license is reinstated, except as provided in paragraph (f). The $250 fee must be credited as
follows:

(1) 20 percent to the driver and vehicle services operating account in the special revenue
fund as specified in section 299A.705;

(2) 67 percent to the general fund;

(3) eight percent to a separate account to be known as the Bureau of Criminal
Apprehension account. Money in this account is annually appropriated to the commissioner
of public safety and the appropriated amount must be apportioned 80 percent for laboratory
costs and 20 percent for carrying out the provisions of section 299C.065; and

(4) five percent to a separate account to be known as the vehicle forfeiture account,
which is created in the special revenue fund. The money in the account is annually
appropriated to the commissioner for costs of handling vehicle forfeitures.

(c) The revenue from $50 of the surcharge must be credited to a separate account to be
known as the traumatic brain injury and spinal cord injury account. The revenue from $50
of the surcharge on a reinstatement under paragraph (f) is credited from the first installment
payment to the traumatic brain injury and spinal cord injury account. The money in the
account is annually appropriated to the commissioner of health to be used as follows: 83
percent for contracts with a qualified community-based organization to provide information,
resources, and support to assist persons with traumatic brain injury and their families to
access services, and 17 percent to maintain the traumatic brain injury and spinal cord injury
registry created in section 144.662. For the purposes of this paragraph, a "qualified
community-based organization" is a private, not-for-profit organization of consumers of
traumatic brain injury services and their family members. The organization must be registered
with the United States Internal Revenue Service under section 501(c)(3) as a tax-exempt

A patient's name, identifying information, or identifiable medical data must not be disclosed to the organization without the informed voluntary written consent of the patient or patient's guardian or, if the patient is a minor, of the parent or guardian of the patient.

(d) The remainder of the surcharge must be credited to a separate account to be known as the remote electronic alcohol-monitoring program account. The commissioner shall transfer the balance of this account to the commissioner of management and budget on a monthly basis for deposit in the general fund.

(e) When these fees are collected by a driver's license agent, appointed under section 171.061, a filing fee is imposed in the amount specified under section 171.061, subdivision 4. The reinstatement fees, surcharge, and filing fee must be deposited in an approved depository as directed under section 171.061, subdivision 4.

If a person chooses to pay 50 percent of the total and an additional $25, the driver's license must expire after two years. The person must pay an additional 50 percent less $25 of the total to extend the license for an additional two years, provided the person is otherwise still eligible for the license. After this final payment of the surcharge and fee, the license may be renewed on a standard schedule, as provided under section 171.27. A filing fee may be imposed for each installment payment. Revenue from the filing fee is credited to the driver and vehicle services operating account in the special revenue fund under section 299A.705 and is appropriated to the commissioner.

(g) Any person making installment payments under paragraph (f), whose driver's license subsequently expires, or is canceled, revoked, or suspended before payment of 100 percent of the surcharge and fee, must pay the outstanding balance due for the initial reinstatement before the driver's license is subsequently reinstated. Upon payment of the outstanding balance due for the initial reinstatement, the person may pay any new surcharge and fee imposed under paragraph (b) in installment payments as provided under paragraph (f).
