Sec. 2. Minnesota Statutes 2021 Supplement, section 16A.151, subdivision 2, is amended to read:

Subd. 2. Exceptions. (a) If a state official litigates or settles a matter on behalf of specific injured persons or entities, this section does not prohibit distribution of money to the specific injured persons or entities on whose behalf the litigation or settlement efforts were initiated. If money recovered on behalf of injured persons or entities cannot reasonably be distributed to those persons or entities because they cannot readily be located or identified or because the cost of distributing the money would outweigh the benefit to the persons or entities, the money must be paid into the general fund.

(b) Money recovered on behalf of a fund in the state treasury other than the general fund may be deposited in that fund.

(c) This section does not prohibit a state official from distributing money to a person or entity other than the state in litigation or potential litigation in which the state is a defendant or potential defendant.

(d) State agencies may accept funds as directed by a federal court for any restitution or monetary penalty under United States Code, title 18, section 3663(a)(3), or United States Code, title 18, section 3663A(a)(3). Funds received must be deposited in a special revenue account and are appropriated to the commissioner of the agency for the purpose as directed by the federal court.

(f) Any money received by the state resulting from a settlement agreement or an assurance of discontinuance entered into by the attorney general of the state, or a court order in litigation brought by the attorney general of the state, on behalf of the state or a state agency, related to alleged violations of consumer fraud laws in the marketing, sale, or distribution of opioids in this state or other alleged illegal actions that contributed to the excessive use of opioids, must be deposited in a separate account in the state treasury and the commissioner shall notify the chairs and ranking minority members of the Finance Committee in the senate and the Ways and Means Committee in the house of representatives that an account has been created. Notwithstanding section 11A.20, all investment income and all investment losses attributable to the account shall be credited to the account. The settlement account established in the opiate epidemic response fund under section 256.043, subdivision 1. This paragraph does not apply to attorney fees and costs awarded to the state or the Attorney General's Office, to contract attorneys hired by the state or Attorney General's Office, or to other state agency attorneys. If the licensing fees under section 151.066, subdivision 1, clause (16), and subdivision 3, clause (14), are reduced and the registration fee under section 151.066, subdivision 3, is repealed in accordance with section 256.043, subdivision 4, then the commissioner shall transfer from the separate account created in
this paragraph to the opiate epidemic response fund under section 256.043 an amount that
ensures that $20,040,000 each fiscal year is available for distribution in accordance with
section 256.043, subdivision 3.

(g) Notwithstanding paragraph (f), if money is received from a settlement agreement or
an assurance of discontinuance entered into by the attorney general of the state or a court
order in litigation brought by the attorney general of the state on behalf of the state or a state
agency against a consulting firm working for an opioid manufacturer or opioid wholesale
drug distributor and deposited into the separate account created under paragraph (f), the
commissioner shall annually transfer from the separate account to the opiate epidemic
response fund under section 256.043 an amount equal to the estimated amount submitted
to the commissioner by the Board of Pharmacy in accordance with section 151.066,
subdivision 3, paragraph (b). The amount transferred shall be excluded in the amount available
distribution in accordance with section 256.043, subdivision 3. This transfer shall occur
each year until the registration fee under section 151.066, subdivision 3, is repealed or
in accordance with section 256.043, subdivision 4, or the money deposited in the account in
accordance with this paragraph has been transferred, whichever occurs first. The
money received into the settlement account established within the opiate epidemic response
fund under section 256.042, subdivision 1. Notwithstanding section 256.043, subdivision
3a, paragraph (a), any amount deposited into the settlement account in accordance with this
paragraph shall be appropriated to the commissioner of human services to award as grants
as specified by the opiate epidemic response advisory council in accordance with section

annually assess an opiate product registration fee on any manufacturer of an opiate that
annually sells, delivers, or distributes an opiate within or into the state 2,000,000 or more

(b) For purposes of assessing the annual registration fee under this section and
determining the number of opiate units a manufacturer sold, delivered, or distributed within
or into the state, the board shall not consider any opiate that is used for medication-assisted
therapy for substance use disorders.

Subd. 4. Fee revenue collected under this section due to this exception.

NOTE: This bill reflects amendments made to Senate File No. 1487 (Enrolled as Senate File No. 1511) and House File No. 1641 (Enrolled as House File No. 1643) and is effective the day following final enactment.
In conjunction with the data reported under this section, and notwithstanding section 763.17, subdivision 6, the board may use the data reported under section 152.126, subdivision 4, to determine which manufacturers meet the requirement under paragraph (a) and are required to pay the registration fees under this subdivision.

By April 1 of each year, beginning April 1, 2020, the board shall notify a manufacturer that the manufacturer meets the requirement in paragraph (a) and is required to pay the annual registration fee in accordance with section 151.252, subdivision 1, paragraph (b).

A manufacturer may dispute the board's determination that the manufacturer must pay the registration fee no later than 30 days after the date of notification. However, the manufacturer must still remit the fee as required by section 151.252, subdivision 1, paragraph (b). The dispute must be filed with the board in the manner and using the forms specified by the board that demonstrates that the assessment of the registration fee was incorrect. The board must make a decision concerning a dispute no later than 60 days after receiving the required dispute forms. If the board determines that the manufacturer has satisfactorily demonstrated that the fee was incorrectly assessed, the board must refund the amount paid in error.
