Subd. 2. TANF Maintenance of Effort

(a) Nonfederal expenditures. The commissioner shall ensure that sufficient nonfederal expenditures are made each year to meet the state's maintenance of effort requirements of the TANF block grant specified under Code of Federal Regulations, title 45, section 263.1. In order to meet these requirements, the commissioner may report as TANF maintenance of effort expenditures only nonfederal money expended for allowable activities listed in the following clauses:

1. MFIP cash, diversionary work program, and food assistance benefits under Minnesota Statutes, chapter 256J;
2. the child care assistance programs under Minnesota Statutes, sections 119B.03 and 119B.05, and county child care administrative costs under Minnesota Statutes, section 119B.15;
3. state and county MFIP administrative costs under Minnesota Statutes, chapters 256J and 256K;
4. state, county, and Tribal MFIP employment services under Minnesota Statutes, chapters 256J and 256K;
5. expenditures made on behalf of legal noncitizen MFIP recipients who qualify for the MinnesotaCare program under Minnesota Statutes, section 290.0671;
6. qualifying working family credit expenditures under Minnesota Statutes, section 290.0671;
(7) qualifying Minnesota education credit expenditures under Minnesota Statutes, section 290.0674; and

(b) Nonfederal expenditures; reporting. For the activities listed in paragraph (a), the commissioner must report only expenditures that are excluded from the definition of assistance under Code of Federal Regulations, title 45, section 260.31.

(c) Limitations; exceptions. The commissioner must not claim an amount of TANF maintenance of effort in excess of the 75 percent standard in Code of Federal Regulations, title 45, section 263.1(a)(2), except:

(1) to the extent necessary to meet the 80 percent standard under Code of Federal Regulations, title 45, section 263.1(a)(1), if it is determined by the commissioner that the state will not meet the TANF work participation target rate for the current year;

(2) to provide any additional amounts under Code of Federal Regulations, title 45, section 264.5, that relate to replacement of TANF funds due to the operation of TANF penalties; and

(3) to provide any additional amounts that may contribute to avoiding or reducing TANF work participation penalties through the operation of the excess maintenance of effort provisions of Code of Federal Regulations, title 45, section 261.43(a)(2).

(d) Supplemental expenditures. For the purposes of paragraph (c), the commissioner may supplement the maintenance of effort claim with working family credit expenditures.
or other qualified expenditures to the extent such expenditures are otherwise available after considering the expenditures allowed in this subdivision.

(c) Reduction of Appropriations: Exception. The requirement in Minnesota Statutes, section 256.011, subdivision 3, that federal grants or aids secured or obtained under that subdivision be used to reduce any direct appropriations provided by law does not apply if the grants or aids are federal TANF funds.

(f) IT Appropriations Generally. This appropriation includes funds for information technology projects, services, and support. Notwithstanding Minnesota Statutes, section 16E.0466, funding for information technology projects approved by the commissioner of the Minnesota IT Services and approved by the legislature and approved by the commissioner of human services may be transferred from one project to another and from development to operations as the commissioner of human services considers necessary. Any unexpended balance in the appropriation for these projects does not cancel and is available for ongoing development and operations.
