### Section 1. AGRICULTURE APPROPRIATIONS

The sums shown in the columns marked "Appropriations" are appropriated to the agencies and for the purposes specified in this article. The appropriations are from the general fund, or another named fund, and are available for the fiscal years indicated for each purpose. The figures "2024" and "2025" used in this article mean that the appropriations listed under them are available for the fiscal year ending June 30, 2024, or June 30, 2025, respectively. "The first year" is fiscal year 2024. "The second year" is fiscal year 2025. "The biennium" is fiscal years 2024 and 2025.

2.17 General $24,400,000 $23,350,000
2.18 Remediation 399,000 399,000
2.19 (a) $399,000 the first year and $399,000 the second year are from the remediation fund for administrative funding for the voluntary cleanup program.
2.20 (b) $1,000,000 the first year and $1,000,000 the second year are for the soil health financial assistance program under Minnesota Statutes section 17.134. The commissioner may award no more than $50,000 of the appropriation each year to a single recipient. This is a onetime appropriation. Any unencumbered balance does not cancel at the end of the first year and is available in the second year.
2.21 Appropriations encumbered under contract on or before June 30, 2025, for soil health financial assistance grants are available until June 30, 2027.
2.22 General $29,666,000 $17,610,000
2.23 Remediation 399,000 399,000
2.24 (a) $399,000 the first year and $399,000 the second year are from the remediation fund for administrative funding for the voluntary cleanup program.
2.25 (b) $250,000 the first year and $250,000 the second year are for the soil health financial assistance program. The commissioner may use up to 6.5 percent of this appropriation for costs incurred to administer the program. This is a onetime appropriation. Any unencumbered balance does not cancel at the end of the first year and is available in the second year.
2.26 Appropriations encumbered under contract on or before June 30, 2025, for soil health financial assistance grants are available until June 30, 2027.
2.27 (c) $2,500,000 the first year is for transfer to the pollinator research account established under Minnesota Statutes, section 18B.051. (d) $400,000 the first year and $400,000 the second year are for transfer to the noxious weed and invasive plant species assistance account established under Minnesota Statutes, section 18.89, to award grants to local units of government and Tribal Nations under Minnesota Statutes, section 18.90. The base for this appropriation is $225,000 for fiscal year 2026 and thereafter.
2.28 (e) $175,000 the first year and $175,000 the second year are for compensation for destroyed or crippled livestock under Minnesota Statutes, section 3.737. The first year appropriation may be spent to compensate for livestock that were destroyed or crippled during fiscal year 2023. If the amount in the first year is insufficient, the amount in the second year is available in the first year. The
2.29 (f) $215,000 the first year and $215,000 the second year are for compensation for destroyed or crippled livestock under Minnesota Statutes, section 3.737. The first year appropriation may be spent to compensate for livestock that were destroyed or crippled during fiscal year 2023. If the amount in the first year is insufficient, the amount in the second year is available in the first year. The
2.30 (g) $175,000 the first year and $175,000 the second year are for compensation for destroyed or crippled livestock under Minnesota Statutes, section 3.737. The first year appropriation may be spent to compensate for livestock that were destroyed or crippled during fiscal year 2023. If the amount in the first year is insufficient, the amount in the second year is available in the first year. The
commissioner may use up to $5,000 each year to reimburse expenses incurred by university extension educators to provide fair market values of destroyed or crippled livestock. If the commissioner receives federal dollars to pay claims for destroyed or crippled livestock, an equivalent amount of this appropriation may be used to reimburse nonlethal prevention methods performed by federal wildlife services staff. Notwithstanding Minnesota Statutes, section 16A.28, any unencumbered balance does not cancel at the end of the first year and is available in the second year. The base for this appropriation is $175,000 for fiscal year 2026 and thereafter.

(g) $190,000 the first year and $190,000 the second year are for compensation for crop damage under Minnesota Statutes, section 3.7371. If the amount in the first year is insufficient, the amount in the second year is available in the first year. The commissioner may use up to $10,000 of the appropriation each year to reimburse expenses incurred by the commissioner or the commissioner’s approved agent to investigate and resolve claims, as well as for costs associated with training for approved agents. The commissioner may use up to $20,000 of the appropriation each year to make grants to producers for measures to protect stored crops from elk damage. If the commissioner determines that claims made under Minnesota Statutes, section 3.737 or 3.7371, are unusually high, amounts appropriated for either program may be transferred to the appropriation for the other program. Notwithstanding Minnesota Statutes, section 16A.28, any unencumbered balance does not cancel at the end of the first year and is available in the second year. The base for this appropriation is $155,000 for fiscal year 2026 and thereafter.

(f) $155,000 the first year and $155,000 the second year are for compensation for crop damage under Minnesota Statutes, section 3.7371. If the amount in the first year is insufficient, the amount in the second year is available in the first year. The commissioner may use up to $10,000 of the appropriation each year to reimburse expenses incurred by the commissioner or the commissioner’s approved agent to investigate and resolve claims, as well as for costs associated with training for approved agents. The commissioner may use up to $40,000 of the appropriation each year to make grants to producers for measures to protect stored crops from elk damage. If the commissioner determines that claims made under Minnesota Statutes, section 3.737 or 3.7371, are unusually high, amounts appropriated for either program may be transferred to the appropriation for the other program. Notwithstanding Minnesota Statutes, section 16A.28, any unencumbered balance does not cancel at the end of the first year and is available in the second year. The base for this appropriation is $155,000 for fiscal year 2026 and thereafter.
4.23 (f) $825,000 the first year and $825,000 the second year are to replace capital equipment in the Department of Agriculture's analytical laboratory. The base for this appropriation for fiscal year 2026 and thereafter is $825,000.

4.24 (g) $75,000 the first year and $75,000 the second year are to support a meat processing liaison position to assist new or existing meat and poultry processing operations in getting started, expanding, growing, or transitioning into new business models.

4.25 (h) $950,000 the first year and $950,000 the second year are additional funding to maintain the current level of service delivery for programs under this subdivision. The base for this appropriation is $1,388,000 for fiscal year 2026 and thereafter.

5.1 (i) $975,000 the first year and $975,000 the second year are for grants to the Board of Regents of the University of Minnesota to fund the Forever Green Initiative and protect the state's natural resources while increasing the efficiency, profitability, and productivity of Minnesota farmers by incorporating perennial and winter-annual crops into existing agricultural practices. By February 1 each year, the dean of the College of Food, Agricultural and Natural Resource Sciences must submit a report to the chairs and ranking minority members of the legislative committees with jurisdiction over agriculture finance and policy and higher education detailing uses of the funds in this paragraph, including administrative costs, and the achievements these funds contributed to.

5.2 (j) $1,250,000 the first year and $500,000 the second year are for grants to organizations in Minnesota to develop enterprises, supply chains, and markets for continuous living cover crops and cropping systems in the early stages of commercial development. For the
purposes of this paragraph, "continuous/living
cover crops and cropping systems" refers to
agroforestry, perennial biomass, perennial
forage, perennial grains, and winter/annual
cereal grains and oilseeds that have market
value as harvested or grazed commodities. By
February 1 each year, the commissioner must
submit a report to the chairs and ranking
minority members of the legislative
committees with jurisdiction over agriculture
finance and policy detailing uses of the funds
in this paragraph, including administrative
costs, and the achievements these funds
contributed to. Of the amount in the first year,
$1,000,000 must be used to support markets
for K ersa perennial grain, winter camelina,
hybrid hazelnut, and elderberry, and is
available until June 30, 2027. The
commissioner may use up to 6.5 percent of
this appropriation for administrative costs.
(k) $225,000 the first year and $225,000 the
second year are appropriated for
wolf-livestock conflict-prevention grants. The
commissioner may use up to $125,000 from
each year to reimburse nonlethal prevention
work performed by federal wildlife services.
This is a onetime appropriation.

(l) $50,000 the first year is to convene a
working group of interested parties, including
representatives from the Department of
Natural Resources, to investigate and
recommend measures to protect crops, stored
crops, and forage from destruction due to
white-tailed deer. Membership of the working
group is at the discretion of the commissioner.
The commissioner or the commissioner's
designated representative must convene and facilitate the working group. No later than
February 1, 2024, the commissioner must submit a report on the working group’s
recommendations to the legislative committees with jurisdiction over agriculture policy and
finance. This is a onetime appropriation.

Subd. 3. Agricultural Marketing and Development

(a) $150,000 the first year and $150,000 the
second year are to expand international trade
opportunities and markets for Minnesota
agricultural products.

(b) $186,000 the first year and $186,000 the
second year are for transfer to the Minnesota
Grown account and may be used as grants for
Minnesota Grown promotion established under
Minnesota Statutes, section 17.102. Notwithstanding
Minnesota Statutes, section 16A.28, the
appropriations encumbered under contract on
or before June 30, 2025, for Minnesota Grown
grants in this paragraph are available until June
30, 2027.

(c) $634,000 the first year and $634,000 the
second year are for the continuation of the
dairy development and profitability
ehancement programs, including dairy
profitability teams and dairy business planning
grants under Minnesota Statutes, section
32D.30.

(l) $100,000 the first year is to regulate systemic pesticide-treated seed.

(m) $65,000 the first year is for transfer to the commissioner of natural resources for a report
on feral pigs and mink.
6.19 (e) The commissioner may use funds appropriated in this subdivision for annual cost-share payments to resident farmers or entities that sell, process, or package agricultural products in this state for the costs of organic certification. The commissioner may allocate these funds for assistance to persons transitioning from conventional to organic agriculture.

7.27 (d) The commissioner may use funds appropriated in this subdivision for annual cost-share payments to resident farmers or entities that sell, process, or package agricultural products in this state for the costs of organic certification. The commissioner may allocate these funds for assistance to persons transitioning from conventional to organic agriculture.

8.1 (e) $450,000 the first year and $450,000 the second year are to maintain the current level of service delivery. The base for this appropriation is $550,000 for fiscal year 2026 and thereafter.

8.6 (f) $100,000 the first year and $100,000 the second year are for mental health outreach and support to farmers, ranchers, and others in the agricultural community and for farm safety grant and outreach programs under Minnesota Statutes, section 17.1195. Mental health outreach and support may include a 24-hour hotline, stigma reduction, and education. Notwithstanding Minnesota Statutes, section 16A.28, any unencumbered balance does not cancel at the end of the first year and is available in the second year. This is a onetime appropriation.

8.19 (g) $100,000 the first year and $100,000 the second year are to award and administer grants to facilitate the start-up or expansion of aggregation and food hub services at farmers markets. This is a onetime appropriation. Notwithstanding Minnesota Statutes, section 16A.28, any unencumbered balance does not cancel at the end of the first year and is available in the second year. This is a onetime appropriation.

(4) $450,000 the first year and $450,000 the second year are for the cultivated wild rice breeding project at the North Central Research and Outreach Center to include a tenure track/research associate plant breeder;

(5) $350,000 the first year and $350,000 the second year are for potato breeding;

(8) $500,000 each year is for farm-scale greenhouse research and development coordinated by University of Minnesota Extension Regional Sustainable Development Partnerships. The allocation in this clause is onetime.

(b) The base for the agriculture research, education, extension, and technology transfer program is $10,180,000 in fiscal year 2026 and $10,180,000 in fiscal year 2027.

g) $23,242,000 the first year and $23,242,000 the second year are for the agricultural growth, research, and innovation program under Minnesota Statutes, section 41A.12. Except as provided below, the commissioner may allocate this appropriation each year among the following areas: facilitating the start-up, modernization, improvement, or expansion of livestock operations, including beginning and transitioning livestock operations with preference given to robotic dairy-milking equipment; assisting value-added agricultural businesses to begin or expand, to access new markets, or to diversify, including aquaponics systems; facilitating the start-up modernization, or expansion of other beginning and transitioning farms, including by providing loans under Minnesota Statutes, section 41B.056; sustainable agriculture on-farm research and demonstration; the
development or expansion of food hubs and
other alternative community-based food
distribution systems; enhancing renewable
energy infrastructure and use; crop research,
including basic and applied turf seed research;
Farm Business Management tuition assistance;
and good agricultural practices and good
handling practices certification assistance. The
commissioner may use up to 6.5 percent of
this appropriation for costs incurred to
administer the program.

Of the amount appropriated for the agricultural
growth, research, and innovation program
under Minnesota Statutes, section 41A.12:

(1) $1,000,000 the first year and $1,000,000
the second year are for distribution in equal
amounts to each of the state's county fairs to
preserve and promote Minnesota agriculture;

(2) $6,000,000 the first year and $6,000,000
the second year are for incentive payments
under Minnesota Statutes, sections 41A.16,
41A.17, 41A.18, and 41A.20. Notwithstanding
Minnesota Statutes, section 16A.28, the first
year appropriation is available until June 30,
2023, and the second year appropriation is
available until June 30, 2026. If this
appropriation exceeds the total amount for
which all producers are eligible in a fiscal
year, the balance of the appropriation is
available for other purposes under this
paragraph. The base under this clause is
$6,125,000 in fiscal year 2026 and thereafter;

(3) $4,500,000 the first year and $4,500,000
the second year are for grants that enable retail
petroleum dispensers, fuel storage tanks, and
other equipment to dispense biofuels to the
public in accordance with the biofuel

(3) $3,000,000 the first year and $3,000,000
the second year are for grants that enable retail
petroleum dispensers, fuel storage tanks, and
other equipment to dispense biofuels to the
public in accordance with the biofuel
replacement goals established under Minnesota Statutes, section 239.7911. A retail petroleum dispenser selling petroleum for use in spark ignition engines for vehicle model years after 2000 is eligible for grant money under this clause if the retail petroleum dispenser has no more than 10 retail petroleum dispensing sites and each site is located in Minnesota. The grant money must be used to replace or upgrade equipment that does not have the ability to be certified for E25. A grant award must not exceed 65 percent of the cost of the appropriate technology. A grant award must not exceed $200,000 per station. The commissioner must cooperate with biofuel stakeholders in the implementation of the grant program. The commissioner, in cooperation with any economic or community development financial institution and any other entity with which the commissioner contracts, must submit a report on the biofuels infrastructure financial assistance program by January 15 of each year to the chairs and ranking minority members of the legislative committees and divisions with jurisdiction over agriculture policy and finance. The annual report must include but not be limited to a summary of the following metrics: (i) the number and types of projects financed; (ii) the amount of dollars leveraged or matched per project; (iii) the geographic distribution of financed projects; (iv) any market expansion associated with upgraded infrastructure; (v) the demographics of the areas served; (vi) the costs of the program; and (vii) the number of grants to minority-owned or female-owned businesses. The base under this clause is $3,375,000 for fiscal year 2026 and thereafter; (4) $1,500,000 the first year and $1,500,000 the second year are for grants to facilitate the start-up, modernization, or expansion of meat, poultry, egg, and milk processing facilities. A grant award under this clause must not exceed
$200,000. Any unencumbered balance at the end of the second year does not cancel until June 30, 2026, and may be used for other purposes under this paragraph. The base under this clause is $250,000 in fiscal year 2026 and thereafter; 

(5) $1,150,000 the first year and $1,150,000 the second year are for providing more fruits, vegetables, meat, poultry, grain, and dairy for children in school and early childhood education centers, including, at the commissioner's discretion, providing grants to reimburse schools and early childhood education centers for purchasing equipment and agricultural products. Of the amount appropriated, $150,000 each year is for a statewide coordinator of farm-to-institution strategy and programming. The coordinator must consult with relevant stakeholders and provide technical assistance and training for participating farmers and eligible grant recipients. The base under this clause is $800,000 in fiscal year 2026 and thereafter; 

(6) $3,000,000 the first year is for Dairy Assistance, Investment, Relief Initiative (DAIRI) grants to Minnesota dairy farmers who enroll in coverage under a federal dairy risk protection program and produced no more than 25,000,000 pounds of milk in 2022. The commissioner must award DAIRI grants based on the amount of milk produced in 2022, up to 5,000,000 pounds per participating producer, at a rate determined by the commissioner within the limits of available funding. Any unencumbered balance does not cancel at the end of the first year and is available in the second year; Any unencumbered balance at the end of the second year does not cancel until June 30, 2026, and may be used for other purposes under this paragraph. This is a onetime appropriation;
13.23 (7) $250,000 the first year and $250,000 the second year are for grants to support hemp processing. This appropriation for costs incurred to administer the program.

12.33 (9) $1,000,000 the first year and $1,000,000 the second year are to award and administer hemp fibber processing equipment grants under Minnesota Statutes, section 18K.10. The allocation in this clause is onetime.

12.25 (3) $1,000,000 the first year and $1,000,000 the second year are for urban youth community development; agricultural education or urban agriculture community development; agricultural education or urban agriculture program under Minnesota Statutes, section 17.1017; and

13.26 (8) up to $600,000 the first year and $600,000 the second year are for the good food access program under Minnesota Statutes, section 17.1017; and

14.1 (10) $1,500,000 the first year and $1,500,000 the second year are for the livestock investment grant program under Minnesota Statutes, section 17.118. Any unencumbered balance at the end of the second year does not cancel until June 30, 2026, and may be used for other purposes under this paragraph.

14.2 (11) $1,150,000 the first year and $1,150,000 the second year are for value-added grants; and

14.3 (12) $340,000 the first year and $340,000 the second year are for the New Markets Program; and

14.4 (13) $450,000 the first year and $450,000 the second year are for beginning farmer farm business management scholarships.

By January 15 each year, the commissioner must submit a report on the grants awarded under this paragraph to the chairs and ranking minority members of the legislative committees and divisions with jurisdiction over agriculture policy and finance; Notwithstanding Minnesota Statutes, section 16A.28, any unencumbered balance does not cancel at the end of the first year and is available until June 30, 2028.
available for the second year, and
appropriations encumbered under contract on
or before June 30, 2025, for agricultural
growth, research, and innovation grants are
available until June 30, 2028.

(4) $100,000 the first year and $100,000 the
second year are for grants to facilitate the
start-up, modernization, or expansion of
copacking facilities, commercial kitchens, and
other key supply chain infrastructure, such as
shared cold-chain capacity. Money
appropriated in this clause may also be used
to assist value-added processors with food
safety and environmental sustainability
guideline planning and third-party certification
services;

The base for the agricultural growth, research,
and innovation program is $17,582,000 in

2. facility renovation to accommodate meat cutting; and
3. training faculty to teach the fundamentals of meat processing.

A grant recipient may be awarded a grant of up to $70,000 and may use up to ten percent of the grant for faculty training.

Priority may be given to applicants who are coordinating with meat cutting and butchery programs at Minnesota State Colleges and Universities system and local industry partners.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 6. GRANTS FOR MEAT PROCESSING TRAINING AND RETENTION INCENTIVES.

Subdivision 1. Definitions. (a) For the purposes of this section, the following terms have the meanings given:

(b) "Partner organizations" include:

1. foundations engaged in economic development;
2. community development financial institutions;
3. federally recognized economic development districts; and
4. community development corporations.

(c) "Small- to medium-sized meat and poultry processor" means a meat and poultry processor licensed by the state of Minnesota or the federal government that has fewer than 150 employees.
Subd. 2. **Grants.** (a) The commissioner of agriculture must provide grants to partner organizations to assist small- to medium-sized meat and poultry processors with hiring and training new employees. New employees at eligible meat and poultry processing plants may receive up to $10,000 in the form of tuition reimbursement for programs at Minnesota State Colleges and Universities, sign-on bonuses, relocation assistance, retention incentives, child care stipends, and other related expenses. Employees at any one meat or poultry processor may not receive more than $50,000 under this paragraph.

(b) Up to 20 percent of a grant to a partner organization may be used for direct services to employees, including but not limited to translation services.

(c) Priority must be given to applications from partner organizations working in partnership with Minnesota State Colleges and Universities.
