Sec. 12. Minnesota Statutes 2022, section 124E.13, subdivision 1, is amended to read:

Personnel policies.

(a) An affiliated nonprofit building corporation may purchase, expand, or renovate an existing facility to serve as a school or may construct a new school facility. A charter school may organize an affiliated nonprofit building corporation that serves only that charter school if the charter school:

(1) has operated for at least six consecutive years;

(2) as of June 30, has a net positive unreserved general fund balance in the preceding three fiscal years;

(3) has long-range strategic and financial plans that include enrollment projections for at least five years;

(4) completes a feasibility study of facility options that outlines the benefits and costs of each option; and

(5) has a plan that describes project parameters and budget.
(b) An affiliated nonprofit building corporation under this subdivision must:

1. be incorporated under section 317A;
2. comply with applicable Internal Revenue Service regulations, including regulations for "supporting organizations" as defined by the Internal Revenue Service;
3. post on the school website the name, mailing address, bylaws, minutes of board meetings, and names of the current board of directors of the affiliated nonprofit building corporation;
4. submit to the commissioner a copy of its annual audit by December 31 of each year; and
5. comply with government data practices law under chapter 13.

(c) An affiliated nonprofit building corporation must not serve as the leasing agent for property or facilities it does not own. A charter school that leases a facility from an affiliated nonprofit building corporation that does not own the leased facility is ineligible to receive charter school lease aid. The state is immune from liability resulting from a contract between a charter school and an affiliated nonprofit building corporation.

(d) The board of directors of the charter school must ensure the affiliated nonprofit building corporation complies with all applicable legal requirements. The charter school's authorized must oversee the efforts of the board of directors of the charter school to ensure legal compliance of the affiliated building corporation. A school's board of directors that fail to ensure the affiliated nonprofit building corporation's compliance violates its responsibilities and an authorized must consider that failure when evaluating the charter school.

A charter school must post the annual report on the school's official website. A charter school also must distribute the annual report by publication, mail, or electronic means to its authorizer, school employees, and parents and legal guardians of students enrolled in the charter school. The reports are public data under chapter 13.

(b) An authorizer must submit an annual public report in a manner specified by the commissioner by January 15 for the previous school year ending June 30 that shall at least include key indicators of school academic, operational, and financial performance. (3) conduct an independent review and evaluation of the services provided by the CMO or EMO and publish the evaluation on the school's website at least 30 business days before the end of the current contract;

(b) A management agreement with a CMO or EMO must contain the following:

(1) the term of the contract, not to exceed five years;

(2) the total dollar value of the contract including the annual projected costs of services;

(3) a description and terms of the services to be provided during the term of the contract;

(4) notice that a charter school closure during the term of the contract by action of the authorizer or the school's board results in the balance of the current contract becoming null and void;

(5) an annual statement of assurance to the charter school board that the CMO or EMO provided no compensation or gifts to any charter school board member, staff member, or agent of the charter school;

(6) an annual statement of assurance that no charter school board member, employee, contractor, or agent of the CMO or EMO or any affiliated organization is a board member of the charter school or any other charter school;
