existing monetary or nonmonetary performance-based recognition programs for state employees, including achievement awards, continuous improvement awards, and general employee recognitions.

A state agency that prepares a predesign for a new building must consider meeting at least two percent of the energy needs of the building from renewable sources located on the building site. For purposes of this subdivision, "renewable sources" are limited to wind and the sun. The predesign must include an explicit cost and price analysis of complying with the two-percent requirement compared with the present and future costs of energy supplied by a public utility from a location away from the building site and the present and future costs of controlling carbon emissions. If the analysis concludes that the building should not meet at least two percent of its energy needs from renewable sources located on the building site, the analysis must provide explicit reasons why not. The building may not receive further state appropriations for design or construction unless at least two percent of its energy needs are designed to be met from renewable sources, unless the commissioner finds that the reasons given by the agency for not meeting the two-percent requirement were supported by evidence in the record.

The total aggregate nameplate capacity of all distributed generation serving the building, including any subscriptions to a community solar garden under section 216B.1641, may not exceed 100 percent of the average annual electric energy consumption of the building or buildings if served by a common billing meter and located on a contiguous piece of property owned by the same customer, excepting right-of-way. (c) The cost of the solar energy system must not exceed five percent of the appropriations from the bond proceeds fund for the construction or renovation of the state building. Purchase and installation of a solar thermal system may account for no more than 25 percent of the
28.24	cost of a solar energy system installation.

28.25 28.26 28.27	(d) The solar energy system must be located either (1) on a state building; or (2) adjacent to a state building, but only if any land situated between the building and the site where the solar energy system is installed is owned by the state, excepting right-of-way.

For that purpose it shall meet at the usual place of meeting, upon one day's notice from the chair or clerk, which shall be served personally upon each member in the same manner as a district court summons. The person appointed shall give the bond and take the oath required by law, and serve the remainder of the term, and until a successor qualifies. When a vacancy occurs in an office that has a chief deputy or first assistant, the chief deputy or first assistant may perform all the duties and functions of the office until it is filled by appointment by the county board. In the exercise of this option, the county board shall direct which of the offices of auditor 75.21 or treasurer shall be terminated for the purpose of providing for the election to the single office of auditor-treasurer. The duties, functions and responsibilities which have been heretofore and which shall hereafter be required by statute to be performed by the county auditor and the county treasurer shall be vested in and performed by the auditor-treasurer without diminishing, prohibiting or avoiding those specific duties required by statute to be performed by the county auditor and the county treasurer. 75.28 Nothing in this subdivision shall preclude the county from exercising the option to make the combined office of auditor-treasurer appointive as if it had been specifically enumerated in subdivision 2. Except as provided in section 375A.01, only one such plan may be submitted at any one election. 76.15 Sec. 74. [375A.1205] APPOINTING COUNTY OFFICERS.

Subdivision 1. Authority to appoint certain officers. A county board may appoint the county auditor, county treasurer, or county recorder under section 375A.10, subdivision 2, or the auditor-treasurer under section 375A.10, subdivision 5, by following the process outlined in this section. Notwithstanding section 375A.12, a referendum is not required if the appointment is made pursuant to this section. A county board shall only use the authority to appoint under the following circumstances:
(1) there is a vacancy in the office as provided in section 351.02;
(2) the current office holder has notified the county board that the officer will not file for the office, as provided in subdivision 2; or
(3) there is a signed contract with the county board and the incumbent auditor, treasurer, auditor-treasurer, or recorder that provides that the incumbent officer will be appointed to the position and retain tenure, pay, and benefits equal to or greater than length of service.
Subd. 2. Responsibility of county officer. At least 104 days before the filing date for office under section 204B.09, an elected county officer must notify the county board in writing whether the officer will be filing for another term. If the officer indicates in writing that the officer will not file for the office and the county board has passed a resolution under subdivision 6, affidavits of candidacy will not be accepted for that office, and the office will not be placed on the ballot.
Subd. 3. Board controls; may change as long as duties done. Upon adoption of a resolution by the county board of commissioners and subject to subdivisions 5 and 6, the duties of an elected official required by statute whose office is made appointive as authorized by this section must be discharged by the county board of commissioners acting through a department head appointed by the board for that purpose. Reorganization, reallocation, delegation, or other administrative change or transfer does not diminish, prohibit, or avoid the discharge of duties required by statute.
Subd. 4. Discharge or demotion. (a) A county auditor, county treasurer, county auditor-treasurer, or county recorder who was elected at the most recent election for that office prior to a county board resolution to make the office an appointed position, and the elected official is subsequently appointed by the county board to the office, may not be involuntarily demoted or discharged except for incompetency or misconduct.
(b) Prior to demoting or discharging an office holder under this subdivision, the board must notify the office holder in writing and state its grounds for the proposed demotion or discharge in reasonable detail. Within ten days after receipt of this notification, the office holder may make a written request for a hearing before an arbitrator and the request must be granted before final action is taken. Failure to request a hearing before an arbitrator during this period is considered acquiescence to the board's action. The board may suspend an office holder with pay pending the conclusion of the hearing and determination of the

conduct that is the subject of the felony charge is grounds for a proposed discharge, the suspension pending the conclusion of the hearing and determination of the issues may be without pay. If a hearing under this subdivision is held, the board must reimburse the office holder for any salary or compensation withheld if the final decision of the arbitrator does not result in a penalty or discharge of the office holder. 77.29 (c) If the office holder and the board are unable to mutually agree on an arbitrator, the board must request from the Bureau of Mediation Services a list of seven persons qualified to serve as an arbitrator. If the office holder and the board are unable to mutually agree on an arbitrator from the list provided, the parties shall alternately strike names from the list until the name of one arbitrator remains. The person remaining after the striking procedure must be the arbitrator. If the parties are unable to agree on who shall strike the first name, the question must be decided by a flip of a coin. The office holder and the board must share equally the costs and fees of the arbitrator except as set forth in paragraph (g). (d) The arbitrator shall determine, by a preponderance of the evidence, whether the grounds for discharge or demotion exist to support the proposed discharge or demotion. A lesser penalty than demotion or discharge may be imposed by the arbitrator only to the extent that either party proposes such lesser penalty in the proceeding. In making the determination, the arbitration proceeding is governed by sections 572B.15 to 572B.28. 78.8 (e) An arbitration hearing conducted under this subdivision is a meeting for preliminary consideration of allegations or charges within the meaning of section 13D.05, subdivision 3. paragraph (a), and must be closed, unless the office holder requests it to be open. (f) The arbitrator's award is final and binding on the parties, subject to sections 572B.18 78.11 78.12 to 572B.28. (g) In the event the arbitrator rules not to demote or discharge the office holder, the board shall pay all of the costs and fees of the arbitrator and the attorney fees of the office 78.15 holder. 78.16 Subd. 5. **Incumbents to complete term.** The person elected at the last general election to an office made appointive under this section must serve in that capacity and perform the duties, functions, and responsibilities required by statute until the completion of the term of office to which the person was elected, or until a vacancy occurs in the office, whichever 78.19 78.20 occurs earlier. Subd. 6. Publishing resolution; petition; referendum. (a) Before the adoption of the 78.21 resolution to provide for the appointment of an office as described in subdivision 1, the county board must publish a proposed resolution notifying the public of its intent to consider the issue once each week, for two consecutive weeks, in the official publication of the county. Following publication and prior to formally adopting the resolution, the county board shall provide an opportunity at its next regular meeting for public comment relating to the issue. After the public comment opportunity, at the same meeting or a subsequent meeting, the county board of commissioners may adopt a resolution that provides for the

appointment of the office or offices as permitted in this section. The resolution must be approved by at least 80 percent of the members of the county board. The resolution may take effect 30 days after it is adopted, or at a later date stated in the resolution, unless a petition is filed as provided in paragraph (b). (b) Except when an office is made appointive under subdivision 1, clause (3), within 30 78.33 days after the county board adopts the resolution, a petition requesting a referendum may be filed with the county auditor. The petition must be signed by at least ten percent of the registered voters of the county. The petition must meet the requirements of the secretary of state, as provided in section 204B.071, and any rules adopted to implement that section. If 79.4 the petition is sufficient, the county board resolution is rescinded. 79.5 Subd. 7. **Reverting to elected offices.** (a) The county board may adopt a resolution to provide for the election of an office that was made an appointed position under this section, but not until at least three years after the office was made an appointed position. The county board must publish a proposed resolution notifying the public of its intent to consider the issue once each week, for two consecutive weeks, in the official publication of the county. Following publication and before formally adopting the resolution, the county board must provide an opportunity at its next regular meeting for public comment relating to the issue. After the public comment opportunity, at the same meeting or a subsequent meeting, the county board of commissioners may adopt the resolution. The resolution must be approved by at least 60 percent of the members of the county board and is effective August 1 following adoption of the resolution. (b) The question of whether an office that was made an appointed position under this 79.16 section must be made an elected office must be placed on the ballot at the next general election if (1) the position has been an appointed position for at least three years; (2) a petition signed by at least ten percent of the registered voters of the county is filed with the office of the county auditor by August 1 of the year in which the general election is held; and (3) the petition meets the requirements of the secretary of state, as provided in section 204B.071, and any rules adopted to implement that section. If a majority of the voters of the county voting on the question vote in favor of making the office an elected position, the election for that office must be held at the next regular or special election.
