OUTDOOR HERITAGE FUND

Section 1. APPROPRIATIONS.

The sums shown in the columns marked "Appropriations" are appropriated to the agencies and for the purposes specified in this article. The appropriations are from the outdoor heritage fund for the fiscal year indicated for each purpose. The figures "2024" and "2025" used in this article mean that the appropriations listed under them are available for the fiscal year ending June 30, 2024, or June 30, 2025, respectively. "The first year" is fiscal year 2024. "The second year" is fiscal year 2025. "The biennium" is fiscal years 2024 and 2025. The appropriations in this article are onetime appropriations.

21.1 (b) Technical Evaluation Panel
21.9 $160,000 the second year is to the
21.10 commissioner of natural resources for a
technical evaluation panel to conduct up to 25
restoration and enhancement evaluations under
Minnesota Statutes, section 97A.056.
21.14 subdivision 10. Money appropriated in this
paragraph is available until June 30, 2026.
(c) Core Functions in Partner-led OHF Land Acquisitions

$892,000 the second year is to the commissioner of natural resources for administering the initial development, restoration, and enhancement of land acquired in fee with money appropriated from the outdoor heritage fund. This appropriation may be used for land acquisition costs incurred by the department in conveying parcels to the department and for initial development activities on fee title acquisitions. Money appropriated in this paragraph is available until June 30, 2032.

Subd. 7. Availability of Appropriation

(a) Money appropriated in this section may not be spent on activities unless they are directly related to and necessary for a specific appropriation and are specified in the accomplishment plan approved by the Lessard-Sams Outdoor Heritage Council. Money appropriated in this section must not be spent on indirect costs or other institutional overhead charges that are not directly related to and necessary for a specific appropriation. Money appropriated for fee title acquisition of land may be used to restore, enhance, and provide for public use of the land acquired with the appropriation. Public-use facilities must have a minimal impact on habitat in acquired lands.

(b) Money appropriated in this section is available as follows:

(1) money appropriated for acquiring real property is available until June 30, 2028.

(2) money appropriated for restoring and enhancing land acquired with an appropriation in this section is available for four years after
the acquisition date with a maximum end date of June 30, 2032; (3) money appropriated for restoring or enhancing other land is available until June 30, 2029; (4) notwithstanding clauses (1) to (3), money appropriated for a project that receives at least 15 percent of its funding from federal funds is available until a date sufficient to match the availability of federal funding to a maximum of six years if the federal funding was confirmed and included in the original approved draft accomplishment plan; and (5) money appropriated for other projects is available until the end of the fiscal year in which it is appropriated.

Subd. 8. Payment Conditions and Capital Equipment Expenditures

(a) All agreements referred to in this section must be administered on a reimbursement basis unless otherwise provided in this section. Notwithstanding Minnesota Statutes, section 16A.41, expenditures directly related to each appropriation's purpose made on or after July 1, 2024, or the date of accomplishment plan approval, whichever is later, are eligible for reimbursement unless otherwise provided in this section. For the purposes of administering appropriations and legislatively authorized agreements paid out of the outdoor heritage fund, an expense must be considered reimbursable by the administering agency when the recipient presents the agency with an invoice or binding agreement with a landowner and the recipient attests that the goods have been received or the landowner agreement is binding. Periodic reimbursement must be made upon receiving documentation that the items articulated in the accomplishment plan approved by the
Lessard-Sams Outdoor Heritage Council have been achieved, including partial achievements as evidenced by progress reports approved by the Lessard-Sams Outdoor Heritage Council.

Reasonable amounts may be advanced to projects to accommodate cash-flow needs, support future management of acquired lands, or match a federal share. The advances must be approved as part of the accomplishment plan. Capital equipment expenditures for specific items in excess of $10,000 must be itemized in and approved as part of the accomplishment plan.

Subd. 9. Mapping

Each direct recipient of money appropriated in this section, as well as each recipient of a grant awarded pursuant to this section, must provide geographic information to the Lessard-Sams Outdoor Heritage Council for mapping of any lands acquired in fee with funds appropriated in this section and open to public taking of fish and game. The commissioner of natural resources must include information on and acknowledgment of the outdoor heritage fund, including a notation of any restrictions.

Sec. 2. CLEAN WATER FUND

Subdivision 1. Total Appropriation

| $ | -0- | $25,426,000 |

This appropriation is from the clean water fund. The amounts that may be spent for each purpose are specified in the following sections.

Subd. 2. Availability of Appropriation

Money appropriated in this article may not be spent on activities unless they are directly related to and necessary for a specific appropriation. Money appropriated in this article must be spent in accordance with Minnesota Management and Budget MMB Guidance to Agencies on Legacy Fund Expenditure. Notwithstanding Minnesota Statutes, section 16A.28, and unless otherwise specified in this article, fiscal year 2024 appropriations are available until June 30, 2025, and fiscal year 2025 appropriations are available until June 30, 2026. If a project receives federal funds, the period of the appropriation is extended to equal the availability of federal funding.

Subd. 3. Disability Access

Where appropriate, grant recipients of clean water funds, in consultation with the Council on Disability and other appropriate
governor-appointed disability councils, boards, committees, and commissions, should make progress toward providing people with disabilities greater access to programs, print publications, and digital media related to the programs the recipient funds using appropriations made in this article.

Subd. 4. Increasing Diversity in Environmental Careers

Agencies should work to provide opportunities that encourage a diversity of students to pursue careers in environment and natural resources when implementing appropriations in this article.

Sec. 3. DEPARTMENT OF AGRICULTURE

(a) $1,000,000 the second year is for monitoring and evaluating trends in the concentration of nitrate in groundwater; promoting, developing, and evaluating regional and crop-specific nutrient best management practices, cover crops, and other vegetative cover; assessing adoption of best management practices and other recommended practices; education and technical support from University of Minnesota Extension; grants to support agricultural demonstration and implementation activities, including research activities at the Rosholt Research Farm; and other actions to protect groundwater from degradation from nitrate. This appropriation is added to the appropriation in Laws 2023, chapter 40, article 2, section 3, paragraph (b), and is available until June 30, 2028.

(b) $3,402,000 the second year is for the agriculture best management practices loan program for loans for water-quality-related projects. Of this amount, $3,000,000 is for projects in southeast Minnesota. Any
unencumbered balance at the end of the second year must be added to the corpus of the loan fund. This appropriation is added to the appropriation in Laws 2023, chapter 40, article 2, section 3, paragraph (c).

Sec. 4. POLLUTION CONTROL AGENCY $ 5,326,000

(a) $326,000 the second year is for completing needed statewide assessments of surface water quality and trends according to Minnesota Statutes, chapter 114D. This appropriation is added to the appropriation in Laws 2023, chapter 40, article 2, section 4, paragraph (c).

(b) $2,000,000 the second year is for enhancing the county-level delivery systems for subsurface sewage treatment system (SSTS) activities necessary to implement Minnesota Statutes, sections 115.55 and 115.56, for protecting groundwater. This appropriation is added to the appropriation in Laws 2023, chapter 40, article 2, section 4, paragraph (f). Notwithstanding Minnesota Statutes, section 16A.28, the appropriations in this paragraph are available until June 30, 2028.

(c) $1,000,000 the second year is for activities and grants that reduce chloride pollution. This appropriation is added to the appropriation in Laws 2023, chapter 40, article 2, section 4, paragraph (g).

(d) $2,000,000 the second year is to purchase and install nitrate sensors to develop a continuous nitrate-monitoring network to monitor watershed and basin pour points where elevated loads of nitrate have been measured historically.

(e) $50,000 the second year is for a grant to the Friends of the Minnesota Valley to continue and expand the existing water quality and watershed monitoring river watch.
activities in schools in the Minnesota River Valley. By February 15, 2027, Friends of the Minnesota Valley must provide a report to the commissioner and to the chairs and ranking minority members of the legislative committees and divisions with jurisdiction over environment and natural resources, finance and policy and the clean water fund on the outcomes achieved with the money received under this appropriation.

Sec. 5. DEPARTMENT OF NATURAL RESOURCES

(a) $3,434,000 the second year is for a working-lands floodplain program and to purchase, restore, or preserve riparian land and floodplains adjacent to lakes, rivers, streams, and tributaries, by conservation easements or contracts to keep water on the land, to decrease sediment, pollutant, and nutrient transport; reduce hydrologic impacts to surface waters; and increase protection and recharge for groundwater. Up to $225,000 is for deposit in a conservation easement stewardship account established according to Minnesota Statutes, section 103B.103. This appropriation is added to the appropriation in Laws 2023, chapter 40, article 2, section 6, paragraph (f).

(b) $4,000,000 the second year is to purchase permanent conservation easements to protect
lands adjacent to public waters that have good water quality but that are threatened with degradation. Up to $160,000 is for deposit in a conservation easement stewardship account established according to Minnesota Statutes, section 103B.103. This appropriation is added to the appropriation in Laws 2023, chapter 40, article 2, section 6, paragraph (k).

(c) $2,000,000 the second year is for developing and implementing a water legacy grant program to expand partnerships for clean water. Of this amount, $500,000 is for grants to watershed districts to reduce the costs to landowners for green infrastructure projects, including rain gardens, permeable pavement, rainwater harvesting and reuse, and other clean water practices. Priority must be given to projects in low-income and high-pollution areas. Watershed districts may partner with local community groups, nonprofit organizations, and other interested parties to perform the work and provide outreach to communities. This appropriation is added to the appropriation in Laws 2023, chapter 40, article 2, section 6, paragraph (m).

(d) $1,000,000 the second year is to provide support to soil and water conservation districts and other local governments and partner organizations in the Lake Superior basin to leverage Great Lakes Restoration Initiative or other federal Great Lakes funding to implement prioritized activities.

(e) $1,000,000 the second year is for conservation easements acquired under Minnesota Statutes, sections 103F.501 to 103F.535, or for grants to local units of government or Tribal governments, including for fee title acquisition or for long-term protection of groundwater supply sources. Consideration must be given to alternative management tools in the drinking water supply management areas and alternative management tools in the drinking water supply management areas and alternative management tools in the

lands adjacent to public waters that have good water quality but that are threatened with degradation. Up to $160,000 is for deposit in a conservation easement stewardship account established according to Minnesota Statutes, section 103B.103. This appropriation is added to the appropriation in Laws 2023, chapter 40, article 2, section 6, paragraph (k).

(c) $2,000,000 the second year is for developing and implementing a water legacy grant program to expand partnerships for clean water. Of this amount, $500,000 is for grants to watershed districts to reduce the costs to landowners for green infrastructure projects, including rain gardens, permeable pavement, rainwater harvesting and reuse, and other clean water practices. Watershed districts may partner with local community groups, nonprofit organizations, and other interested parties to perform the work and provide outreach to communities. This appropriation is added to the appropriation in Laws 2023, chapter 40, article 2, section 6, paragraph (m).

(d) $1,000,000 the second year is to provide support to soil and water conservation districts and other local governments and partner organizations in the Lake Superior basin to leverage Great Lakes Restoration Initiative or other federal Great Lakes funding to implement prioritized activities.

(e) $1,000,000 the second year is for conservation easements acquired under Minnesota Statutes, sections 103F.501 to 103F.535, or for grants to local units of government or Tribal governments, including for fee title acquisition or for long-term protection of groundwater supply sources. Consideration must be given to alternative management tools in the drinking water supply management areas and alternative management tools in the drinking water supply management areas and alternative management tools in the
Department of Agriculture Minnesota

Nitrogen Fertilizer Management Plan, including using low-nitrogen cropping systems or implementing nitrogen fertilizer best management practices. Priority must be placed on land that is located where the vulnerability of the drinking water supply is designated as high or very high by the commissioner of health, where drinking water protection plans have identified specific activities that will achieve long-term protection, and on lands with expiring conservation contracts. Up to $50,000 is for deposit in a conservation easement stewardship account established according to Minnesota Statutes, section 103B.103. This appropriation, including the conditions and considerations, is added to the appropriation in Laws 2023, chapter 40, article 2, section 6, paragraph (g).

(f) The board must require grantees to specify the outcomes that will be achieved by the grants. The appropriations in this section are available until June 30, 2028, except grant or easement funds are available for five years after the date a grant or other agreement is executed. Returned grant funds must be regranted consistent with the purposes of this section.

(a) $384,000 the second year is for developing health-risk limits for contaminants found or anticipated to be found in Minnesota drinking water, to certify private laboratories to conduct analyses for these contaminants, and to increase the capacity of the department's laboratory to analyze for these contaminants. This appropriation is added to the
appropriation in Laws 2023, chapter 40, article 2, section 7, paragraph (a).

(b) $2,790,000 the second year is for managing a voluntary program in Dodge, Fillmore, Goodhue, Houston, Mower, Olmsted, Wabasha, and Winona Counties to conduct an inventory of private wells, provide testing for nitrates, develop education and outreach for private well owners and users, and develop a dashboard to communicate testing results and report on progress.

(c) Unless otherwise specified, the appropriations in this section are available until June 30, 2027.

Sec. 8. UNIVERSITY OF MINNESOTA

$1,000,000 the second year is for a program to evaluate performance and technology transfer for stormwater best management practices, to evaluate best management performance and effectiveness to support meeting total maximum daily loads, to develop standards and incorporate state-of-the-art guidance using minimal impact design standards as the model, and to implement a system to transfer knowledge and technology across local government, industry, and regulatory sectors. This appropriation is added to the appropriation in Laws 2023, chapter 40, article 2, section 9, paragraph (b), and is available until June 30, 2030.

Sec. 9. Minnesota Statutes 2022, section 114D.50, is amended by adding a subdivision to read:

Subd. 8. Prohibition on appropriation to burglars. A person who has been convicted of felony burglary in the first degree under section 609.582 is ineligible to receive an appropriation from the clean water fund.

Sec. 2. ARTS AND CULTURAL HERITAGE

Subdivision 1. Total Appropriation

Money appropriated in this article must be spent in accordance with Minnesota

Money appropriated in this article must be spent on activities unless they are directly related to and necessary for a specific appropriation. Money appropriated in this article must not be spent on institutional overhead charges that are not directly related to and necessary for a specific appropriation.

Subd. 2. Availability of Appropriation

Money appropriated in this article must not be spent on activities unless they are directly related to and necessary for a specific appropriation. Money appropriated in this article must not be spent on institutional overhead charges that are not directly related to and necessary for a specific appropriation.

Money appropriated in this article must be spent in accordance with Minnesota
Management and Budget MMB Guidance to Agencies on Legacy Fund Expenditure.

Notwithstanding Minnesota Statutes, section 16A.28, and unless otherwise specified in this article, fiscal year 2024 appropriations are available until June 30, 2025, and fiscal year 2025 appropriations are available until June 30, 2026. Water and energy conservation technology and the use of renewable energy should be priorities for construction and building projects funded through this appropriation. If a project receives federal funds, the period of the appropriation is extended to equal the availability of federal funding.

Subd. 3. Minnesota State Arts Board

(a) The amounts in this subdivision are appropriated to the Minnesota State Arts Board for arts, arts education, arts preservation, and arts access. Grant agreements entered into by the Minnesota State Arts Board and other recipients of appropriations in this subdivision must ensure that this money is used to supplement and not substitute for traditional sources of funding. Each grant program established in this appropriation must be separately administered from other state appropriations for program planning and outcome measurements, but may take into consideration other state resources awarded in the selection of applicants and grant award size.

(b) Arts and Arts Access Initiatives

$4,590,000 the second year is to support Minnesota artists and arts organizations in creating, producing, and presenting high-quality arts activities; to preserve, maintain, and interpret art forms and works of art so that they are accessible to Minnesota audiences; to overcome barriers to accessing arts and art that are accessible to Minnesota audiences; to overcome barriers to accessing

high-quality arts activities; and to instill the arts into the community and public life in this state. This appropriation is added to the appropriation in Laws 2023, chapter 40, article 4, section 2, subdivision 3, paragraph (b).

(c) Arts Education

$861,000 the second year is for high-quality, age-appropriate arts education for Minnesotans of all ages to develop knowledge, skills, and understanding of the arts. This appropriation is added to the appropriation in Laws 2023, chapter 40, article 4, section 2, subdivision 3, paragraph (c).

(d) Arts and Cultural Heritage

$287,000 the second year is for events and activities that represent, preserve, and maintain the diverse cultural arts traditions, including folk and traditional artists and art organizations, represented in this state. This appropriation is added to the appropriation in Laws 2023, chapter 40, article 4, section 2, subdivision 3, paragraph (d).

(e) Administrative Costs

Up to five percent of the totals in paragraphs (b) to (d) each year is for administering grant programs, delivering technical services, providing fiscal oversight for the statewide system, and ensuring accountability for fiscal year 2025.

(f) Regional Arts Councils

Thirty percent of the remaining total appropriation to each of the categories listed in paragraphs (b) to (d) is for grants to the regional arts councils. Notwithstanding any other provision of law, regional arts council grants or other arts council grants for touring.
programs, projects, or exhibits must ensure
the programs, projects, or exhibits are able to
tour in their own region as well as all other
regions of the state.

(g) Any unencumbered balance remaining
under this subdivision the first year does not
cancel but is available the second year.

Subd. 4. Minnesota Historical Society
(a) The amounts in this subdivision are
appropriated to the governing board of the
Minnesota Historical Society to preserve and
enhance access to Minnesota's history and its
cultural and historical resources. Grant
agreements entered into by the Minnesota
Historical Society and other recipients of
appropriations in this subdivision must ensure
that these funds are used to supplement and not
substitute for traditional sources of funding.
Money directly appropriated to the Minnesota
Historical Society must be used to supplement
and not substitute for traditional sources of
funding. The appropriations in this subdivision
are onetime and are available until June 30,
2026. Any unencumbered balance remaining
under this subdivision in the first year does
not cancel but is available for the second year.

Sec. 3. Laws 2023, chapter 40, article 4, section 2, subdivision 3, is amended to read:

Subd. 3. Minnesota State Arts Board

(a) The amounts in this subdivision are
appropriated to the Minnesota State Arts
Board for arts, arts education, arts
preservation, and arts access. Grant
agreements entered into by the Minnesota
State Arts Board and other recipients of
appropriations in this subdivision must ensure
that these funds are used to supplement and
not substitute for traditional sources of
funding. Each grant program established in
this appropriation must be separately
administered from other state appropriations
for program planning and outcome
measurements, but may take into consideration
other state resources awarded in the selection
of applicants and grant award size;

(b) Arts and Arts Access Initiatives

$35,737,000 the first year and $36,437,000
the second year are to support Minnesota
artists and arts organizations in creating,
producing, and presenting high-quality arts
activities; to preserve, maintain, and interpret
art forms and works of art so that they are
accessible to Minnesota audiences; to
overcome barriers to accessing high-quality
arts activities; and to instill the arts into the
community and public life in this state. Grants
provided under this paragraph must prioritize
artists and arts organizations that plan to present art from communities that have been historically underrepresented in the arts or that improve access to the programs and projects for groups, including youth and historically underserved communities, that have struggled to access arts programming in the past.

(c) Arts Education

$7,263,000 the first year and $6,269,000 the second year are for high-quality, age-appropriate arts education for Minnesotans of all ages to develop knowledge, skills, and understanding of the arts. Priority in the award of grants under this paragraph must be given to providing educational opportunities to underserved communities with grants for organizations or entities providing opportunities to K-12 students throughout the state for arts education, including access to arts instruction, arts programming, museums, and arts presentations;

(d) Arts and Cultural Heritage

$2,421,000 the first year and $2,090,000 the second year are for events and activities that represent, preserve, and maintain the diverse cultural arts traditions, including folk and traditional artists and art organizations, represented in this state;

(e) Significant Art Project St. Paul

$2,000,000 the first year is for a grant to the Minnesota United Foundation for the design, land development, land transfer fees, and production costs of a public art project in St. Paul at the United Village site celebrating Minnesota arts and cultural heritage and providing a unique public art experience through sculpture and design. The project funded by this paragraph must have a
matching grant contribution from nonpublic funds and must include a public-private partnership agreement providing an agreement for the future ownership, maintenance, taxes, and associated costs for the art project and project site. The project funded by this paragraph must have a permanent sign indicating the project was funded through the arts and cultural heritage fund. This appropriation is available until June 30, 2028. Nonpublic contributions made after January 1, 2024, are eligible matching expenditures for the purposes of this grant.

(f) Administrative Costs

Up to five percent of the totals in paragraphs (b) to (e) each year is for administering grant programs, delivering technical services, providing fiscal oversight for the statewide system, and ensuring accountability for fiscal years 2024 and fiscal year 2025 appropriations.

(g) Regional Arts Councils

Thirty percent of the remaining total appropriation to each of the categories listed in paragraphs (b) to (d) is for grants to the regional arts councils. Notwithstanding any other provision of law, regional arts council grants or other arts council grants for touring programs, projects, or exhibits must ensure the programs, projects, or exhibits are able to tour in their own region as well as all other regions of the state.

(h) Any unencumbered balance remaining under this subdivision the first year does not cancel but is available the second year.
55.14 Sec. 4. Minnesota Statutes 2022, section 129D.17, is amended by adding a subdivision to read:

55.16 Subd. 7. Prohibition on appropriation to burglars. A person who has been convicted of felony burglary in the first degree under section 609.582 is ineligible to receive an appropriation from the arts and cultural heritage fund.

55.19 Sec. 5. Minnesota Statutes 2022, section 129D.17, is amended by adding a subdivision to read:

55.21 Subd. 8. Prohibited activities. Funding from the arts and cultural heritage fund must not be used for projects that promote or show support for Hamas.

55.23 Sec. 6. Minnesota Statutes 2022, section 129D.17, is amended by adding a subdivision to read:

55.25 Subd. 9. Prohibited activities. Funding from the arts and cultural heritage fund must not be used for projects that promote violence against police officers, peace officers, firefighters, emergency medical technicians, and other public officers.
