ARTICLE 1
TRANSPORTATION APPROPRIATIONS

Section 1. TRANSPORTATION APPROPRIATIONS.

The sums shown in the columns marked "Appropriations" are appropriated to the agencies and for the purposes specified in this article. The appropriations are from the trunk highway fund, or another named fund, and are available for the fiscal years indicated for each purpose.

Amounts for "Total Appropriation" and sums shown in the corresponding columns marked "Appropriations by Fund" are summary only and do not have legal effect. Unless specified otherwise, the amounts in fiscal year 2024 and 2025 under "Appropriations by Fund" show the base within the meaning of Minnesota Statutes, section 16A.11, subdivision 3, by fund. The figures "2024" and "2025" used in this article mean that the appropriations listed under them are available for the fiscal year ending June 30, 2024, or June 30, 2025, respectively. "Each year" is each of fiscal years 2024 and 2025. "The biennium" is fiscal years 2024 and 2025. "C.S.A.H." is the county state-aid highway fund. "M.S.A.S." is the municipal state-aid street fund. "H.U.T.D." is the highway user tax distribution fund. "Staff" means those employees who are identified in any of the following roles for the legislative committees: committee administrator, committee legislative assistant, caucus research, fiscal analysis, counsel, or nonpartisan research.

This appropriation is from the state airports fund and must be spent according to Minnesota Statutes, section 360.305, subdivision 4.

$26,000,000 in fiscal year 2024 is from the general fund for matches to federal aid and state investments related to airport infrastructure projects. This appropriation is available until June 30, 2027.

$15,000,000 in fiscal year 2024 is from the general fund for system maintenance of critical airport safety systems, equipment, and essential airfield technology.
Notwithstanding Minnesota Statutes, section 16A.28, subdivision 6, this appropriation is available for five years after the year of the appropriation. If the appropriation for either year is insufficient, the appropriation for the other year is available for it.

If the commissioner of transportation determines that a balance remains in the state airports fund following the appropriations made in this article and that the appropriations made are insufficient for advancing airport development and assistance projects, an amount necessary to advance the projects, not to exceed the balance in the state airports fund, is appropriated in each year to the commissioner and must be spent according to Minnesota Statutes, section 360.305, subdivision 4. Within two weeks of a determination under this contingent appropriation, the commissioner of transportation must notify the commissioner of management and budget and the chairs, ranking minority members, and staff of the legislative committees with jurisdiction over transportation finance concerning the funds appropriated. Funds appropriated under this contingent appropriation do not adjust the base for fiscal years 2026 and 2027.

(c) The commissioner must select projects for
the corridors of commerce program solely
using the results of the spring 2018 evaluation
for the corridors of commerce program, in
order based on total score. In addition to the
projects selected for funding in the first round
from the spring 2018 evaluation, the
commissioner must select at least two projects
located outside the Department of
Transportation metropolitan district. If funds
are insufficient for an identified project, the
commissioner must either select the identified
project, or select one or more alternative
projects that are (1) for a segment within the
project limits of the identified project; and (2)
also identified and scored in the spring 2018
evaluation process. For projects located
outside the Department of Transportation
metropolitan district, the commissioner must
not select a project located in a county within
which a project was selected for funding in
29.11 the first round in the spring 2018 evaluation
29.12 for the corridors of commerce program.
29.13 (d) Notwithstanding the project selection
29.14 requirements under paragraph (c), any
29.15 remaining amount of this appropriation is for
29.16 predesign, design, engineering, and
29.17 construction of an overpass and associated
29.18 safety improvements at the intersection of
29.19 marked Trunk Highway 9 and marked Trunk
29.20 Highway 23 in the city of New London.
29.21 (e) The appropriation in Laws 2017, First
29.22 Special Session chapter 3, article 2, section 2,
29.23 subdivision 1, is available for the projects
29.24 selected under paragraph (c) that the
29.25 commissioner determines are ready to proceed.
29.26 (f) The appropriation in this subdivision is
29.27 available for any projects selected by the
29.28 commissioner using the results of the
29.29 evaluation for the corridors of commerce
29.30 program conducted in spring 2018.
29.31 (g) This appropriation cancels as specified
29.32 under Minnesota Statutes, section 16A.642,
29.33 except that the commissioner of management
29.34 and budget shall count the start of
29.35 authorization for issuance of state bonds as
29.36 the first day of the fiscal year during which
29.37 the bonds are available to be issued, and not
29.38 as the date of enactment of this section.

33.1 General  5,600,000  -0-
33.2 Airports  18,598,000  18,598,000

33.3 This appropriation is from the state airports
33.4 fund and must be spent according to
33.5 Minnesota Statutes, section 360.305,
33.6 subdivision 4.

33.7 $5,600,000 in fiscal year 2022 is from the
33.8 general fund for a grant to the city of Karlstad
33.9 for the acquisition of land, predesign, design,
33.10 engineering, and construction of a primary
33.11 airport runway.

33.12 Notwithstanding Minnesota Statutes, section
33.13 16A.28, subdivision 6, this appropriation is
33.14 available for five years after the year of the
33.15 appropriation. If the appropriation for either
33.16 year is insufficient, the appropriation for the
33.17 other year is available for it.

33.18 If the commissioner of transportation
33.19 determines that a balance remains in the state
33.20 airports fund following the appropriations
33.21 made in this article and that the appropriations
33.22 made are insufficient for advancing airport
33.23 development and assistance projects, an
33.24 amount necessary to advance the projects, not
33.25 to exceed the balance in the state airports fund,
33.26 is appropriated in each year to the
33.27 commissioner and must be spent according to
33.28 Minnesota Statutes, section 360.305,
33.29 subdivision 4. Within two weeks of a
33.30 determination under this contingent
33.31 appropriation, the commissioner of
33.32 transportation must notify the commissioner
33.33 of management and budget and the chairs,
33.34 ranking minority members, and staff of the
33.35 legislative committees with jurisdiction over
33.36 transportation finance concerning the funds
33.37 appropriated. Funds appropriated under this
33.38 contingent appropriation do not adjust the base
33.39 for fiscal years 2024 and 2025.

### Section 28

- Appropriation. $4,000,000 in fiscal year 2023 is appropriated from the general fund to the commissioner of transportation for the analysis and report under this section. This appropriation is available until June 30, 2024.
Subd. 2. Transit service analysis. (a) The commissioner must analyze and evaluate options for improvements to transit service between Minneapolis, St. Paul, and St. Cloud.

(b) At a minimum, the analysis must:

1. identify and evaluate alternatives for service in the corridor based on ridership and expenditure information, including but not limited to:
   1. intercity passenger rail, commuter rail, bus service, other public transportation alternatives identified by the commissioner, or a combination;
   2. extension or expansion of Northstar Commuter Rail service to St. Cloud;
   3. extension of current Amtrak train service between Minneapolis and St. Paul and Chicago to St. Cloud; and
   4. intercity passenger rail service between Minneapolis, St. Paul, St. Cloud, Fargo, and Moorhead;

2. provide a revised estimate of ridership, capital and operating costs, and revenue from extension of Northstar Commuter Rail to St. Cloud;

3. estimate ridership, costs, and revenue impacts from expansion of Northstar Commuter Rail service in conjunction with professional sports events;

4. evaluate elimination of Northstar Commuter Rail service in conjunction with options under clause (1), including but not limited to a comprehensive fiscal review of costs and reductions in expenditures, analysis of barriers, and any other considerations; and

5. examine transit service administration, which may include jurisdictional transfers and contracting for service;

(c) The analysis must be completed by February 15, 2024.

Subd. 3. Legislative report. By March 1, 2024, the commissioner of transportation must submit a report on the transit service analysis to the chairs and ranking minority members of the legislative committees with jurisdiction over transportation policy and finance. At a minimum, the report must:

1. provide a summary of the analysis;

2. review each of the elements specified under subdivision 2, paragraph (b); and

3. provide recommendations for legislative changes, if any.

EFFECTIVE DATE. This section is effective the day following final enactment.
Sec. 37. TRANSIT SERVICE INTERVENTION PROJECT.

112.10 Subdivision 1. Definitions, (a) For purposes of this section, the following terms have the meanings given.

(b) "Council" means the Metropolitan Council established under Minnesota Statutes, chapter 473.

g) "Intervention project" means the Transit Service Intervention Project established in this section.

Subd. 2. Establishment. A Transit Service Intervention Project is established to provide coordinated, high-visibility interventions on light rail transit lines that provide for enhanced social services outreach and engagement, code of conduct regulation, and law enforcement.

Subd. 3. Project management. The council must implement the intervention project.

Subd. 4. Participating organizations. The council must seek the participation of the following entities to provide for coordination on the intervention project:

1. the Department of Human Services;
2. the Department of Public Safety;
3. the Metropolitan Council;
4. each county within which a light rail transit line operates;
5. each city within which a light rail transit line operates;
6. the Metropolitan Airports Commission;
7. the National Alliance on Mental Illness Minnesota;
8. the exclusive representative of transit vehicle operators; and
9. other interested community-based social service organizations.
Subd. 5. Duties. (a) In collaboration with the participating organizations under subdivision
4, the council must:

1. establish social services intervention teams that consist of social services personnel
and personnel from nonprofit organizations having mental health services or
support capacity to perform on-site social services engagement with (i) transit riders
experiencing homelessness, (ii) transit riders with substance use disorders or mental or
behavioral health disorders, or (iii) a combination;

2. establish coordinated intervention teams that consist of personnel under clause (1),
community service officers, and peace officers;

3. implement interventions in two phases as follows:
   (i) by June 1, 2023, and for a period of three weeks, deploy the social services intervention
   teams on a mobile basis on light rail transit lines and facilities; and
   (ii) beginning at the conclusion of the period under item (i), and for a period of at least
   nine weeks, deploy the coordinated intervention teams on a mobile basis on light rail transit
   lines and facilities, utilizing both social services and law enforcement partners; and

4. evaluate impacts of the intervention teams related to social services outreach, code
   of conduct violations, and rider experience.

(b) Social services engagement under paragraph (a) includes but is not limited to outreach,
preliminary assessment and screening, information and resource sharing, referral or
connections to service providers, assistance in arranging for services, and precision response.

Subd. 6. Duties. (a) In collaboration with the participating organizations under subdivision
5, the council must:

1. establish social services intervention teams that consist of county-based social services
personnel and personnel from nonprofit organizations having mental health services or
support capacity to perform on-site social services engagement with (i) transit riders
experiencing homelessness, (ii) transit riders with substance use disorders or mental or
behavioral health disorders, or (iii) a combination;

2. establish coordinated intervention teams that consist of personnel under clause (1),
community service officers, and peace officers;

3. implement interventions in two phases as follows:
   (i) by June 1, 2023, and for a period of three weeks, deploy the social services intervention
   teams on a mobile basis on light rail transit lines and facilities; and
   (ii) beginning at the conclusion of the period under item (i), and for a period of at least
   nine weeks, deploy the coordinated intervention teams on a mobile basis on light rail transit
   lines and facilities, utilizing both social services and law enforcement partners; and

4. evaluate impacts of the intervention teams related to social services outreach, code
   of conduct violations, and rider experience.

Subd. 7. Duties. (a) In collaboration with the participating organizations under subdivision
8, the council must:

1. a summary of activities under the intervention project;

2. a fiscal review of expenditures; and

3. analysis of impacts and outcomes related to social services outreach, violations under
Minnesota Statutes, sections 473.4065 and 609.855, and rider experience.

Subd. 9. Expiration. The intervention project under this section expires June 30, 2024.
EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 9. APPROPRIATIONS; STATE PATROL OPERATING DEFICIENCY.

(c) Not less than 15 percent of the available funding must be reserved for Tribal governments. Not less than 15 percent of the available funding must be reserved for townships and for cities that are eligible for small cities assistance aid under Minnesota Statutes, section 162.145. Unused reserved funds at the end of a fiscal year may be used for grants to any eligible recipient in the following fiscal year.

EFFECTIVE DATE. This section is effective the day following final enactment.
(3) prioritization of support and assistance to political subdivisions and federally recognized Tribal governments based on insufficiency of capacity to undertake project development and apply for state or federal infrastructure grants.

(c) The agreement may provide for project analysis and development activities that include but are not limited to planning, scoping, analysis, predesign, design, pre-engineering, and engineering.

Sec. 16. INFRASTRUCTURE INVESTMENT AND JOBS ACT (IIJA) DISCRETIONARY MATCH.

Subd. 1. Definitions. (a) For purposes of this section, the following terms have the meanings given:

(b) "Commissioner" means the commissioner of transportation.

(c) "Federal discretionary grant" means federal funds under a discretionary grant program enacted or authorized in the Infrastructure Investment and Jobs Act (IIJA), Public Law 117-58, and federal funds under any subsequent federal appropriations acts directly associated with a spending authorization or appropriation under the IIJA.

(d) "Federal grant recipient" means an entity that receives a federal discretionary grant under the applicable federal program.

Subd. 2. General requirements. (a) Subject to an appropriation, the commissioner must establish a process to allocate the funds made available for purposes of this section.

(b) The commissioner must allocate available funds in the order of (1) requests submitted by federal grant recipients, followed by (2) announcement or notification of the federal grant award. The commissioner may allocate funds for a federal discretionary grant awarded prior to the effective date of this section.

(c) The commissioner must only allocate available funds:

(1) to a federal grant recipient for match requirements under federal discretionary grants;

(2) for a transportation-related purpose, including but not limited to a project, a program, planning, program delivery, administrative costs, ongoing operations, and other related expenditures; and

(3) in an amount not to exceed the lesser of (i) the amount necessary for the federal match requirements, or (ii) $10,000,000.

Subd. 3. Uses of funds. (a) From available funds under this section, the commissioner may:

(1) expend funds for the trunk highway system;
(2) allocate funds among any transportation modes and programs, including but not limited to local roads and bridges, transit, active transportation, aeronautics, alternative fuel corridors, electric vehicle infrastructure, and climate-related programs; and

(3) make grants to a federal grant recipient, which as appropriate includes but is not limited to federally recognized Tribal governments, local units of government, and metropolitan planning organizations.

(b) Funds under this section are available regardless of the eligible uses of federal funds under the federal discretionary grant award.

Subd. 4. Public information. The commissioner must maintain information on a public website that details funds allocated under this section. The information must include:

1. a summary of federal grant recipients, projects including a general status, and the amounts of match funding requested and provided;

2. identification of any unfunded requests; and

3. a fiscal review that provides breakouts by type of project or purpose, transportation mode, federal program, and region of the state.

Subd. 5. Expiration. This section expires June 30, 2029.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 17. RICE STREET CAPITOL AREA REDESIGN.

(a) From the appropriation in section 2, subdivision 4, paragraph (c), clause (3), the commissioner of transportation must provide one or more grants to the city of St. Paul, Ramsey County, or both for planning, predesign, design, engineering, environmental analysis and mitigation, land acquisition, and reconstruction of the Rice Street Capitol Area corridor as follows:

1. Rice Street from West Pennsylvania Avenue to John Ireland Boulevard;

2. Como Avenue from West Pennsylvania Avenue and Marion Street to Rice Street;

3. West 12th Street from John Ireland Boulevard to the vicinity of Saint Peter Street; and

4. Saint Peter Street from West 12th Street to East 11th Street.

(b) The Rice Street Capitol Area redesign project under this section must:

1. be developed under a multiagency planning process that is coordinated by the Capitol Area Architectural and Planning Board under Minnesota Statutes, section 15B.05;

2. conform with the comprehensive plan adopted under Minnesota Statutes, section 15B.05, and the street design manual adopted by the city of St. Paul; and
Sec. 18. TRAFFIC SAFETY VIOLATIONS DISPOSITION ANALYSIS.

(a) From an appropriation in this act, the commissioner of public safety must enter into an agreement with the Center for Transportation Studies at the University of Minnesota to conduct an evaluation of the disposition in recent years of citations for speeding, impairment, distraction, and seatbelt violations. The evaluation under the agreement must include but is not limited to analysis of:

1. rates of citations issued compared to rates of citations contested in court and the outcomes of the cases;
2. amounts of fines imposed compared to counts and amounts of fine payments; and
3. any related changes in patterns of traffic enforcement from 2017 to 2022.

(b) The agreement must require the Center for Transportation Studies to submit an interim progress report by July 1, 2024, and a final report by July 1, 2025, to the commissioner and the chairs and ranking minority members of the legislative committees with jurisdiction over transportation policy and finance and public safety.

Sec. 19. ACCOUNT USE FOR CERTAIN APPROPRIATIONS.

(a) If an appropriation in fiscal year 2024 or thereafter from the vehicle services operating account under Minnesota Statutes, section 299A.705, subdivision 1, or from the driver services operating account under Minnesota Statutes, section 299A.705, subdivision 2, is enacted during the 2023 regular legislative session, the appropriation is instead from the driver and vehicle services account as provided under article 4, section 40.

(b) Notwithstanding Minnesota Statutes, section 645.26, subdivision 3, this section prevails for an appropriation as provided under paragraph (a).

Sec. 20. APPROPRIATIONS AND TRANSFERS GIVEN EFFECT ONCE.

If an appropriation or transfer in this article is enacted more than once during the 2023 regular legislative session, the appropriation or transfer must be given effect once.
