year 2025 for student tuition relief. The Board of Trustees may not set the tuition rates in any undergraduate degree-granting program for the 2023-2024 and 2024-2025 academic years at a rate greater than the 2022-2023 academic year rates. The student tuition relief may not be offset by increases in mandatory fees, charges, or other assessments to the student.

Colleges and universities are permitted to increase differential tuition charges in fiscal years 2024 and 2025 where costs for course or program delivery have increased due to extraordinary circumstances beyond the control of the college or university. Rates and rationale must be approved by the Board of Trustees.

(b) This appropriation includes $50,000,000 in fiscal year 2024 for onetime campus support. The Board of Trustees must allocate this amount to all colleges and universities based upon each institution's estimated tuition revenue loss due to declines in enrollment from fiscal year 2019 to fiscal year 2023, except that no institution shall receive an allocation less than $200,000. This is a onetime appropriation. The base for this appropriation in fiscal year 2026 and later is $0.

(c) $5,700,000 in fiscal year 2024 and $5,700,000 in fiscal year 2025 are to provide supplemental aid for operations and maintenance to the president of each two-year institution in the system with at least one campus that is not located in a metropolitan county, as defined in Minnesota Statutes, section 473.121, subdivision 4. The board shall transfer at least $158,000 for each campus not located in a metropolitan county in each year to the president of each institution that includes such a campus.

(d) The Board of Trustees is requested to help Minnesota close the attainment gap by funding operations, maintain academic programs, and keep tuition affordable.

(b) This appropriation includes $74,000,000 in fiscal year 2024 for onetime campus support. The Board of Trustees must allocate this amount to all colleges and universities based upon each institution's estimated tuition revenue loss due to declines in enrollment from fiscal year 2019 to fiscal year 2023, except that no institution shall receive an allocation less than $300,000. This is a onetime appropriation. The base for this appropriation in fiscal year 2026 and later is $0.

(c) $5,700,000 in fiscal year 2024 and $5,700,000 in fiscal year 2025 are to provide supplemental aid for operations and maintenance to the president of each two-year institution in the system with at least one campus that is not located in a metropolitan county, as defined in Minnesota Statutes, section 473.121, subdivision 4. The board shall transfer at least $158,000 for each campus not located in a metropolitan county in each year to the president of each institution that includes such a campus.

(d) The Board of Trustees is requested to help Minnesota close the attainment gap by funding operations, maintain academic programs, and keep tuition affordable.
activities which improve retention and completion for students of color.

(e) $10,750,000 in fiscal year 2024 and $10,750,000 in fiscal year 2025 are for workforce development scholarships under Minnesota Statutes, section 136F.38.

$6,250,000 in fiscal year 2025 must be matched with cash or in-kind contributions from nonstate sources. The base amount for this appropriation is $4,500,000.

(f) $300,000 in fiscal year 2024 and $300,000 in fiscal year 2025 are for transfer to the Cook County Higher Education Board to provide educational programming, workforce development, and academic support services to remote regions in northeastern Minnesota. The Cook County Higher Education Board shall continue to provide information to the Board of Trustees on the number of students served, credit hours delivered, and services provided to students.

(g) $40,000 in fiscal year 2024 and $40,000 in fiscal year 2025 to implement the sexual assault policies required under Minnesota Statutes, section 135A.15.

(h) $9,100,000 in fiscal year 2026 and later is $10,000,000.

(i) $1,050,000 in fiscal year 2024 and $1,050,000 in fiscal year 2025 are to reduce students’ out-of-pocket costs by expanding free offerings in course materials and resources, including through open educational resources, open textbooks, and implementation of Z-Degrees under Minnesota Statutes, section 136F.305.
The base for this appropriation in fiscal year 2026 and later is $50,000.

(j) $13,000,000 in the first year and $13,000,000 in the second year are to expand student support services. This appropriation provides funding to campuses to address basic needs insecurity, mental health, and other high-need student support services by increasing the amount of available resources to students. In addition, this funding provides systemwide resources and coordination, including electronic connections for peer support and professional clinical support for mental health. These systemwide resources must be available online 24 hours a day, seven days a week. The base for this appropriation under this clause is $5,000,000 for fiscal year 2026 and each year thereafter.

Subd. 5. Workforce Development

(a) $10,000,000 the first year and $10,000,000 the second year are to upgrade college and university equipment and learning environments to provide students with state-of-the-art learning opportunities for career and technical education and to enhance applied research laboratories for interactive, hands-on, multidisciplinary approaches to science, technology, engineering, and math education. $10,000,000 in fiscal year 2025 must be matched with cash or in-kind contributions from nonstate sources. Up to 1.5 percent of the appropriation may be used for administration of the program. This is a onetime appropriation. The base for this appropriation in fiscal year 2026 and later is $0.

(b) $5,000,000 the first year and $5,000,000 the second year are to develop and expand industry sector programming to build capacity and support new and redesigned.

The state must pay stipend support for up to 27 residents each year.

28.1 Sec. 6. FINANCIAL REVIEW OF NONPROFIT GRANT RECIPIENTS REQUIRED.

Subdivision 1. Financial review required. (a) Before awarding a competitive, legislatively named, single source, or sole source grant to a nonprofit organization under this act, the grantor must require the applicant to submit financial information sufficient for the grantor to document and assess the applicant's current financial standing and management.

(b) As a minimum, the grantor must require each applicant to provide the following information:

1. The applicant's most recent Form 990, Form 990-EZ, or Form 990-N filed with the Internal Revenue Service. If the applicant has not been in existence long enough or is not required to file Form 990, Form 990-EZ, or Form 990-N, the applicant must demonstrate to the grantor that the applicant is exempt and must instead submit documentation of internal controls and the applicant's most recent financial statement prepared in accordance with generally accepted accounting principles and approved by the applicant's board of directors or trustees, or if there is no such board, by the applicant's managing group.

2. Evidence of registration and good standing with the secretary of state under Minnesota Statutes, chapter 317A, or other applicable law.

The state must pay stipend support for up to 27 residents each year.

Sec. 6. Financial information:

Subdivision 1. Definitions. (a) As used in this section, the following terms have the meanings given.

(b) "Grant" means a grant or business subsidy funded by an appropriation in this act. (c) "Grantee" means a business entity as defined in Minnesota Statutes, section 5.001.
years of tax returns, the grantee must demonstrate to the grantor's satisfaction that the grantee has appropriate internal financial controls;

(3) unless exempt under Minnesota Statutes, section 309.515, evidence of registration and good standing with the attorney general under Minnesota Statutes, chapter 309; and

(4) if required under Minnesota Statutes, section 309.53, subdivision 3, the applicant's most recent audited financial statement prepared in accordance with generally accepted accounting principles;

Subd. 3. Authority to award subject to additional assistance and oversight. A grantor that identifies an area of significant concern regarding an applicant's financial standing or management may award a grant to the applicant if the grantor provides or the grantee otherwise obtains additional technical assistance, as needed, and the grantor imposes additional requirements in the grant agreement. Additional requirements may include but are not limited to enhanced monitoring, additional reporting, or other reasonable requirements imposed by the grantor to protect the interests of the state.

Subd. 2. Authority to postpone or forgo. Notwithstanding any contrary provision in this act, a grantor that identifies an area of significant concern regarding the financial standing or management of a legislatively named applicant may postpone or forgo awarding the grant.

Subd. 4. Assistance from administration. An agency without adequate resources or experience to perform obligations under this section may contract with the commissioner of administration to perform the agency's duties under this section.

Subd. 5. Agency authority to not award grant. If an agency determines that there is an appreciable risk that a grantee receiving a legislatively named grant cannot or would not perform the required duties under the grant agreement, the agency must notify the grantee and the commissioner of administration and give the grantee an opportunity to respond to the agency's concerns. If the grantee does not satisfy the agency's concerns within 45 days, the agency must delay award of the grant until adjournment of the next regular or special legislative session.

Subd. 6. Legislatively-named grantees. If an agency determines that there is an appreciable risk that a grantee receiving a legislatively-named grant cannot or would not perform the required duties under the grant agreement, the agency must notify the commissioner of administration, the chair and ranking minority members of the Ways and Means Committee in the house of representatives, the chair and ranking minority members of the Finance Committee in the senate, and the chair and ranking minority members of the committees in the house of representatives and the senate with primary jurisdiction over the bill in which the money for the grant was appropriated. The agency must give the grantee an opportunity to respond to the agency's concerns. If the grantee does not satisfy the agency's concerns within 45 days, the agency must delay award of the grant until adjournment of the next regular or special legislative session.

Subd. 7. Subgrants. If a grantee will disburse the money received from the grant to other organizations to perform duties required under the grant agreement, the agency must be a party to agreements between the grantee and a subgrantee. Before entering agreements...
for subgrants, the agency must perform the financial review required under this section with
respect to the subgrantees.

Subd. 8. Effect. The requirements of this section are in addition to other requirements
imposed by law, the commissioner of administration under Minnesota Statutes, sections
16B.97 to 16B.98, or agency policy.

(3) the aggregate awarded financial aid information for all recipients of funds under this program.

(b) Using the data submitted to the office by institutions pursuant to paragraph (a), as well as other data available to the office, the office shall provide the following on its website by placing a prominent link on its website home page:

(1) information made available in a searchable database, including but not limited to persistence and completion, debt of graduates, employment and wage information, and other relevant data for each institution subject to paragraph (a); and

(2) other information and links that are useful to students and parents who are in the process of selecting a college or university.

Sec. 2. [135A.1365] ACCESS TO MENSTRUAL PRODUCTS.

The Board of Trustees of the Minnesota State Colleges and Universities shall, and the Board of Regents of the University of Minnesota is requested to, provide students with access to menstrual products at no charge. The products must be available in restrooms used by students. For purposes of this section, "menstrual products" means pads, tampons, or other similar products used in connection with the menstrual cycle.

Sec. 3. Minnesota Statutes 2022, section 135A.137, subdivision 2, is amended to read:

Subd. 2. Designation approval.

(a) The statewide student associations representing the state community and technical colleges and the state universities student advisory council under section 136A.031 shall create an application process and an award for institutions applying for grant funds. The student advisory council shall review applications and provide make recommendations to the commissioner. The commissioner shall have final approval for the designation at each state college and university, respectively and the award amount.

(b) The University of Minnesota Student Association at each institution shall create an application process and an award and provide final approval for the designation at each University of Minnesota institution.

(c) The Minnesota Association of Private College Students and the Student Advisory Council member representing Tribal colleges pursuant to section 136A.031, subdivision 3, shall create an application process and an award and provide final approval for the designation at each nonprofit degree-granting institution.

Sec. 4. Minnesota Statutes 2022, section 135A.137, subdivision 3, is amended to read:

Subd. 3. Competitive grant.

(a) Institutions eligible for a grant under this subdivision include public postsecondary institutions, nonprofit private postsecondary institutions, and Tribal colleges.

(b) The commissioner shall establish a competitive grant program to distribute grants to eligible institutions to meet and maintain the requirements under subdivision 1, paragraph
(a) Initial grants shall be made to institutions that have not earned the designation and demonstrate a need for funding to meet the hunger-free campus designation requirements. Sustaining grants shall be made to institutions that have earned the designation and demonstrate both a partnership with a local food bank or organization that provides regular, on-campus food distributions and a need for funds to maintain the requirements under subdivision 1, paragraph (a).

(c) The commissioner shall give preference to applications for initial grants and to applications from institutions with the highest number of federal Pell Grant eligible students enrolled. The commissioner shall consider the head count at the institution when awarding grants. The maximum grant award for an initial institution designation is $25,000.

The maximum grant award for sustaining an institution designation is $15,000.

(d) The commissioner, in collaboration with student associations representing eligible institutions, shall create an application process and establish selection criteria for awarding the grants.

(e) No more than 20 percent of the total grant awards each fiscal year shall be for grants to nonprofit private postsecondary institutions.

(3) provide technical assistance;
(i) to Minnesota institutions of higher education;
(ii) to local education agencies; and
(iii) as requested by the commissioner; and
(4) provide information to students with intellectual disabilities and their families.
Subd. 3. Director; advisory committee. (a) The center must name a director.
(b) The center must make hiring decisions based on the Institute on Community Integration's values of diversity and inclusion of staff with disabilities.
(c) The director must appoint an advisory committee and seek the committee's review and recommendations on broad programmatic direction. The advisory committee must be composed of 50 percent students with an intellectual disability. The remaining positions must be filled by family members, key stakeholders, and allies. The director must convene the advisory committee at least quarterly. The advisory committee shall:
(1) review and recommend inclusive higher education offerings;
(2) review and recommend updates to state policy and practice;
(3) document existing and potential funding sources; and
(4) identify obstacles and barriers to students with an intellectual disability to access inclusive higher education opportunities.

Subd. 4. Responsibilities. (a) The center must advise and offer technical assistance to all Minnesota institutions of higher education planning or offering an inclusive higher education initiative to operate in accordance with federal requirements, the model Program Accreditation Standards for Postsecondary Education Programs for Students with Intellectual Disabilities, and guiding principles for inclusive higher education as developed by the National Coordinating Center.

(b) The center must monitor federal and state law related to inclusive higher education and notify the governor, the legislature, and the Office of Higher Education of any change in law which may impact inclusive higher education.

(4) assisting institutions of higher education with identifying existing or potential funding sources for the institution of higher education, student financial aid, and funding for students with an intellectual disability; and

(5) advising faculty and staff with an inclusive higher education option of specific grant applications and funding opportunities.

(d) The center must disseminate information to students with an intellectual disability, their parents, and local education agencies, including but not limited to information about:

(1) postsecondary education options, services, and resources that are available at inclusive institutions of higher education;

(2) technical assistance and training provided by the center, the National Coordinating Center, and key stakeholder organizations and agencies; and

(3) mentoring, networking, and employment opportunities.

Sec. 3. [135A.162] INCLUSIVE HIGHER EDUCATION GRANTS. Subd. 1. Establishment. (a) The commissioner of the Office of Higher Education in collaboration with the director of the Inclusive Higher Education Technical Assistance Center must establish a competitive grant program for Minnesota institutions of higher education to develop new or enhance existing inclusive higher education initiatives to enroll or increase enrollment of students with an intellectual disability. The commissioner and director must collaborate to establish the grant program framework, including:

(1) minimum grant requirements;

(2) application format;

(3) criteria for evaluating applications;

(4) grant selection process;

(5) milestones and accountability; and

(6) reporting.

(b) The commissioner must send a description of the competitive grants, including materials describing the grant purpose and goals, an application, compliance requirements, and available funding to each institution of higher education that meets the requirements of subdivision 2, clauses (1) and (2). Subd. 2. Eligible grantees. A public or nonprofit postsecondary two-year or four-year institution is eligible to apply for a grant under this section if the institution:

(1) is accredited by the Higher Learning Commission; and

(2) meets the eligibility requirements under section 136A.103.
Subd. 3. Application. (a) Applications must be made to the commissioner on a form developed and provided by the commissioner. The commissioner must, to the greatest extent possible, make the application form as short and simple to complete as is reasonably possible.

The commissioner must establish a schedule for applications and grants. The application must include without limitation a written plan to develop or enhance a sustainable inclusive higher education initiative that:

1. offers the necessary supports to students with an intellectual disability to access the same rights, privileges, experiences, benefits, and outcomes of a typically matriculating student;
2. includes the development of a meaningful credential for students with an intellectual disability to attain upon successful completion of the student's postsecondary education;
3. adopts admission standards that do not require a student with an intellectual disability to complete a curriculum-based, achievement college entrance exam that is administered nationwide;
4. ensures that students with an intellectual disability:
   i. have access and choice in a wide array of academic courses to enroll in for credit or audit that align with the student's interest areas and are attended by students without disabilities;
   ii. have the option to live on or off campus in housing that is available to typically matriculating students;
   iii. have access and support for genuine membership in campus life, including events, social activities and organizations, institution facilities, and technology; and
   iv. are able to access and utilize campus resources available to typical matriculating students;
5. provides students with an intellectual disability with the supports and experiences necessary to seek and sustain competitive integrated employment;
6. develops and promotes the self-determination skills of students with an intellectual disability;
7. utilizes peer mentors who support enrolled students with an intellectual disability in academic, campus engagement, residence life, employment, and campus clubs and organizations;
8. provides professional development and resources for university professors and instructors to utilize universal design for learning and differentiated instruction that supports and benefits all students; and

(9) presents a ten-year plan including student enrollment projections for sustainability of an initiative that is financially accessible and equitable for all interested students with an intellectual disability.

(b) Eligible institutions of higher education may apply for funding in subsequent years for up to a total of ten years of funding.

(c) Receipt of grant funds does not preclude nor replace the provision of accommodation for enrolled students with disabilities.

Subd. 4. Grant account. An inclusive higher education grant account is created in the special revenue fund for depositing money appropriated to or received by the commissioner for the program. Money deposited in the account is appropriated to the commissioner, does not cancel, and is continuously available for grants under this section. The commissioner may use up to five percent of the amount deposited into the account for the administration of this section.

Subd. 5. Grant awards. (a) The commissioner must award grants to eligible institutions of higher education on a competitive basis using criteria established in collaboration with the center. The commissioner must consider and prioritize applicants that have submitted for or received a comprehensive transition and postsecondary program designation, or applicants with documented progress or intent toward submitting for federal approval. An eligible institution of higher education may apply annually for and receive up to $200,000 per year for four years and $100,000 in subsequent years pending performance and the funding limitation in subdivision 3, paragraph (b).

(b) A grant recipient must:

(1) adopt the model Program Accreditation Standards for Postsecondary Education Programs for Students with Intellectual Disabilities and the inclusive higher education guiding principles as developed by the National Coordinating Center;

(2) provide a 25 percent match for the grant funds, either monetary or in-kind; and

(3) collaborate with the Office of Higher Education, the center, and key stakeholders in the development of the inclusive higher education initiative.

Subd. 6. Grantee reporting. By August 1 and January 1 following a fiscal year in which a grant was received and for five years thereafter, the grantee must submit a report to the director that includes the status and outcomes of the initiative funded. The report must include performance indicators and information deemed relevant by the director and commissioner. The report must include the following performance indicators:

(1) student recruitment and number of students enrolled;

(2) student retention effort and retention rate;

(3) student retainment effort and retention rate;
(3) initiative goals and outcomes;

(4) student attainment rate;

(5) graduating student employment rates and salary levels at year one and year five after completion; and

(6) additional performance indicators or information established under subdivision 1, paragraph (a), clauses (5) and (6).

Subd. 7. Reporting. The director must evaluate the development and implementation of the Minnesota inclusive higher education initiatives receiving a grant under this section.

The director must submit an annual report by October 1 on the progress to expand Minnesota inclusive higher education options for students with intellectual disabilities to the commissioner and chairs and ranking minority members of the legislative committees with jurisdiction over higher education policy and finance. The report must include statutory and budget recommendations.

EFFECTIVE DATE. This section is effective July 1, 2023, except that the reporting requirements under subdivision 7 are effective July 1, 2024.

Sec. 7. Minnesota Statutes 2022, section 136A.031, subdivision 3, is amended to read:

Subd. 3. Student Advisory Council. (a) A Student Advisory Council (SAC) to the office is established. The members of SAC shall include: the chair of the University of Minnesota student senate; the state chair of the Minnesota State University Student Association; the president of the Minnesota State College Student Association and an officer of the Minnesota State College Student Association; one in a community college course of study and one in a technical college course of study; a student who is enrolled in a nonprofit postsecondary institution; to be elected by students enrolled in Minnesota Private College Council institutions; a student who is enrolled in a private career school; to be elected by students enrolled in Minnesota private career schools; and a student who is enrolled in a Minnesota tribal college to be elected by students enrolled in Minnesota tribal colleges. If students from the private career schools or tribal colleges do not elect a representative, the commissioner must appoint a student representative. A member may be represented by a student designee who attends an institution from the same system that the absent member represents. The SAC shall select one of its members to serve as chair.

(b) The office shall inform the SAC of all matters related to student issues under consideration. The SAC shall report to the office quarterly and at other times that the SAC considers desirable. The SAC shall determine its meeting times, but it shall also meet with the office within 30 days after the commissioner's request for a meeting.

(c) The SAC shall:
Sec. 4. Minnesota Statutes 2022, section 136A.101, subdivision 5a, is amended to read:

Subd. 5a. Assigned family responsibility. "Assigned family responsibility" means the amount of a family's contribution to a student's cost of attendance, as determined by a federal need analysis. For dependent students, the assigned family responsibility is 79 percent of the parental contribution. If the parental contribution is less than $0, the assigned family responsibility is 100 percent of the student contribution. For independent students without dependents other than a spouse, the assigned family responsibility is 71 percent of the student contribution. For independent students with dependents other than a spouse, the assigned family responsibility is 35 percent of the student contribution. If the student contribution is less than $0, the assigned family responsibility is 100 percent of the student contribution.

Subd. 6. For a student registering for less than full time, the office shall prorate the assigned family responsibility using the ratio of the number of credits the student is enrolled in to the number of credits for full-time enrollment.

Sec. 5. Minnesota Statutes 2022, section 136A.101, subdivision 7, is amended to read:

Subd. 7. "Student" means a person who is enrolled for at least three credits per term, in a program or course of study that applies to a degree, diploma, or certificate. Credit equivalencies assigned by an institution that are applicable to federal Pell grant calculations shall be counted as part of a student's credit load.

Sec. 6. Minnesota Statutes 2022, section 136A.121, subdivision 6, is amended to read:

Subd. 6. Cost of attendance. (a) The recognized cost of attendance consists of: (1) an allowance specified in law for living and miscellaneous expenses, and (2) an allowance for tuition and fees equal to the lesser of the average tuition and fees charged by the institution, or a tuition and fee maximum if one is established in law. If no living and miscellaneous expense allowance is established in law, the allowance is equal to $40.19. If no living and miscellaneous expense allowance is established in law, the allowance is equal to $40.19. If no living and miscellaneous expense allowance is established in law, the allowance is equal to $40.19. If no living and miscellaneous expense allowance is established in law, the allowance is equal to $40.19. If no living and miscellaneous expense allowance is established in law, the allowance is equal to $40.19. (b) For a student registering for less than full time, the office shall prorate the cost of attendance to the actual number of credits for which the student is enrolled using the ratio

Sec. 8. Minnesota Statutes 2022, section 136A.101, subdivision 5a, is amended to read:

If no living and miscellaneous expense allowance is established in law, the allowance is equal to $40.19. If no living and miscellaneous expense allowance is established in law, the allowance is equal to $40.19. (b) For a student registering for less than full time, the office shall prorate the cost of attendance to the actual number of credits for which the student is enrolled using the ratio
of the number of credits the student is enrolled in to the number of credits for full-time
enrollment.

(c) The recognized cost of attendance for a student who is confined to a Minnesota
correctional institution shall consist of the tuition and fee component in paragraph (a), with
no allowance for living and miscellaneous expenses.

(d) For the purpose of this subdivision, "fees" include only those fees that are mandatory
and charged to full-time resident students attending the institution. Fees do not include
charges for tools, equipment, computers, or other similar materials where the student retains
ownership. Fees include charges for these materials if the institution retains ownership. Fees
do not include optional or punitive fees.

Sec. 7. Minnesota Statutes 2022, section 136A.121, subdivision 9, is amended to read:

Subd. 9. **Awards.** An undergraduate student who meets the office’s requirements is
eligible to apply for and receive a grant in any year of undergraduate study unless the student
has obtained a baccalaureate degree or previously has been enrolled full time or the equivalent
for eight semesters or the equivalent previously has received a state grant award for 180
credits or the equivalent, excluding (1) courses taken from a Minnesota school or
postsecondary institution which is not participating in the state grant program and from
which a student transferred no credit, and (2) courses taken that qualify as developmental
education or below college-level. A student enrolled in a two-year program at a four-year
institution is only eligible for the tuition and fee maximums established by law for two-year
institutions.

Sec. 8. Minnesota Statutes 2022, section 136A.121, subdivision 13, is amended to read:

Subd. 13. **Deadline.** The deadline for the office to accept applications for state grants
for a term is 30 days after the start of that term June 30 of the fiscal year for which the
student applies for a grant.

Sec. 9. Minnesota Statutes 2022, section 136A.1241, subdivision 5, is amended to read:

Subd. 5. **Foster grant amount; payment; opt-out.** (a) Each student shall be awarded
a foster grant based on the federal need analysis. Applicants are encouraged to apply for all
of the number of credits the student is enrolled in to the number of credits for full-time
enrollment.

(c) The recognized cost of attendance for a student who is confined to a Minnesota
correctional institution shall consist of the tuition and fee component in paragraph (a), with
no allowance for living and miscellaneous expenses.

(d) For the purpose of this subdivision, "fees" include only those fees that are mandatory
and charged to full-time resident students attending the institution. Fees do not include
charges for tools, equipment, computers, or other similar materials where the student retains
ownership. Fees include charges for these materials if the institution retains ownership. Fees
do not include optional or punitive fees.

Sec. 11. Minnesota Statutes 2022, section 136A.121, subdivision 9, is amended to read:

Subd. 9. **Awards.** An undergraduate student who meets the office’s requirements is
eligible to apply for and receive a grant in any year of undergraduate study unless the student
has obtained a baccalaureate degree or previously has been enrolled full time or the equivalent
for eight semesters or the equivalent previously has received a state grant award for 180
credits or the equivalent, excluding (1) courses taken from a Minnesota school or
postsecondary institution which is not participating in the state grant program and from
which a student transferred no credit, and (2) courses taken that qualify as developmental

Subd. 13. **Deadline.** The deadline for the office to accept applications for state grants
for a term is 30 days after the start of that term June 30 of the fiscal year for which the
student applies for a grant.

Sec. 13. Minnesota Statutes 2022, section 136A.121, subdivision 19, is amended to read:

Subd. 19. **Reporting.** By November 1 and February 15, the office must provide, to the
committees of the legislature with jurisdiction over higher education finance and policy,
updated state grant spending projections for the state grant and the Minnesota Commitment
to Higher Education Act; taking into account the most current and projected enrollment and
tuition and fee information, economic conditions, and other relevant factors. Before
submitting state grant spending projections, the office must meet and consult with
representatives of public and private postsecondary institutions, the Department of
Management and Budget, the Governor’s Office, legislative staff, and financial aid
administrators.

Sec. 14. Minnesota Statutes 2022, section 136A.1241, subdivision 5, is amended to read:

Subd. 5. **Foster grant amount; payment; opt-out.** (a) Each student shall be awarded
a foster grant based on the federal need analysis. Applicants are encouraged to apply for all
other sources of financial aid. The amount of the foster grant must be equal to the applicant's recognized cost of attendance after deducting accounting for:

(1) the student aid index as calculated by results of the federal need analysis;
(2) the amount of a federal Pell Grant award for which the applicant is eligible;
(3) the amount of the state grant;
(4) the Federal Supplemental Educational Opportunity Grant;
(5) the sum of all Tribal scholarships;
(6) the amount of any other state and federal gift aid;
(7) the Education and Training Voucher Program;
(8) extended foster care benefits under section 260C.451;
(9) the amount of any private grants or scholarships, excluding grants and scholarships provided by the private institution of higher education in which the eligible student is enrolled; and
(10) for public institutions, the sum of all institutional grants, scholarships, tuition waivers, and tuition remission amounts.

(b) The foster grant shall be paid directly to the eligible institution where the student is enrolled.

c) An eligible private institution may opt out of participating in the foster grant program established under this section. To opt out, the institution shall provide notice to the office by September 1 for the next academic year.

d) An eligible private institution that does not opt out under paragraph (c) and accepts the student's application to attend the institution must provide institutional grants, scholarships, tuition waivers, or tuition remission in an amount equal to the difference between:

(1) the institution's cost of attendance as calculated under subdivision 4, paragraph (b), clause (1); and
(2) the sum of the foster grant under this subdivision and the sum of the amounts in paragraph (a), clauses (1) to (9).

e) An undergraduate student who is eligible may apply for and receive a foster grant in any year of undergraduate study unless the student has obtained a baccalaureate degree or previously has been enrolled full time as defined in section 136A.101, subdivision 7a, or the equivalent for eight semesters or the equivalent, or received a foster grant for five years, whichever occurs first. A foster grant must not be awarded to a student for more than

other sources of financial aid. The amount of the foster grant must be equal to the applicant's recognized cost of attendance after deducting accounting for:

(1) the student aid index as calculated by results of the federal need analysis;
(2) the amount of a federal Pell Grant award for which the applicant is eligible;
(3) the amount of the state grant;
(4) the Federal Supplemental Educational Opportunity Grant;
(5) the sum of all Tribal scholarships;
(6) the amount of any other state and federal gift aid;
(7) the Education and Training Voucher Program;
(8) extended foster care benefits under section 260C.451;
(9) the amount of any private grants or scholarships, excluding grants and scholarships provided by the private institution of higher education in which the eligible student is enrolled; and
(10) for public institutions, the sum of all institutional grants, scholarships, tuition waivers, and tuition remission amounts.

(b) The foster grant shall be paid directly to the eligible institution where the student is enrolled.

c) An eligible private institution may opt out of participating in the foster grant program established under this section. To opt out, the institution shall provide notice to the office by September 1 for the next academic year.

d) An eligible private institution that does not opt out under paragraph (c) and accepts the student's application to attend the institution must provide institutional grants, scholarships, tuition waivers, or tuition remission in an amount equal to the difference between:

(1) the institution's cost of attendance as calculated under subdivision 4, paragraph (b), clause (1); and
(2) the sum of the foster grant under this subdivision and the sum of the amounts in paragraph (a), clauses (1) to (9).

e) An undergraduate student who is eligible may apply for and receive a foster grant in any year of undergraduate study unless the student has obtained a baccalaureate degree or previously has been enrolled full time as defined in section 136A.101, subdivision 7a, or the equivalent for eight semesters or the equivalent, or received a foster grant for five years, whichever occurs first. A foster grant must not be awarded to a student for more than
three years for a two-year degree, certificate, or diploma, or five years for a four-year undergraduate degree.

(f) Foster grants may be awarded to an eligible student for four quarters, three semesters, or the equivalent during the course of a single fiscal year. In calculating the award amount, the office must use the same calculation it would for any other term.

Sec. 10. Minnesota Statutes 2022, section 136A.125, subdivision 4, is amended to read:

Subd. 4. Amount and length of grants. (a) The maximum award to the applicant shall be $6,500 for each eligible child per academic year, except that the campus financial aid officer may apply to the office for approval to increase grants by up to ten percent to compensate for higher market charges for infant care in a community.

(b) Applicants with expected family contributions at or below the qualifying expected family contribution as determined by the federal need analysis for the federal Pell Grant, as determined by the commissioner, qualify for the maximum award. Applicants with expected family contributions exceeding that threshold but less than 200 percent of the qualifying expected family contribution receive an amount proportional to their expected family contribution as determined by the commissioner.

(c) The academic year award amount must be disbursed by academic term using the following formula:

(i) 1.00 for undergraduate students enrolled in 12 or more semester credits or the equivalent or for graduate students enrolled in six or more semester credits or the equivalent;

(ii) 0.75 for undergraduate students enrolled in nine, ten, or 11 semester credits or the equivalent or for graduate students enrolled in five semester credits or the equivalent;

(iii) 0.50 for undergraduate students enrolled in six, seven, or eight semester credits or the equivalent or for graduate students enrolled in three or four semester credits or the equivalent;

(iv) 0.25 for undergraduate students enrolled in at least one but less than six semester credits or the equivalent or for graduate students enrolled in one or two semester credits or the equivalent.

(d) Payments shall be made each academic term to the student or to the child care provider, as determined by the institution. Institutions may make payments more than once within the academic term.
Sec. 11. [136A.1251] STUDENT-PARENT SUPPORT INITIATIVE.

Subdivision 1. Grants. (a) To address the needs and support the educational goals of expectant and parenting college students across Minnesota, the commissioner shall award grants and provide support services to institutions and partnering entities that assist expectant parents and parents of young children. Grants shall be awarded to postsecondary institutions, professional organizations, community-based organizations, or other applicants deemed appropriate by the commissioner. Grants must be used to offer services to support the academic goals, health, and well-being of student parents. Services and costs eligible for grant funding include but are not limited to:

1. Program development costs;
2. Costs related to the start-up of on-campus child care;
3. Evaluation and data collection; and
4. Direct assistance to student parents including:
   i. Scholarships;
   ii. Basic needs support; and
   iii. Expenses related to child care.

(b) Postsecondary institutions may act as the fiscal agents in partnership with a local nongovernmental agency, child care center, or other organization that serves student parents.

Subd. 2. Application process. The commissioner shall develop a grant application process. The commissioner shall support projects in a manner that attempts to ensure eligible students throughout the state have access to program services.

Subd. 3. Health-related supports. The commissioner, in partnership with the Department of Health, shall provide health-related supports. Activities for health-related supports include:

1. Ensuring programs, services, and materials are medically accurate, age appropriate, culturally and linguistically appropriate, and inclusive of all populations;
2. Working with community health care providers and other service support organizations that serve the target population for this program; and
3. Providing technical assistance and training for institutional parent support center staff on how to conduct screenings and referrals for the health concerns of student parents, including alcohol misuse, substance use disorders, depression, anxiety, intimate partner violence, tobacco and nicotine, and other health concerns.

Subd. 4. Report and evaluation. By August 1 of each odd-numbered year, the commissioner shall submit a report to the chairs and ranking minority members of the legislative committees with jurisdiction over higher education finance regarding the grant.
recipients and their activities. The report shall include information about the students served, the organizations providing services, program activities, program goals, and outcomes.

Sec. 12. Minnesota Statutes 2022, section 136A.126, subdivision 4, is amended to read:

Subd. 4. Award amount. (a) Each student shall be awarded a scholarship based on the federal need analysis. Applicants are encouraged to apply for all other sources of financial aid. The amount of the award must not exceed the applicant's cost of attendance, as defined in subdivision 3, after deducting accounting for:

(1) the expected family contribution as calculated by results of the federal need analysis;
(2) the amount of a federal Pell Grant award for which the applicant is eligible;
(3) the amount of the state grant;
(4) the federal Supplemental Educational Opportunity Grant;
(5) the sum of all institutional grants, scholarships, tuition waivers, and tuition remission amounts;
(6) the sum of all Tribal scholarships;
(7) the amount of any other state and federal gift aid; and
(8) the amount of any private grants or scholarships.

(b) The award shall be paid directly to the postsecondary institution where the student receives federal financial aid.

(c) Awards are limited as follows:

(1) the maximum award for an undergraduate is $4,000 per academic year;
(2) the maximum award for a graduate student is $6,000 per academic year; and
(3) the minimum award for all students is $100 per academic year.

(d) Scholarships may not be given to any Indian student for more than three years of study for a two-year degree, certificate, or diploma program or five years of study for a four-year degree program at the undergraduate level and for more than five years at the graduate level. Students may acquire only one degree per level and one terminal graduate degree. Scholarships may not be given to any student for more than ten years including five years of undergraduate study and five years of graduate study.

(e) Scholarships may be given to an eligible student for four quarters, three semesters, or the equivalent during the course of a single fiscal year. In calculating the award amount, the office must use the same calculation it would for any other term.
Sec. 18. Minnesota Statutes 2022, section 136A.1312, is amended to read:

136A.1312 FINANCIAL AID ADMINISTRATOR, PROFESSIONAL JUDGMENT.

Nothing in this chapter or in the office's rules shall be interpreted as limiting the ability of student financial aid administrators, on the basis of adequate documentation, to make necessary adjustments to the cost of attendance and expected family contribution computations adjust a student's dependency status or elements of a student's cost of attendance for federal needs analysis calculation to allow for treatment of individual students with special circumstances, with the exception of the cost of attendance defined under section 136A.121, subdivision 6. In addition, nothing in this chapter or in the office's rules shall be interpreted as limiting the ability of the student financial aid administrator to use supplementary information about the financial status of eligible applicants with special circumstances in selecting recipients of state financial aid and determining the amount of awards. Nothing in this section precludes a financial aid administrator from establishing an appeals process for other extenuating circumstances.

Sec. 19. [136A.1465] MINNESOTA COMMITMENT TO HIGHER EDUCATION ACT.

Subd. 1. Definitions. The following terms have the meanings given:

(1) "eligible student" means a resident student under section 136A.101, subdivision 8, who is enrolled in any public postsecondary educational institution or Tribal college;

(2) "gift aid" means all financial aid designated for the student's educational expenses, including a grant, scholarship, tuition waiver, fellowship stipend, or other third-party payment, that is not a loan or pursuant to a work-study program;

(3) "office" means the Office of Higher Education;

(4) "public postsecondary educational institution" means an institution operated by this state, the Board of Regents of the University of Minnesota, or a Tribal college;

(5) "scholarship" means funds to pay 100 percent of tuition and fees remaining after deducting grants and other scholarships;

(6) "Tribal college" means a college defined in section 136A.1796, subdivision 1, paragraph (c); and

(7) "tuition and fees" means the actual tuition and fees charged by an institution,

Subd. 2. Conditions for eligibility. A scholarship may be awarded to an eligible student who:

(1) has completed the Free Application for Federal Student Aid (FAFSA) or the state aid application.
(2) has an adjusted gross household income below $80,000;
(3) has not earned a baccalaureate degree at the time the scholarship is awarded;
(4) is enrolled in at least one credit per fall, spring, or summer semester; and
(5) is meeting satisfactory academic progress as defined in section 136A.101, subdivision 10;

Subd. 3. Scholarship. (a) Beginning in the 2024-2025 academic year, scholarships shall
be awarded to eligible students in an amount not to exceed 100 percent of tuition and fees
after grants and other scholarships are deducted.

(b) For the 2024-2025, 2025-2026, and 2026-2027 academic years, if funds remain after
scholarships are awarded under paragraph (a), grants shall be awarded to Pell grant eligible
students in an amount equal to 100 percent of tuition and fees plus 50 percent of the student's
Pell grant after other grants and scholarships are deducted. The commissioner may adjust
the grant amount based on the availability of funds.

Subd. 3a. Maintain current levels of institutional assistance. (a) Commencing with
the 2024-2025 academic year, a public postsecondary educational institution shall not reduce
the institutional gift aid offered or awarded to a student who is eligible to receive funds
under this program unless the student's gift aid exceeds the student's annual cost of
attendance.

(b) The public postsecondary educational institution may reduce the institutional gift
aid offer of a student who is eligible to receive funds under this program by no more than
the amount of the student's gift aid that is in excess of the student's annual cost of attendance.

(c) The public postsecondary educational institution shall not consider receipt or
anticipated receipt of funds under this program when considering a student for qualification
for institutional gift aid.

(d) To ensure financial aid is maximized, a public postsecondary educational institution
is encouraged to implement efforts to avoid scholarship displacement through consultation
with the Office of Higher Education and students to avoid situations where institutional gift
aid can only be used for specific purposes.

Subd. 4. Duration of scholarship authorized; scholarship paid to institution. (a) Each scholarship is for a period of one semester. A scholarship may be renewed provided
that the eligible student continues to meet the conditions of eligibility.

(b) Scholarships may be provided to an eligible student for up to 60 credits for the
completion of a certificate or an associate degree and up to 120 credits for the completion
of a bachelor's degree. The maximum credits for which a student is eligible is a total of 120
credits.
(c) The commissioner shall determine a time frame by which the eligible student must complete the credential.

(d) The scholarship must be paid directly to the eligible institution where the student is enrolled.

Subd. 5. Termination of scholarship authorized. A scholarship is terminated upon occurrence of:

(1) failure to meet satisfactory academic progress as defined in section 136A.101, subdivision 10; or

(2) substantial noncompliance by the eligible student with the requirements of the program.

Subd. 5a. Institutions administering certain financial aid programs. Public postsecondary institutions and Tribal colleges administering institutional financial aid programs for students with an adjusted gross household income below $80,000 that provide student awards for up to or more than 100 percent of tuition, 100 percent of tuition and fees, or 100 percent of the cost of attendance, shall provide the Office of Higher Education with student level data on the recipients of those awards and the program funds awarded per term. The information under this subdivision is necessary for the office to accurately complete reporting requirements under Minnesota Statutes, section 136A.121, subdivision 19.

Subd. 6. Account established; appropriation. An account is created in the special revenue fund for receiving money to provide scholarship awards. Money deposited in the account is appropriated to the commissioner of the Office of Higher Education for scholarship awards.

Subd. 7. Office administration. The office is authorized to administer the program. If funds are insufficient, the office shall determine the scholarship amount or number of scholarships awarded. If a student withdraws or is no longer enrolled during a semester in which a scholarship was awarded, the office may determine how this will affect the scholarship.

Subd. 8. Report. The commissioner of higher education shall submit a preliminary report by September 1, 2025, and an annual report beginning February 15, 2026, to the chairs and ranking minority members of the legislative committees with jurisdiction over higher education, on the details of the program, including the:

(1) status of the scholarship fund; and

(2) Minnesota Commitment to Higher Education Act participation data aggregated for each eligible institution to show the:

(i) number of eligible students who received scholarships in the prior academic year;

(ii) number of eligible students who received scholarships in the current academic year.;
(i) average and total award amounts;
(ii) summary demographic data on award recipients;
(iii) total number of students enrolled in eligible institutions in the prior academic year;
(iv) retention rates of participating students; and
(v) number of eligible students who graduated with a degree and, for each eligible student, the number of consecutive semesters and nonconsecutive semesters attended prior to graduation.

**EFFECTIVE DATE.** This section is effective July 1, 2024.

Sec. 20. Minnesota Statutes 2022, section 136A.1791, subdivision 3a, is amended to read:

Subd. 3a. **Eligibility.** To be eligible for a disbursement under this section, a teacher must belong to a racial or ethnic group underrepresented in the Minnesota teacher workforce, or teach in a rural school district, or teach in a license shortage area.

To the extent that funds are available, eligibility extends to teachers who teach in a rural school district, or teach in a license shortage area.

Sec. 21. Minnesota Statutes 2022, section 136A.246, subdivision 5, is amended to read:

Subd. 5. **Grant criteria.** (a) The commissioner shall make at least an approximately equal dollar amount of grants for training for employees whose work site is projected to be
outside the metropolitan area as defined in section 473.121, subdivision 2, as for employees
whose work site is projected to be within the metropolitan area.

(b) In determining the award of grants, the commissioner must consider, among other
factors:

(1) the aggregate state and regional need for employees with the competency to be
trained;

(2) the competency standards developed by the commissioner of labor and industry as
part of the Minnesota PIPELINE Project dual-training pipeline program;

(3) the per employee cost of training;

(4) the additional employment opportunities for employees because of the training;

(5) the on-the-job training the employee receives;

(6) the employer's demonstrated ability to recruit, train, and retain employees who are
recent high school graduates or who recently passed high school equivalency tests;

(7) projected increases in compensation for employees receiving the training; and

(8) the amount of employer training cost match, if required, on both a per employee and
aggregate basis, and

(9) the employer's demonstrated ability to recruit, train, and retain employees who are
employees of color, American Indian employees, and employees with disabilities.

Sec. 17. Minnesota Statutes 2022, section 136A.246, subdivision 6, is amended to read:

Subd. 6. Employer match. A large employer must pay for at least 25 percent of the
eligible training provider's charge for the eligible training to the provider
per employee. A grant may not exceed $6,000 per year for a maximum of
four years.

For the purpose of this subdivision, a "large employer" means a business with more than
$25,000,000 in annual gross revenue in the previous calendar year.

Sec. 18. Minnesota Statutes 2022, section 136A.246, subdivision 8, is amended to read:

Subd. 8. Grant amounts. (a) The maximum grant for an application for the cost of
training is $150,000. The maximum grant for an application for trainee support is ten percent
of the grant amount for the cost of training. The maximum total grant per application is
$24,000. A grant may not exceed $6,000 per year for a maximum of four years.

(b) An employee who is attending an eligible training provider that is an institution under
section 136A.103 must apply for Pell and state grants as a condition of payment for training
that employee under this section.

outside the metropolitan area as defined in section 473.121, subdivision 2, as for employees
whose work site is projected to be within the metropolitan area.

(b) In determining the award of grants, the commissioner must consider, among other
factors:

(1) the aggregate state and regional need for employees with the competency to be
trained;

(2) the competency standards developed by the commissioner of labor and industry as
part of the Minnesota PIPELINE Project dual-training pipeline program;

(3) the per employee cost of training;

(4) the additional employment opportunities for employees because of the training;

(5) the on-the-job training the employee receives;

(6) the employer's demonstrated ability to recruit, train, and retain employees who are
recent high school graduates or who recently passed high school equivalency tests;

(7) projected increases in compensation for employees receiving the training; and

(8) the amount of employer training cost match, if required, on both a per employee and
aggregate basis, and

(9) the employer's demonstrated ability to recruit, train, and retain employees who are
employees of color, American Indian employees, and employees with disabilities.

Sec. 22. Minnesota Statutes 2022, section 136A.246, subdivision 6, is amended to read:

Subd. 6. Employer match. A large employer must pay for at least 25 percent of the
eligible training provider's charge for the eligible training to the provider
per employee. A grant may not exceed $6,000 per year for a maximum of
four years.

For the purpose of this subdivision, a "large employer" means a business with more than
$25,000,000 in annual gross revenue in the previous calendar year.

Sec. 23. Minnesota Statutes 2022, section 136A.246, subdivision 8, is amended to read:

Subd. 8. Grant amounts. (a) The maximum grant for an application for the cost of
training is $150,000. The maximum grant for an application for trainee support is ten percent
of the grant amount for the cost of training. The maximum total grant per application is
$24,000. A grant may not exceed $6,000 per year for a maximum of four years.

(b) An employee who is attending an eligible training provider that is an institution under
section 136A.103 must apply for Pell and state grants as a condition of payment for training
that employee under this section.
Sec. 20. **MINNESOTA STATUTES 2022, SECTION 136F.04, SUBDIVISION 1, IS AMENDED TO READ:**

Subdivision 1. **Responsibility.** Notwithstanding section 136F.02, the State University Student Association and the State College Student Association shall each have the responsibility for recruiting, screening, and recommending qualified candidates for their student members of the board.

Subdivision 2. **Implementation.** The program shall establish and, to the extent feasible, implement a process for leveraging existing kindergarten through grade 12 and higher education student information systems to automate the admissions process for students. The program must specifically evaluate the impact this process has on outcomes for students with lower levels of college knowledge, low-income students, and students from populations underserved in higher education. The office shall attempt to achieve statewide representation and may prioritize program participants to include high schools with a significant number of students of color, low-income students, or both.

Sec. 21. **MINNESOTA STATUTES 2022, SECTION 136F.38, SUBDIVISION 3, IS AMENDED TO READ:**

Subdivision 3. **Program eligibility.** (a) Scholarships shall be awarded only to a student eligible for resident tuition, as defined in section 135A.043, who is enrolled in any of the following programs of study or certification: (1) advanced manufacturing; (2) agriculture; (3) health care services; (4) information technology; (5) early childhood; (6) transportation; ☑️ (7) construction; (8) education; (9) public safety; or ☑️ (10) a program of study under paragraph (b).

Sec. 22. **MINNESOTA STATUTES 2022, SECTION 136F.38, SUBDIVISION 3, IS AMENDED TO READ:**

Subdivision 3. **Program eligibility.** (a) Scholarships shall be awarded only to a student eligible for resident tuition, as defined in section 135A.043, who is enrolled in any of the following programs of study or certification: (1) advanced manufacturing; (2) agriculture; (3) health care services; (4) information technology; (5) early childhood; (6) transportation; ☑️ (7) construction; (8) education; (9) public safety; or ☑️ (10) a program of study under paragraph (b).
Each institution may add one additional area of study or certification, based on a workforce shortage for full-time employment requiring postsecondary education that is unique to the institution's specific region, as reported in the most recent Department of Employment and Economic Development job vacancy survey data for the economic development region in which the institution is located. A workforce shortage area is one in which the job vacancy rate for full-time employment in a specific occupation in a region is higher than the state average vacancy rate for that same occupation. The institution may change the area of study or certification based on new data once every two years.

The student must be enrolled for at least nine credits in a two-year college in the Minnesota State Colleges and Universities system to be eligible for first- and second-year scholarships. A student enrolled in an eligible field may receive scholarships of up to $2,500.

The student is eligible for a one-year transfer scholarship if the student transfers from a two-year college after two or more terms, and the student is enrolled for at least nine credits in a four-year university in the Minnesota State Colleges and Universities system.

A student in an eligible field enrolled for at least nine credits in a four-year university in the Minnesota State Colleges and Universities system is eligible for first-year and second-year scholarships of $5,500.

A student in an eligible field enrolled in a select short-term credit and noncredit certificate program may receive scholarships of up to $1,500 or the full cost of instruction and credit for prior learning fees, whichever is less.

A student who has received a scholarship may apply again but total lifetime awards are not to exceed $7,500 per student. Students may only be awarded a second scholarship upon completion of two academic terms. Students may be awarded a third scholarship if the student transfers to a corresponding program at a Minnesota state university.

The commissioner of labor and industry shall convene industry representatives, identify occupational competency standards, and provide technical guidance for implementing this program.

The board shall give preference to students in financial need.

Up to 1.5 percent of funds appropriated for this program may be used for the administration of this program, including outreach to students and promotion of programs where graduates and certificate holders are currently most needed.
assistance to develop dual-training programs. The competency standards shall be identified for employment in occupations in advanced manufacturing, health care services, information technology, agriculture, transportation, and child care. Competency standards are not rules and are exempt from the rulemaking provisions of chapter 14, and the provisions in section 14.386 concerning exempt rules do not apply.

Sec. 25. [268.193] POSTSECONDARY UNEMPLOYMENT INSURANCE AID.

Subdivision 1. Postsecondary institutions. For the purposes of this section, "eligible postsecondary institution" means:

1. the University of Minnesota;
2. a postsecondary institution governed by the Board of Trustees of the Minnesota State Colleges and Universities; or
3. a Tribal college, which includes Leech Lake Tribal College, White Earth Tribal College, or Red Lake Nation Tribal College.

Subd. 2. Unemployment insurance aid. Eligible postsecondary institutions are eligible to receive unemployment insurance aid under this section. For each fiscal year, an eligible entity's aid is the difference between fiscal year 2022's unemployment insurance costs and the current year's unemployment insurance costs, as reflected in the unemployment insurance employer accounts maintained by the state. If the total eligible unemployment insurance aid for a fiscal year is greater than the annual appropriation for that year, the Board of Trustees of the Minnesota State Colleges and Universities or the commissioner of the Office of Higher Education, as applicable, must proportionately reduce the aid payment to each eligible entity.

EFFECTIVE DATE. This section is effective for aid beginning in fiscal year 2024.

Sec. 26. Minnesota Statutes 2022, section 354B.23, subdivision 3, is amended to read: Subd. 3. Employer contribution rate. The employer contribution rate on behalf of participants in the individual retirement account plan is 8.75 percent of salary.

Sec. 27. Minnesota Statutes 2022, section 354B.23, subdivision 3, is amended to read: Subd. 3. Employer contribution rate. The employer contribution rate on behalf of participants in the individual retirement account plan is the following percentage of salary:

Sec. 27. PARAMEDIC SCHOLARSHIP PROGRAM.

Subdivision 1. Establishment. The commissioner of the Office of Higher Education shall establish a program to provide up to 600 scholarships to students entering paramedic programs by 2026.

Subd. 2. Eligible students. (a) To be eligible for a scholarship under this section, a student must:

1. apply in the form and manner specified by the commissioner;
2. be a resident student, as defined by Minnesota Statutes, section 136A.101, subdivision 8;
3. attend an eligible institution, as defined by Minnesota Statutes, section 136A.101, subdivision 4;
4. be enrolled in a nationally accredited, degree- or diploma-awarding paramedic program at that institution; and
5. submit to the commissioner a completed affidavit, prescribed by the commissioner, affirming the student’s intent to work as a paramedic in Minnesota after graduation.

(b) An eligible student may receive a scholarship under this section no more than two times.

Subd. 3. Administration; award amount. (a) The commissioner must establish an application process and other guidelines for implementing the paramedic scholarship program. The first set of scholarships must be awarded for the 2024-2025 academic year.

(b) The amount of a scholarship awarded under this section is $5,000. The scholarship must be paid in a lump sum directly to the institution where the recipient is enrolled.

Subd. 4. Reporting. By February 1, 2025, and again by February 1, 2026, the commissioner must submit a report on the program to the chairs and ranking minority members of the legislative committees with jurisdiction over higher education finance and policy. The report must include the following information and any other information the commissioner considers relevant.
Subd. 1. Establishment. The commissioner of the Office of Higher Education shall establish a program to provide up to 1,000 scholarships to students entering specified health technician programs by 2026.

Subd. 2. Eligible students. (a) To be eligible for a scholarship under this section, a student must:

(1) apply in the form and manner specified by the commissioner;

(2) be a resident student, as defined by Minnesota Statutes, section 136A.101, subdivision 8;

(3) attend an eligible institution, as defined by Minnesota Statutes, section 136A.101, subdivision 4;

(4) be enrolled in the student’s first term in a nationally accredited degree, diploma, or certificate program in one of the following health technician fields:

(i) medical laboratory technologist;

(ii) medical laboratory technician;

(iii) respiratory therapist;

(iv) radiology technologist; or

(v) surgical technologist; and

(5) submit to the commissioner a completed affidavit, prescribed by the commissioner, affirming the student's intent to work in Minnesota in the specified health technician field following graduation.

Subd. 5. Expiration. This section expires June 30, 2026.
(b) A student may receive a scholarship under this section only once.

Subd. 3. Administration; award amount. (a) The commissioner must establish an application process and other guidelines for implementing this program. The first set of scholarships must be awarded for the 2024-2025 academic year.

(b) The amount of a scholarship awarded under this section is $5,000. The scholarship shall be paid in a lump sum directly to the institution where the recipient is enrolled.

Subd. 4. Reporting. By February 1, 2025, and again by February 1, 2026, the commissioner must submit a report to the chairs and ranking minority members of the legislative committees with jurisdiction over higher education finance and policy. The report must include the following information as well as any other information the commissioner considers relevant:

1. Information about all postsecondary health technician programs giving rise to eligibility for a scholarship under this section, including the programs' locations, costs, enrollment capacities, acceptance rates, and other relevant information;

2. Available data on the current and forecasted demand for health technicians in Minnesota; and

3. The total number of scholarships issued broken out by:
   (i) Year of award;
   (ii) Postsecondary institution attended;
   (iii) Health technician field; and
   (iv) Relevant and available demographic data about award recipients;

Subd. 5. Expiration. This section expires June 30, 2026.

Sec. 29. UNEMPLOYMENT INSURANCE AID REPORTS.

By January 15 of each year, the Board of Regents of the University of Minnesota; the Board of Trustees of the Minnesota State Colleges and Universities, and the Office of Higher Education, in consultation with the Department of Employment and Economic Development, must each report to the higher education committees of the legislature the balances in unemployment insurance aid accounts and information about the annual changes in reimbursable costs for higher education workers receiving unemployment insurance benefits, to the extent possible; the report must break out the costs by campus and major job classes. The report must be filed according to Minnesota Statutes, section 3.195.

Sec. 30. HIGHER EDUCATION BONDING POLICY.

It is the policy of the legislature that:
an appropriation from the bond proceeds fund to either the Board of Regents of the University of Minnesota or the Board of Trustees of the Minnesota State Colleges and Universities shall fund the full cost of projects benefiting institutions within those public postsecondary systems; and

(2) neither the Board of Regents of the University of Minnesota nor the Board of Trustees of the Minnesota State Colleges and Universities shall be obligated to pay debt service on the principal amount of state general obligation bonds sold to finance projects benefiting institutions within those public postsecondary systems;

EFFECTIVE DATE. This section is effective January 1, 2024, and applies to appropriations of bond proceeds on or after that date.

Sec. 31. REPEALER.

Minnesota Statutes 2022, sections 136F.03; and 136F.38, subdivision 2, are repealed.

Sec. 28. POSTSECONDARY STUDENT BASIC NEEDS WORKING GROUP; REPORT;

Subdivision 1. Direction. By September 1, 2023, the commissioner of the Office of Higher Education shall convene a working group on postsecondary student basic needs. The commissioner shall invite representatives from Minnesota State Colleges and Universities, the University of Minnesota, nonprofit private colleges, Tribal colleges and universities, student organizations, faculty and staff bargaining units, state agencies, and other interested parties as determined by the commissioner to participate in the working group.

Subd. 2. Duties. The working group must review, assess, and make specific recommendations on strategies to meet the basic needs of higher education students. The report must include a comprehensive plan on how to identify, assess, and support students who are experiencing housing and food insecurity. The report may also include proposals for substantive and technical amendments to Minnesota Statutes, chapters 135A to 137, and any other laws that relate to higher education. The working group may also make specific recommendations with regard to policy changes for the Office of Higher Education and postsecondary institutions.

Subd. 3. Report to legislature. The commissioner of higher education shall submit a report detailing the working group's findings and recommendations to the chairs and ranking minority members of the legislative committees having jurisdiction over higher education policy and finance by September 1, 2024.
Sec. 29. REPORT ON MINNESOTA STATE COLLEGES AND UNIVERSITIES

COURSE PLACEMENT PRACTICES.

Subdivision 1. Review. (a) The Office of Higher Education shall document, review, and analyze college admission and course placement policies, practices, and assessments used by the Minnesota State Colleges and Universities system. The review shall seek to determine if policies, practices, and assessments used have:

1. adverse consequences for a student and their family, including burdensome economic and related costs of delaying their degree plans;
2. hindered the participation of students;
3. hindered the placement, retention, or timely college graduation of students; and
4. excluded students from admission thereby hindering their full participation in higher education.

(b) The review must consider impacts for various student communities, including but not limited to Indigenous students, English as a second language (ESL) students, and students of color.

Subd. 2. Determination. Utilizing the review conducted under subdivision 1, the commissioner shall determine whether:

1. students, including Indigenous students, ESL students, and students of color, are:
   (i) denied admission;
   (ii) disproportionately assigned to enroll in developmental courses; or
   (iii) delayed or deterred in their educational progress; and
2. policies, practices, and instruments:
   (i) are disproportionately reliant on test scores;
   (ii) impose barriers for students in terms of enrollment, retention, and completion; and
   (iii) may be culturally biased.

Subd. 3. Recommendation. The commissioner shall recommend changes based on the information obtained in subdivisions 1 and 2 to existing measures, instruments, and placement practices. By February 1, 2024, the commissioner shall provide a preliminary report and by February 1, 2025, report the recommendations and findings to the chairs and ranking minority members of the legislative committees with jurisdiction over higher education.

The commissioner shall seek external advice and expertise to address the above reviews, determinations, findings, and recommendations.
