ARTICLE 24

APPROPRIATIONS

Section 1. HEALTH AND HUMAN SERVICES APPROPRIATIONS.

The sums shown in the columns marked "Appropriations" are added to or, if shown in parentheses, subtracted from the appropriations in Laws 2021, First Special Session chapter 7, article 16, to the agencies and for the purposes specified in this article. The appropriations are from the general fund or other named fund and are available for the fiscal years indicated for each purpose. The figures "2022" and "2023" used in this article mean that the addition to or subtraction from the appropriation listed under them is available for the fiscal year ending June 30, 2022, or June 30, 2023, respectively. Base adjustments mean the addition to or subtraction from the base level adjustment set in Laws 2021, First Special Session chapter 7, article 16. Supplemental appropriations and reductions to appropriations for the fiscal year ending June 30, 2022, are effective the day following final enactment unless a different effective date is explicit.
