6.1 Sec. 6. Minnesota Statutes 2022, section 124D.12, is amended to read:

6.2 124D.12 PURPOSE OF FLEXIBLE LEARNING YEAR PROGRAMS.

6.3 Sections 124D.12 to 124D.127 authorize districts to evaluate, plan and employ the use of flexible learning year programs. It is anticipated that the open selection of the type of flexible learning year operation from a variety of alternatives will allow each district seeking to utilize this concept to suitably fulfill the educational needs of its pupils. These alternatives must include, but not be limited to, various 45-15 plans, four-quarter plans, quinmester plans, extended learning year plans, and flexible all-year plans. A school district with an approved four-day week plan in the 2014-2015 school year may continue under a four-day week plan through the end of the 2019-2020 school year. Future approvals are contingent upon meeting the school district's performance goals established in the district's plan under section 120B.11. The commissioner must establish clear criteria for evaluating a district's application to use a four-day school week plan, at least annually accept district applications to use a four-day school week plan, and determine whether each application meets the criteria. The commissioner must give a school district one school year's notice before revoking approval of its flexible learning year program. Approval of a four-day school week plan may not be revoked for six years from the date it is granted.

6.18 EFFECTIVE DATE. This section is effective the day following final enactment.

7.1 (c) The proceeds of the levy authorized by this subdivision must not be used to acquire a facility to be primarily used for athletic or school administration purposes.

Special School District No. 1, Minneapolis, Independent School District No. 625, St. Paul, Independent School District No. 709, Duluth, or Independent School District No. 535, Rochester, if the district's desegregation achievement and integration plan has been determined by the commissioner to be in compliance with Department of Education rules relating to equality of educational opportunity and where the acquisition, as defined in section 475.51, subdivision 7, of property under this subdivision is determined approved in the form and manner prescribed by the commissioner to contribute to the implementation of the desegregation approved achievement and integration plan; or

2. other districts eligible for revenue under section 124D.862 if the facility acquired under this subdivision is to be primarily used for a joint program for interdistrict desegregation and the commissioner determines that the joint programs are being undertaken to implement the districts' desegregation approved achievement and integration plan.

Notwithstanding subdivision 1, the prohibition against a levy by a district to lease or rent a district-owned building to itself does not apply to levies otherwise authorized by this subdivision.

For the purposes of this subdivision, any references in subdivision 1 to building or land shall include personal property.

Projects funded under this subdivision are subject to review and comment under section 123B.71, subdivision 8, in the form and manner prescribed by the commissioner.

Sec. 5. REVISOR INSTRUCTION.

The revisor of statutes shall remove the term "state-approved" wherever it appears in Minnesota Statutes, sections 125A.15, 125A.51, and 125A.515, for education in care and treatment facilities.
